Death and life are in the power of the tongue, and those who love it will eat its fruits. Proverbs 18:21

You get married not just for yourself, but for your spouse as well. Does that mean to say that marriage is more for your spouse than yourself? Since everything in heaven and earth is based on the principle of subject and object, for man and woman to get married is also a rule in heaven and earth.

If man represents right, woman represents left, this is so that they can form a horizontal relationship in the universe. If man is subject, woman becomes his object; this forms a vertical, upper and lower relationship with God. Therefore marriage is not for the sake of just the man or just the woman. It is to conform to heavenly law. The reason man and woman are shaped differently is so they can come together according to heavenly law. CSG 1742

Dear

At the beginning of his sermon, Hyung Jin Nim explained that we should resist the leftist media agenda to make the repugnant accusation that white people who voted for Trump are somehow responsible for the shootings in Texas and Ohio over the weekend.

He showed a video made by T. Rex Arms about how to contact elected officials about changing laws. ["How to Kill a Tax"](#) shows how average citizens can initiate new legislation. This is also how we can build the Kingdom culture right here. We know that the Kingdom has to be built here on earth, with our active involvement.

When governments have superior force, bad things can happen. We should all be prepared to defend life. It's important to carry firearms on a routine basis, as well as a trauma kit. Hyung Jin Nim always carries a tourniquet, trauma kit and pocket knife. Good people with arms give bad guys a bad day. These are serious times. He showed StyleMe Tactical website. It's important for girls also to be prepared to defend others. They can be beautiful AND lethal to predators, if needed.

Pastor Sean Moon, Sanctuary Church - Sunday Service 08/04/2019

Spend time with your children, especially one on one time. Teach them to show gratitude for each other and how not to be dominated by your emotions, which leads to low level parenting, nagging, etc. The Queen even makes appointments with her sons to show respect. She speaks very objectively and clearly. Principled parenting is a way to destroy Satan's sabotage network against your family. He suggested making a video of each child saying what they are grateful for about their parents and siblings through their younger to older years. And then giving that to each on their blessing days. How come they don't teach these things in government schools?

Jesse Lee Peterson warned a young man in the military to avoid the "poison of the mommy" by not adopting his mom's hatred for his father. That's what the Han mother did, always telling the True Children "Father's so hard on me, etc." playing a victim game and alienating them from their father.

Yes, there are low level men, but women could still choose not to speak ill of their husbands in front of the children. The Bible says life and death come from the power of the tongue (Proverbs 18:21).

EXPOSED: The Left's Pedophilia Agenda! | Louder with Crowder

He recommended a Steven Crowder video on how postmodern philosophers (Foucault, Sartre, Derrida, de Beauvoir) all supported pedophilia and signed a statement to eliminate age of consent laws, which would get rid of penalties for adults having sex with children.

Bestiality was legal in Denmark. Dogs with their front arms tied behind their backs were raped hundreds of times by sick men. The dogs often died within 3 months. In 2015 Denmark finally had to make bestiality illegal. That is why God in Leviticus prohibited sex with animals.

As discussed in last week's sermon, God's Sexual Revolution against paganist practices elevated the status of women and protected children. Women are to be the sole object of man's passion.

True Father's Suffering and Our Time

Ena Moon

I would like to say a few important things. First, I would like to thank the Second King and his followers for his and their efforts to correct the failure of the Han Mother. Actually, I am not qualified to speak here, but I have to say these things because True Father made me feel that I want to bow to Hyung Jin and to the brothers and sisters on his side.

Let us remember that True Father experienced rejection he willingly took on himself. He himself did that many times in the early years of his mission. I have seen the miserable circumstances. I can only cry about it. Father was so often betrayed.

Unfortunately, the same is now happening, even to Hyung Jin. Even for members total selflessness will demand great sacrifices.

Even in my dreams at night I get attacked and have to fight a lot. Everyone is in danger of leaving Father and Hyung Jin. In Jesus' time Judas and Peter promised never to leave the Messiah but Satan invaded

them. When extreme persecution comes, we are all in danger.

Me too, I had so many aggressive challenges from others lately and I asked myself why I do need this? I've already started saying goodbye to various Facebook disputes. I am sorry that I am not strong enough.

Unconditional love and absolute following are necessary to correct the present failure. I was ready to drop everything, but then True Father confronted me. He looked me in the eye and I saw that I had caused an unbelievable disappointment. I saw his tears in losing me. Nobody really takes me seriously and True Father gives me new weapons in my hand. I do not know how to handle this.

From Father's point of view, dictatorial steps are necessary. Due to the failure of the Han Mother, Hyung Jin has to become more and more radical. In responding to the current world political situation, Hyung Jin is on the right track, China is on the way to take over Hong Kong. South Korea has more and more alignment with North Korea in building resentments against Japan.

The curse for failure will require harsh payments. Difficult times are approaching us due to the failure of Han Mother. It should never have been this way, with Family Fed members closing their hearts. True Father is bombing me with his words. If I can change one person's mind, maybe I can give more hope

to Father.

Even church leaders in the spiritual world know me personally. I am not programmed by the FF policy. Some parents in the spiritual world tell me to contact their children. They tell me secrets that nobody knows except their own children.

A number of the second generation are in danger. Their life is so miserable. So many young people have lost hope because of this failure. The separation between Father and Mother has caused the schism within the church, dividing the first and second generations, as well as the blessed couples from their ancestors.

True Father is pushing me with many words. I have to concentrate because sometimes I forget something, then he is scolding me. True Father can see the reality of your life. I do not speak what Father has shown me openly. There are many who lead a double life, but there is an archive of every single person and True Father can retrieve everything. When that becomes visible it causes great shame, Sins cause incredible pain because God's heart suffers and you yourself feel deep regret and shame that you hurt God's heart.

Computer Design of Expected Final Product

Anonymous family is asking for your support to complete the building of WPU Sanctuary in Abuja Nigeria. God calls us to build his house of worship during a difficult time in our family our nephew was shot and killed in Port Harcourt Nigeria December 20, 2016 when he was travelling for his business. His body was found two weeks later. It was very painful. Our nephew was 33 years just got married and wife was pregnant with their first child.

It was unbearable for our family we decided to pray for 40 days after our nephew's burial with heart full of tears but during the prayer God asked us to transform our pain into constructing a Sanctuary. We accepted the call from God but have no idea how to fulfil that God's call. We asked the local pastor to find a plot of land for a church. The project began in July 2017 with acquisition of a piece of land in Abuja for the purpose. A lot of work has been done since then. From the foundation of the building which includes the church hall Sunday school and administrative offices.

Land and fence around the land

- We bought a Canopy, chairs and other equipment from the US and shipped to Nigeria, costing over \$2500 (materials and shipping included). And brothers and sisters started gathering to worship under the canopy.

- Unfortunately there was a big storm that destroyed the canopy

● God made a way where there seems to be no way to start building his sanctuary. Isaiah 65:24 “And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.” We started building the foundation.

Construction is still going on to raise walls to roof level

We need your help:

So far, we have spent over \$70,000.00.

But we still need roofing, windows, doors, flooring, landscaping and finishing (plastering walls and painting) this is when you come in to help complete God's Sanctuary and share God's Blessing. The estimate for this part of the project is about \$40,000.00.

We don't know what you are going through in your finances or other difficult issues but God knows and we believed when you give for God's ministry He will turn your situation around.

Luke 6:38 "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."

As you give "The LORD bless thee, and keep thee:" "The LORD make his face shine upon thee, and be gracious unto thee:" "The LORD lift up his countenance upon thee, and give thee peace." Numbers 6:24-26

Thank You for giving. God Bless You and Your Family!
