But Caleb quieted the people before Moses and said, "Let us go up at once and occupy it, for we are well able to overcome it." Then the men who had gone up with him said, "We are not able to go up against the people, for they are stronger than we are." So they brought to the people of Israel a bad report of the land that they had spied out, saying, "The land, through which we have gone to spy it out, is a land that devours its inhabitants, and all the people that we saw in it are of great height. And there we saw the

Nephilim (the sons of Anak, who come from the Nephilim), and we seemed to ourselves like grasshoppers, and so we seemed to them." Numbers 13:30-33

The Jehovah who appears in the Old Testament Age this way is an angel and not God. The Old Testament Age is the age of the servant, and God cannot appear as a father to a servant, because he is not a son... Since the Old Testament was the age of the servant, God could not reveal Himself directly. In the Old Testament, did God tell them to fight or not to fight? Do you know that Saul was punished because, after winning the war, he went against God's instruction to kill all the men? Why do you think He did that? If men of the satanic world were spared, that world would invade again. He did it because the survival of the satanic men would preserve the system as they took wives and continued as they had before. Yet cutting off their lineage would end the system, as the women and children belonged to God's side. That is why He did this.

Saul was punished because his failure to act as instructed allowed the invasion of the heavenly nation by the worship of gentile gods and by all their adulterous customs.

Hello,

Hyung Jin Nim started the Sunday Service by explaining that the motto of the Rod of Iron Motorcycle Club is "I am my brother's keeper." Cain denied being that. Americans should defend each other. After True Father appointed the youngest brother to be his heir Kook Jin Nim said he would protect his anointed brother (Hyung Jin Nim). His unselfish choice was a victory for God's providence.

Then he showed ["The Patriot" rap](#) with 2 combat veterans whose rap was banned. There's a real war for the soul of America.

In Numbers 13 God instructs Moses to select spies. Ten brought up an "evil report." They do not believe they can be conquerors. The Israelites were slaves who need to be trained to be warriors so they could face people with organized militaries. We may see the end of America as we know it. Judicial system did nothing to hear cases of election fraud. Justice Roberts threatening other justices to not hear cases.

Then he spoke about tyrannies which committed mass murder of noncombatant civilians. In 1915-17 [Ottomans murdered 1 million Armenians](#). Such genocides always started with disarmament of the population. It's important to resist early before the consolidation of power.

Just 10% of the U.S. military would be needed to accomplish their control of the American population. There is nowhere to run to. Nearly the whole world was shut down through the pandemic. We have seen the censorship of conservative voices including Stefan Molyneux, Alex Jones, Steven Crowder, and many others. We did not understand how deep the Chinese infiltration was with key people bought off. It is not an accident that we now see the weeding out of patriots from the military.

Trump supporters are called "domestic terrorists." and driven underground. We are feeling what Moses felt when most of the Israelites were accusing him. Remember, 10 of the 12 spies were terrified and wanted to return to Egypt.

A day of testing is coming when we will see who will keep their word just as America's founding fathers were tested.

In Numbers 14, the people cried out. It was the same during the Revolutionary War when two thirds of the colonists wanted to keep British rule or were undecided. Since George Washington lost many battles it was hard to keep faith in the Revolution. The tyrants look organized and undefeatable.

A good analogy is the metal mammoths in the Star Wars movies which looked invincible. It was necessary to THINK about how to defeat them. Satan operates through illusion to create fear and paralysis. Sheep will freeze, but pack goats will attack.

The American revolution was able to keep the moral high ground which prevented a new dictator from taking power. As Benjamin Franklin said, resistance to tyrants is obedience to God. The same as the Pilgrims, before being inaugurated George Washington offered the nation to God.. We must stand up so that future generations will have freedom, too.
