**Dear Parents, Candidates and Advocates,**

Summer is here. God's warm embrace is everywhere. God's Grace is amazing.

I just read about Why do we get Blessed in Marriage?

In Cheon Seong Gyong 2006 Version, CSG Page: 1253, Chapter 9:1.2.3:

*Marriage brings together heaven and earth. Why do people get married? What good things are they hoping for? It is to expand the love of God. It is to expand His people. It is to expand His lineage (144-80, 1986.4.8)*

*For what reason do people get married? It is in order to go to the Kingdom of Heaven, and for the sake of humanity. The man must realize that the woman who stands before him is the daughter of God and the daughter of humanity.*

*If he can love the woman as the beloved daughter of humanity and of God, he has the right to become the husband. But if not, he cannot become her spouse. It is the same in the case of the woman. She should not think, "He is my man!" Firstly, she should consider him as the son of God and the man who represents all men of humanity. She should be the woman who can love him more than anyone else and even love him more than God Himself. So, man and woman should get married with this thought in their mind: The*

*man should act as the right foot and the woman as the left foot, and together they can move forward, step by step, taking footsteps of love for the sake of humanity and God, through their family. The right foot is the husband and the left foot is the wife. In that sense, if you do not get married, you are crippled.*

### **1. Next Zoom Online Matching Workshop:**

**Friday July 16th from 7pm EST to about 9pm EST.**

**Parents, Candidates and Advocates are welcome.**

**Send me (Dorit Smith: [doritsmith7@gmail.com](mailto:doritsmith7@gmail.com)) your email, as well as the candidate's Name, Age, Country, 1st or 2nd gen.**

Sign up for Zoom and I will invite you about 1/2 - 1 hour before the Zoom call.

I will give a talk based on a power point about the Matching and Blessing.

Be ready to shortly introduce your family and candidate (name, age, hobbies, work and why you would like to get matched or when you feel close to God?)

### **2. Website guide lines.**

A. Hide your profile if you are talking to someone.

B. Take your profile down if you get Matched and Blessed.

C. Be respectful when you approach someone. For 2nd Gen if the parents are helping approach them first.

D. Feel free to ask me or any of the advocates questions or help, but True Father gave the responsibility for matching 2nd gen to the Parents. Plus study online under Education on [sanctuaryblessedlife.org](http://sanctuaryblessedlife.org).

E. 2nd King encourage candidates to Pray (the man prays and lead), study about the Blessing, read "Love and Respect by Emerson Eggerich," and talk for about 3-6 month before deciding to get matched. The candidates need to take ownership; it is God's and their Blessing. This is what the 2nd Kings own children did and my boys did the same.

**Please do not get vaccinated** for COVID 19. It can kill you, cause sterility, change your DNA and many other side effects. Check out [childrenshealthdefense.org/defender/](http://childrenshealthdefense.org/defender/) for more info.

Be Bold and Courageous.

May God guide us.

Sincerely,

Dorit Smith
