When hard pressed, I cried to the LORD; he brought me into a spacious place. The LORD is with me; I will not be afraid. What can mere mortals do to me? The LORD is with me; he is my helper. I look in triumph on my enemies. It is better to take refuge in the LORD than to trust in humans. It is better to take refuge in the LORD than to trust in princes. All the nations surrounded me, but in the name of the LORD I cut them down. They surrounded me on every side, but in the name of the LORD I cut them down. They swarmed around me like bees, but they were consumed as quickly as burning thorns; in the name of the LORD I cut them down. I was pushed back and about to fall, but the LORD helped me. Psalm 118:5-13

Between you and me, who is superior? In what respect? Why would one be superior to another when all of us are of the same mind? The only difference between us is to what extent we put into action what our mind tells us to do; otherwise we are no different at all. Our minds are all the same. The basis of the person and of the mind is the same; the only difference lies in the degree to which we follow the instructions of our minds, how much we convert our thoughts into action, and how much we cultivate our environment.

Hello,

Hyung Jin Nim just returned last night to Newfoundland from his 2 week visit to establish a new providence in Texas. Following is the service he gave last Sunday in Texas and The King's Report from this morning about efforts to upgrade the campground and marina as well as his amazing motorcycle ride through Tennessee on the way back home!

The Running Branch at Liberty Rock Marina Development fund will help expand God's Kingdom to the Western and Southern regions of the United States. The King and KJN envision the campground to be home to over 100 sites that will serve our community and patriots from Texas and around the country.

Many upgrades are needed including the development of a pavilion/stage for public events, upgraded Internet service, equipment to maintain the property (lawnmower, tractor); small aluminum boats/kayaks for fishing & recreation, remodeling of cabins, and upgrading the campground from 30 amp to 50 amp to bring it up to modern standards.

The King is excited by this development in the Providence. He said **Liberty Rock is fulfilling Father's vision of all the farms and properties that Father Invested in over the years.** Father has such a love for the "Hobby & Leisure Industry" and Liberty Rock is the manifestation of that dream. Your support is greatly appreciated! (Since this is a private venture, not a church program, donations are NOT tax-deductible.)
