I tell you, he will give justice to them speedily. Nevertheless, when the Son of Man comes, will he find faith on earth?"

Luke 18:8

What kind of a being is Satan? Particularly those who believe in Jesus must explain clearly Satan's identity in relation to God. Who is Satan? He is an adulterer, the adulterer of love. That wretched being Satan beat the father to death and raped the mother. And the children who were born from this are all of you. Don't you feel bad about this? If you cannot believe it, try praying to God desperately, as if your life were at stake, and ask him whether my words are true or not. CSG 1141

Dear

At the Sunday Service Hyung Jin Nim discussed how True Mother was always speaking about Jesus and True Father. She always worshipped Christ as her center, not an organization or bureaucracy, which is why she was able to come to Pennsylvania.

That doesn't change now that she has gone to spirit world. The Asian and Catholic tradition is to venerate ancestors (saints), but that is not biblical. It is idol worship. Those that take up goddess worship lose their fear of God the Father. The Archangel invades through focusing on the goddess. Historically that led to temple prostitution and exploitation of women through free sex, and fatherless boys often growing up to become criminals.

Hyung Jin Nim's Message re: Preparation for True Mother Kang's Seonghwa 3/10/2019

We must be careful not to venerate True Mother Kang as a goddess. After True Father's passing the Han Mother tried to become the center. To do so with True Mother Kang would be the opposite of her desire.

When not with True Father at his side, True Mother Kang will be with us praising God and True Father. She is a created being. True Father loves her much more than we do, but she is not God. She is the most victorious woman, but she is not a separate "sun."

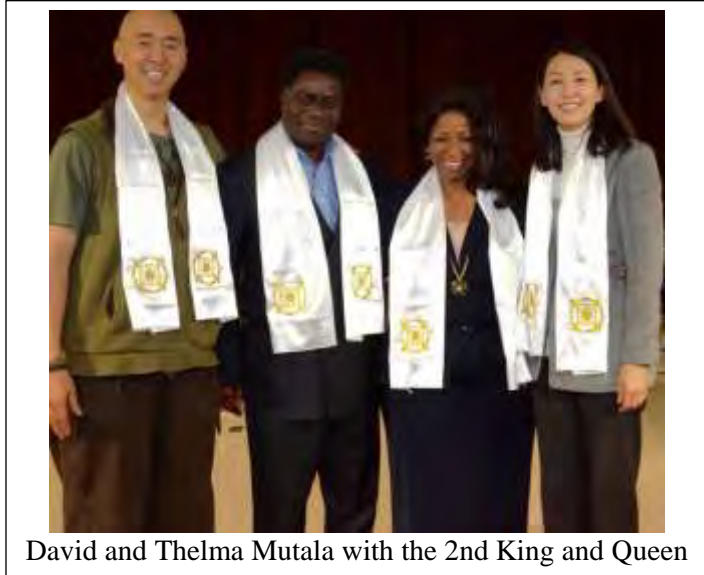

True Father will always be the absolute center. We should never forget this. If someone praises you, give the praise to God. Then you are free. Remember that behind her is the King of Kings!

The Seonghwa ceremony will be held at Sanctuary Church in Newfoundland, PA, from 10 am on March 18, 2019 (10th Year of Cheon-gi, 2nd Month, 12 Day).

Sincerely,

Richard

"Do you know how to fight? I need warriors!"

David and Thelma Mutala with the 2nd King and Queen

Reported by Rev. Thelma Mutala

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone. It was a vile spirit that I never encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

Then I heard a voice in the spirit saying, "Can you fight? "Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to

command and take authority."

During the course of this tremendous upheaval True Father appeared in my dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

This spiritual war zone occurred during True Mother Kang's transitioning timeframe. It seems as though she went through a violent spiritual world to take her rightful place with our True Father.

We wrestle not against flesh and blood but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore put on the full armour of God, that ye may withstand the evil day and having done all to stand. Eph 6:12-13

Well, I can testify that our True Mother has made it through the dark into the light. It is finished.

The dates were between February 4 to March 6, 2019.

May the will of the Most High God be done. Our prayers go out to the 2nd King and Queen, Kook Jin Nim's family and all our families near and far.

Blessings,

Thelma (Kiladi) Mutala Family

Addendum: A certain peace came over me after this dream. Our Heavenly Father and True Father's spirit is navigating us safely through the complex and fierce forces in this world.

I gather from my testimony and dream that the Kingdom of God must be taken away from Satan, we do not need to ask for permission. Satan and his minions have no intentions of being subjugated by God. This is a very serious matter that we must be cognizant of. We are either going to stand with God's Authority (Word of God/Eight Great textbooks) or surrender to Satan's manipulations/tactics. We cannot serve two masters!

Miho Panzer's Testimony about True Mother Kang

During these last few days of cold weather I have been thinking about True Mother Kang who arrived in Pennsylvania after traveling a long way from Korea in a cold December 2016. When I saw her, she was healthy with a beautiful smile. When she opened her mouth, Aumonim Kang always spoke about True Father.

She read the Cheon Seong Gyeong many, many times and underlined what she thought were important

sections with red lines. Then when she read the Cheon Seong Gyeong again she would realize that the other sections were also important, so almost every page was full of red lines!

She asked us, "do you believe God? How much? If you think, "God doesn't listen to my prayers," then think about how much you believe God. If you believe 5% or 20% or 50% or 100% that will determine how much God can act.

Sometimes we give up just before God is ready to fulfill our prayer request. That is why True Father emphasized absolute love, absolute faith and absolute obedience. I know that she followed those words.

I would be surprised to hear her say, "I am in Jesus. I am in True Father." She would say, "I am praying with True Father." I realized how her level of prayer was a much higher standard than mine.

Last year she would come down to the first floor of the Palace to listen to the King's Report. Because she had pain, I rubbed her back and shoulders a little bit. She said she felt better. I never forget her smiling face. One time I was rubbing her legs and I felt for some reason "these are Father's legs," that True Father was with her. When I said to her, "Abonim is visiting you, isn't it?" She said with a smile, "yes, I feel that, too!"

On January 16, 2019, about a dozen of us visited Aumonim Kang at the Palace during the lunch hour. We started with a prayer. She mentioned that "my hand is very cold," so I held her hand and she felt more relaxed and then began to speak, saying, "brothers and sisters, please unite with the King. I feel that he is carrying many burdens. When I look at the King and Queen, I shed tears because they are working so hard to fulfill what Father is asking. Even one thing, please help them!"

I felt that she is really True Mother, concerned about the King and Queen. Even though she has a 91 year old body, with pain to sit more than a half hour, her talk was not about herself, but rather expressing concern about Hyung Jin Nim and Yeonah Nim.

She prayed for the victory of God's will and for brothers and sisters by name. That was the wonderful True Mother we had in Aumonim Kang. I am sure now that she is with True Father she will be even more active than before!

Faith in the 3 Generation Kingships
February 6, 2017**

I tell you, he will give justice to them speedily. Nevertheless, when the Son of Man comes, will he find faith on earth?" Luke 18:8

Today I am speaking in Luke 18, where Jesus says, "Nevertheless, when the Son of Man comes, will he find faith on earth?" In other words: shall he find not only people who are faithful but will faith in fact exist at all on the earth?

This reminds us again that the path of faith is not an easy path; it is a very difficult one. While we are here on earth, we need to be building the house that we will be living in for eternity, and that house will be built according to what we do here on earth. Some people will build their eternal home with gold, silver and jewels, while others will build it with straw, perhaps mud, or wood.

Some people have already completed building that eternal home for themselves; others maybe have half finished; some people have not even begun.

Father knew that this path would be difficult and that is why he received more persecution than anyone else on earth. He was persecuted by Korea, Japan, the United States, by Germany, by France. He was persecuted all around the world. Father said, "I have become the champion of heretics in the world."

Today is no different. There is a place that is persecuted a great deal; there is a place of which people say, "We cannot believe what is going on in there!" But when you go to that place, that place that is persecuted the most that is where you will find truth; that is where you will find God's providence.

Same is true with Sanctuary Church today: on January 15, 2009, and again on January 31st, Father appointed his successor, his inheritor, and his representative body. He established his 3 Generation Kingships. On Jan 15th it was in Korea; on January 31st 2009 it was first in Korea and also in New York on the same day. But there are very few people who believe, who have faith in that 3 Generation Kingships.

We see in many religions throughout the world that before the founder leaves the earth he will appoint his successor, his inheritor and his representative body. Successor means that the person continues to do what Father was doing; he does it in Father's place as Father's representative body. Inheritor means the same, that he is inheriting what Father was doing, and the resources that Father was using.

Father prayed over his successor, his inheritor and his representative body. Father did not just do this for fun. He was doing this very seriously because this was truth, and this is what needed to be done.

I would like to say to the people who are here today that if you believe in the 3 Generation Kingships, if you follow, you will be in the position of a filial son, filial daughter of True Father.

Thank you very much.

Loving Our Neighbor Is How We Keep Our Kingdom

If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen? John 4:20 (KJV)

By Alex Gaigg

The Kingdom itself is governed by those who extend it. If you keep it to yourself, then you are a fool hiding in plain sight. If you allow others to have their kingdoms, then yours will surely be safeguarded. This is why Hyung Jin Nim will successfully reign as the Second King - because he allows us to have our own kingships. God intended that the Kingdom of Heaven shall be on earth, not only in Heaven. And He did not create it for just one person or one family or family line, but every person of the creator. We thank the Second King for giving us our anointings as kings and queens, because through them we can be connected to God.

May God bless you and your families!
