Beautiful Blessing of Shin Pal Moon and So Young Ono at Camp, August 16th.

Dear Candidates, Parents and Advocates:

I went to the OSDP workshop this summer with Tim Elder at Sanctuary Church and the key is the Family, so the following are some words about the Family and Family Pledge, which are deep yet practical. Heavenly Father wants us to do Family Pledge every 8 days to remind us about the core of our Life. Next time is August 27th. According to Tim Elder, in the 3rd verse, the translation is 3 Generation Kingships instead of 3 Great Kingships. You can see Rev Yu's OSDP on Sanctuary-pa.org underneath education.

The Family is...

- God's ideal of creation
- The basic unit of the Kingdom of Heaven
- The training ground for shimjung and true love that allows us to be registered in the Kingdom of True Love
- The core body where tri-generational love is unified
- The basic unit of order for society and nation
- Absolute Sex (Realm of True Love, True Life and True Lineage) and Sexual Purity, Purity of Lineage, Purity of Love

Accordingly, the True Family is the Eternal Homeland of Humankind.

The Family Pledge is...

- The backbone, the core and the order of the family
- The absolute standard for realizing Cheon Il Guk and the core of its constitution
- The gospel of gospels for connecting our lives with God
- The key for opening the gate of the Kingdom of Heaven
- The prayer of prayers
- The blessing of blessings, given by Heaven to humankind
- The Family Pledge is the record of the victories won during the life of the True Parent.

The Family Pledge is comprised of eight verses and can be found in the [Couples Education section of Sanctuary Blessed Life](#).

Events:

August 18th - At the Sunday Service, the 2nd King gave a deep speech about Absolute Sex and how to raise your children, which can be found on youtube on the [Rod of Iron Kingdom Youtube Channel](#) as well as in the [Couples Education section of Sanctuary Blessed Life](#).
