

## Pastor HJ Sean Moon

### God is moving like wildfire

#### The King's Report - 2021. 08. 13

##### Isaiah 59: 16- 21

*6 And he saw that there was no man, and wondered that there was no intercessor: therefore his arm brought salvation unto him; and his righteousness, it sustained him.*

*17 For he put on righteousness as a breastplate, and an helmet of salvation upon his head; and he put on the garments of vengeance for clothing, and was clad with zeal as a cloak.*

*18 According to their deeds, accordingly he will repay, fury to his adversaries, recompence to his enemies; to the islands he will repay recompence.*

*19 So shall they fear the name of the LORD from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him.*

*20 And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the LORD.*

*21 As for me, this is my covenant with them, saith the LORD; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the LORD, from henceforth and forever.*

-----

I was reading this morning in Cheon Seong Gyeong about attendance to True Parents. Father was saying, we have to attend True Parents at least three years: *"You have to attend True Parents for three years; then the family can attend them and the nation can attend them and the world can attend them,"* etc. You're setting that condition.

What is Father talking about? He's talking about a relationship; we have to build a relationship. What is attendance? It is about being near them, it's about being with them; it's about understanding the dynamics between Father and Mother. The Father is the subject, the Mother is the object; the Mother revolves around the Father. The Father is the center. This is what you would learn if you actually attended True Parents. You would learn that there's an absolute authority, there's an absolute hierarchy, and in that hierarchy there's stability, and in that hierarchy there's order, and in that hierarchy the planets can revolve around the sun, and there is fruitfulness and there is power. Because the Father is the head of the house and because the Mother is supposed to support that and protect His authority; she's supposed to revolve around the sun. Obviously the fall of the Han mother has proven that she has become the Harlot of Babylon and has embraced the satanic ideologies of ancient times.

### **True Mother Kang**

But thanks to the victory of the Kang True Mother and through the Holy Spirit, True Father establishing her and finding her and sending her here, and with the authority granting me to do the Blessing on the physical level with Father in the spirit, we have True Parents once again; blessed in the perfection stage Blessing. What a tremendous thing! And finally to have the True Mother that has overcome all the obstacles, that has remained faithful to the end, and that has lived with Christ as her center! What a tremendous example! Throwing everything away, risking her life at 90 years old to come to serve the True Father's lineage, True Father's Kingship, and of course to receive the tremendous incredible honor, which she never even assumed or even asked for, of becoming the True Mother of Heaven and earth! Praise God! Praise God, and thank God Cheon Il Guk has the example of a true woman!

### **The curse**

And not a harlot, not one that sells her loyalty for money and power -which of course is quickly evaporating- which is the curse of the Han mother. But of course because of that cosmic failure, she has brought damnation upon the world and tremendous cosmic cursing to the world. Even juxtaposing the micro and macro, as she's trying to make the poison wine, you can see across the world you have the poison shot; this poison which they're trying to put into people and which is of course now leading to thousands of deaths across the world.

-----

--- This is becoming like China, folks; this is ridiculous. And this is coming to the Western world because it is a globalist international communist agenda for depopulation, destruction of the society of the Western world, the freedom, liberty. It is an international communist regime that is coming in, a totalitarian age, a curse to humanity, which of course the Han mother is the helm of. She is the Harlot of Babylon on the microcosmic level, which invited all the Satanism in.

If she stayed with True Father's lineage, if she stayed with True Father, if she had any ounce of loyalty, and didn't worship money and power and her own hedonism and greed, she would have supported True Father's lineage; she would have supported the microcosm; she would have supported the Lord of the Second Advent and his Kingship; she would have supported the culture of Cheon Il Guk.

What we could have done with Father's tremendous worldwide foundation on the microcosm and macro, from the Washington Times with all our contacts throughout the world to all the businesses! We could have done tremendously! As Father protected the world against political Satanism, again we could have been that bulwark, that wall.

But because she has not, and she failed and sought her own hedonism and pleasure, and sought her own power and glory - which of course is all failing by the way - she has now of course condemned herself. The minutes of the deposition are now coming out. Her own words under oath are coming out, proving that the Family Fraud saying that "*True Parents are one,*" is completely fraudulent, because she

clearly says she had different opinions and different intentions than True Father. It's coming out, exposing her as the fraud that she has become, unfortunately. All those things are now coming out, and at the same time you can see her totalitarian nature. You can see that curse that she's brought upon the earth; you can see that spirit of Satan that she's invited and the Baal, and the Moloch worship and the owls, and all these things that she's doing.

### **True Father's lineage**

In the midst of that

\*True Father's Kingship,

\*True Father's actual blood lineage -which he said was the most important thing; the establishment of the blood lineage and Christ's lineage on earth -

\*True Father's blood lineage,

\*True Father's inheritor and successor and

\*Three Kingship and

\*Cain and Abel have continued from no foundation, and continue to build God's Kingdom and His culture. And now you see the growth stage spreading from Cheongpyeong to Tennessee, spreading to Liberty Rock, Texas, spreading across the United States in this critical time.

So it's a remarkable time, a time of tremendous cursing for the world, the micro and the macro mirroring each other, but at the same time a tremendous harvest, a tremendous evangelism fire that is burning. New people are being saved; new people are becoming part of the Kingdom. New kings are being coronated, new queens are being coronated; new priests are being established, new evangelists are being established etc. New Blessed couples are being made and being Blessed.

So in the time of this great tribulation, the worst critics of the church in the past, which were not even the secularists but were the Evangelical Christians, they are the ones that are now becoming our closest friends! Incredible turn of events! And they are the ones that are standing closer with True Father's blood lineage, True Father's Kingship lineage, True Father's Cain and Abel, True Father's providence. They're the ones that are standing closer than all these frauds that pretended that they served True Parents.

### **The frauds**

They were total frauds, all fake; all there for the money and power, all there for their own righteousness. They didn't truly serve True Father. Why? Because they did not accept and serve True Father's fruit, which is his blood lineage and his heir! This is the fall of the archangels; they could serve God the Father but they wouldn't serve His son. That transition, they wouldn't do it! They wouldn't serve him. They were too arrogant; they wanted the power.

And you can see all these wicked frauds; they claim that they love True Father, and of course they betrayed him, but they won't serve his son whom he appointed. He said blood lineage is the most important; they heard that billions of times. In fact that's a central part of our theology. But of course

they won't do it because they've given themselves over to Satan and the power of lust and money and power. So, they've fallen and of course they're not part of the providence anymore.

### **The spirit of the alpha male Father**

You can see God working through the microcosm, the small providence, the remnant to build God's Kingdom, the culture of the alpha male Father. That's what's so different about this Cheongpyeong! As we're establishing or pioneering it's still very raw, but we are pioneering it right now.

Pioneering Cheongpyeong, you can feel the spirit of True Father, and also you know what you can feel? The spirit of Heung Jin-hyung, whom Father anointed as a general in the spirit world amongst the Holy Host! You can feel him because his true nature can come out.

I could feel him as all these miracles were happening and the former owners were giving us their ATVs to use and just handing us their excavators. We were praying; we were saying, *"Father, we really need an ATV to get around here and especially to be able to penetrate the peak which is higher than the Cheongpyeong mountains in Korea,"* and bam! A rhino, which is one of the highest level ATVs shows up, because the owner says, *"Oh, I have a Rhino ATV. I want you guys to use it; go ahead use it!"* I mean these people, they're just offering. He's like, *"I don't use it anymore. I only used it for this property really, so why don't you guys use it? Just keep it in the barn."* It just drops out of the air! *"Oh, I have this excavator, and you guys are going to have to do some work around here. Oh yeah! Why don't you guys use it?"* Bam!

It's unbelievable these kinds of miracles! In order to map the place, in order to get all the trails, in order to bush hog and that means clear the land in terms of the grass, the overgrown saplings that have come up; it's a ton of work, a ton of work. I could hear the ATVs in the background .... We were going up and down the property clearing the area, mapping the areas, scouring the areas, planning the different places in the areas, the campgrounds near the stream, the Pool of Siloam and the bathroom sites etc.

As we were there in the propriety, and as we're doing all this stuff and driving, I could feel Heung Jin-hyung, General Heung Jin-hyung's spirit. I could feel him riding with us on these dirt bikes. I could hear him; I could feel him just so liberated, so free; so happy.

Because the fake Cheongpyeong used him as a tool to make money; they used him and they lied about him to the people. They made him into a beta male little weakling when Heung Jin-hyung was an alpha male; he was an alpha male young man. He would walk around with cut off t-shirts; he would body build and weight lift. He liked fighting; he was a martial artist. He drove a jeep, he loved motorcycles; he used to beat up on his younger brothers. You understand? He is not a little beta male wimp that they try to package him as, just like the Catholic Church tried to package Jesus as a beta male. This is what they do: they want True Father's lineage dead so that they can package them to make money off of them. We're more valuable to them dead, so they can pretend that we become little

beta male bitches in heaven. Why? Because they are of the spirit of the Harlot of Babylon, of the evil feminist spirit, not the spirit of the Father.

But see, on the restored Cheongpyeong land, the spirit of the alpha male Father is there, the alpha male spirit. There are going to be shooting ranges on that property, there are going to be dirt bike trails, there are going to be ATV trails; there are going to be meditative trails as well, quiet trails. But there are going to be trails where you will hear in the distance the sounds of freedom, the sounds of alpha males being raised, a new generation of more alpha males rising, dirt biking, doing risky dangerous things and shooting. But learning how to do these things with morality, learning how to do these things with their father, learning how to do this with other strong males; building up new alpha males and new alpha females that are being raised up and being trained.

And of course the honoring of the Vets, and the blood sacrifice in all these wars that went out to spread democracy and freedom and republics to the rest of the world. We will honor True Father's life but we will also have memorials of the wars that spread freedom. By the way on that property there is an actual Civil War gravesite where Union and Confederate soldiers are buried. So we'll have a Civil War memorial as well in the fight towards eradicating slavery worldwide; that's on the property as well. What a tremendous historic site! Isn't that incredible? So we'll have a proper memorial there as well.

So, this Cheongpyeong is not some wimpy feminine place. No! It's a place of tremendous power and of the Father's alpha male spirit. You don't go to healing to feel like a weakling; you need to be near the nuclear power of the Father. You need to be near His power and His fire, for healing to occur.

The main access road that we're using now eventually will be more of a hiking trail, and we'll use probably some type of golf carts -because they're quiet - to shuttle people who need help up and down that road. (*Showing video of the property*) But it's that road here that will be more of a hiking trail.

### **The Three Trails**

Then along this road we'll have plaques and memorials sharing True Father's life course. We'll have the Trail of Tears; in conjunction with the Korean church we're preparing seven plaques for the Trail of Tears, seven plaques for the Trail of Victory, seven plaques for the Trail of Ascension.

\*The seven plaques for the Trail of Tears will show True Father's tremendous blood, sweat and tears that he suffered for humanity. The seven deaths and resurrections, etc, will be included in there. The World Wars will be included in there etc; the tremendous suffering, the death camp, the tortures etc.

\*The Trail of Victory will be the ministry, the businesses, the political activity, the Washington Times etc all across the world that True Father did in battling and destroying political Satanism, Satan's actual Beast worldwide.

\*The Trail of Ascension will be after True Father ascended victoriously, to the current time and beyond:

- \*the fall of the Han mother,
- \*the restoration of the True Mother position with Kang True Mother,
- \*the unity of Cain and Abel,
- \*the Three Kingship providence that began after Father's passing,
- \*the wilderness course,
- \*the remnant, et cetera.

All that will be in the Trail of Ascension which will be at the peak; so, after the Trail of Ascension you'll be at the peak which is over 2043 feet.

A shout out to our team, King Jerry and King Shig! Those guys on the fourth day were finally able to penetrate to the top; on our side of the mountain it's very steep, very hard to get up there, especially with ATVs. There's a ton of work we have to do to blaze a trail and open up that top ridge line so the beautiful landscapes can be seen 360 degrees. There's a lot of work we got to do there, folks; tremendous amount of work in order to prepare that property.

### **God is moving like wildfire**

But anyway, the point is: you can see the movement and you can see the rapid expansion of God's providence, and it's unbelievable because God has prepared these hearts. We go down, and the first person we meet at Hillbilly cabin, stopping there for breakfast; the first person we meet in that area is the owner of that cabin. And guess what? She's from Pennsylvania! And not only is she from Pennsylvania - Pennsylvania is quite large - she is from Honesdale, Pennsylvania, which is literally right here! I mean it's literally ten minutes away right from a lot of you folks, and some of you in our PA community live there. Not only is she from Honesdale, but she is a gun-toting conservative Trump supporter! Not only is she gun-toting conservative woman Trump supporter from Honesdale, Pennsylvania, she's also a card-carrying member of the Tommy Gun range!!!! Bam! (*Laughing*)

Can you believe this, folks? This is the first lady we met! Talk about a sign! Talk about a sign! Oh my goodness! Can you believe that? I mean you can't make this stuff up, folks! You can't make it up! I mean you just can't make it up! She's a card-carrying member of the Tommy Gun range in Honesdale, and that's the first lady we meet right near the Cheongpyeong land! I mean you cannot make this stuff up; talk about a sign! And she's plugged us in with the East Tennessee gun club there; she's plugging us in with the motorcycle ministries in the area. I mean, I'm just telling you, folks: God is moving like wildfire!

Christianity now realizes that the New Testament church is too weak; it's become so weak. It's become infiltrated; it's been taken over by LGBT and then by transgenderism and been taken over by the culture of Satanism. Many of these big churches have completely become slaves of the state. They're just pushing a pro-Communism, pro-Socialism, pro-state message; using the name of Jesus Christ. They're not standing up and resisting it.

You can see God is coalescing the smaller churches; the ones that don't care about the big numbers and the big churches, and that actually care about being loyal to Christ. He is connecting those; whether they are motorcycle ministries, whether they are gun ministries. Whatever they are, He's connecting them all together to work and unite with God's providence at the microcosmic level and the Three Kingship providence.

So it's unbelievable how fast God is moving! We had people that we were just meeting for the first time; we talked to them about the Rod of Iron Ministries, etc, and they were literally saying, "How do I become a member of your church?" Literally! The first day we explain this, we have new people there, "How do I become a member? I want to be a member of your church. How do I become a member?"

### **Be encouraged!**

There is a quickening, folks! See, that's the encouragement that I want to pass on to you today! Things get worse, things get more dangerous; things get darker as Satan tries to push the Beast of political Satanism worldwide. Yes! There are great challenges up ahead. There are collapses of economies, collapses of nations. There are civil wars and strife and rumors of war, etc; all these things exploding throughout the world. Yes, there are all those things. But at the same time God is preparing the field for nations -nations- and peoples and tribes to accept the Rod of Iron Kingdom and Cheon Il Guk. God is preparing a tremendous harvest!

And that's why we must not have fear during this time; we must not be in the spirit of fear, "*For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.*" We are the ones that must stand true, because it's the Completed Testament Church under True Father, the Lord of the Second Advent and the Constitution of Cheon Il Guk, which will bring liberty to the rest of the world - not totalitarianism and Communism which the Satanists are bringing-, which is now being opened up to all people, as they see with their own eyes that the Catholic churches and the Protestant churches, the New Testament churches have all been taken over. We have to come back to God, we have to come back to the Principles, and we have to come back now to His Constitution.

We have to now reevaluate what we've been seeing. Look, in Korea for example: our Korean Sanctuary national leader of Korea has been placed as the Seoul commander of the National Korean militia. He is now appointing fifteen to eighteen Christian pastors under him, as the commander of the city of Seoul which is where one-fifth of all Koreans live. Do you understand? And the head commander of the Korean National Militia used to be so anti-Moon! He used to reel on us and reel on Father. But now he realizes that nobody else will stand up against this Satanism; it's only the Moonies that are standing up against it. So he literally put our person as the commander of the biggest city, Seoul! Because no other Christian churches will face the Beast and stand up against this wickedness; they've all sold out to the state!

These kinds of miracles are happening, folks! As it gets worse, the light shines brighter! As it gets darker the light shines brighter! As it gets darker every soul that yearns for freedom starts clicking,

understanding what we are talking about in the Rod of Iron Kingdom. Yesterday we were some kind of radical gun church, today everything makes sense! Everybody realizes why you need a church like that, why you need a civilization like that, of armed citizenry who are moral! Everything makes sense! Yesterday we were the gun cult; today we are totally making sense; people are getting it.

That is the move of the Holy Spirit, folks! Things change so fast; there is a quickening in these ends of days. So be encouraged today! Know that God is moving at this final hour. We don't live for just our lives; we have transcended death. The devil can only threaten us with death but those in Christ, we transcend death. And we know that in the end there will be justice, and those evil wicked ones in power will receive eternal damnation; which is the reason why they're trying to always evade death because they know they'll go straight to the pit of hell, and be punished forever. There's justice, folks!

So be encouraged today, be encouraged today, because it is a new day, and

\*as the darkness gets darker,

\*the light gets brighter;

\*as Satan encroaches more,

\*God's Kingdom starts quickening and

\*more people start coming in and

\*awakening to the fact that His Kingdom has come, and

\*the Constitution of the Kingdom is here, and

\*Christ's lineage is on the earth, and

\*Christ's kingship is moving and is growing and expanding.

So they may try to imprison our bodies, they may try to kill our bodies, but they cannot kill the Spirit of God, and the civilization of the Kingdom of God which He has released! So their doom is inevitable; it is guaranteed.

And God's Kingdom shall come!

Let's take a short break folks! We'll be right back; stay with us on the King's Report!

**Video of the Rod of Iron Riders playing with the music:**

*Mine eyes have seen the glory of the coming of the Lord;  
He is trampling out the vintage where the grapes of wrath are stored;  
He hath loosed the fateful lightning of His terrible swift sword;  
His truth is marching on.*

*Refrain:*

*Glory, glory, hallelujah!*

*Glory, glory, hallelujah!*

*Glory, glory, hallelujah!*

*His truth is marching on...*
