

Pastor HJ Sean Moon

With God, we will be victorious

SS Message from Cheongpyeong Retreat Center, TN
Sept 19, 2021

Good morning, folks. Welcome to Sunday service today. We are here with our young people from the Sanctuary Academy; also we have a blessing with a marriage coronation and ordination as king and priest, queen and evangelist today. We'll have a new king and queen in the Kingdom of God with Shuichi from New Zealand and Julia from America. Let's give them all a big round of applause (*Applause*) as they're getting prepared right now for their blessing which will be after this brief message. It is not a sermon today.

Let's get into our Word briefly before you get into the study of V.O.C; Dr. Panzer has a great lecture about the evils of Communism and why we must understand Communism and centralized government as political Satanism. It's not just a political ideology, it's not just a system of governance; it is an actual 666-Beast system, Antichrist system that Satan uses to hold dominion on the earth. True Father talked about that his entire ministry, and that's why he was persecuted everywhere he went, including by the liberals here in America who absolutely hated him with a vitriol. I hope you'll enjoy that beautiful Victory Over Communism; that is V.O.C Victory Over Communism lecture that Dr. Panzer will be giving today.

But first let's go to **Psalm Chapter 22:9-24** (*English Standard Version*)

9 Yet you are he who took me from the womb; you made me trust you at my mother's breasts.

10 On you was I cast from my birth, and from my mother's womb you have been my God.

11 Be not far from me, for trouble is near, and there is none to help.

12 Many bulls encompass me; strong bulls of Bashan surround me;

13 they open wide their mouths at me, like a ravening and roaring lion.

*14 I am poured out like water, and all my bones are out of joint; my heart is like wax;
 it is melted within my breast;
 15 my strength is dried up like a potsherd, and my tongue sticks to my jaws; you lay me in the dust of death.
 16 For dogs encompass me; a company of evildoers encircles me; they have pierced my hands and feet^b –
 17 I can count all my bones – they stare and gloat over me;
 18 they divide my garments among them, and for my clothing they cast lots.
 19 But you, O LORD, do not be far off! O you my help, come quickly to my aid!
 20 Deliver my soul from the sword, my precious life from the power of the dog!
 21 Save me from the mouth of the lion! You have rescued^c me from the horns of the wild oxen!
 22 I will tell of your name to my brothers; in the midst of the congregation I will praise you:
 23 You who fear the LORD, praise him! All you offspring of Jacob, glorify him,
 and stand in awe of him, all you offspring of Israel!
 24 For he has not despised or abhorred the affliction of the afflicted,
 and he has not hidden his face from him, but has heard, when he cried to him.*

Folks, that is when David is running for his life, he's a fugitive. You can see that all the dogs are encircling him and all the SWAT teams so- to- speak out there with all the centralized power of Absalom are now coming after him; his son is trying to destroy and kill him. He is running for his life; he's running, because of course King Saul wants to kill him as well and wants to destroy his lineage. So David has to rely on God; even in the worst case scenario David has to rely on the power of God. You can see how his bones are bare and he is at the closeness of death. He feels a sword and the encirclement of evil doers closing in upon him. But yet he has to rely on God.

And it's interesting folks, because it's in that time of tribulation and a time of great duress when salvation happens, when people start searching for God. Is that not any different from what's happening now, as the world Communism and as the 666- Antichrist Beast system is attempting to spread over the world? Remember just a few years ago, when True Father said there was a world government, that he called the satanic Cain U.N, everybody laughed at him and everybody laughed at the Moonies, calling us cult, etc?

One World Government

But now it has totally come out in the open and Father's words and all his teachings have been vindicated, because look: there is a world government. There is a small group of people that can command all nations and all governments to obey them and do this and that, and force people to get this chemical jab and force people to put unknown foreign substances in their body- by force. And people will do it; they will line up to do it. And you see this incredible travesty that's happening all across the world. They've been telling people how to dress: they have to wear a mask by mandate and all this kind of thing. If you go and walk around in Korea or Japan, you have to wear your mask, even outside in open air. How does that make any sense with the Fauci Chicom virus that's spreading around? It makes absolutely no sense.

But the point is: it's already here. It was already established 60 years ago with the Carroll Quigley and all those globalists, writing about this kind of thing, and Schlesinger and all these evil wicked people. Whose students and progeny are the Obamas or the Clintons etc; all trained from these Ivy League institutions that were taken over by the Chicoms, which is their army system. And of course the Rothschilds and Soros and the Gates Foundation, all these kinds of atheist Satanists, that are trying to rule over this world and do these incredible draconian lockdowns over the entire globe, folks. This is not only happening in your country or the US; it's happening everywhere. We got kids from Japan and South Korea; they're coming here and they can't believe you can walk around without a mask on, because, down there in South Korea, you get fined \$1,500 if you don't have your mask on.

So, folks, it's such a crazy time. You can see that regardless of what they want to say, there is a world governance; you can see that there is a Superclass that is able to rule. And the governments of the world will line up to enact coercion and force upon the people; regardless of their constitution, regardless of their constitutional sovereignty, etcetera. That doesn't mean anything to them; they want total domination. Why? Because they're weak, they're vapid, they turned their souls over to Satan and they are pathetic; they're losers from the beginning, they're losers to the end. But that's why they want total control and total domination because they can't get it any other way, but by using the apparatus of 666- Antichrist political Satanism Communism.

This is what we're seeing worldwide, folks; this is what we're seeing across the globe. We got folks from New Zealand today that will be getting blessed, but look at their country. You can't even go out of a five-kilometer range from your house. How does that make any sense? You have people on the beach, and a lady from the government without a mask, is screaming into a bullhorn telling people to mask up. It doesn't make any sense! It's just totally off the chart, incredible; it's totally illogical, totally irrational. But it doesn't matter. It's not about rationality, it's not about the scientific nature of things, because it's totally unscientific; it's about control and domination. And of course we know that Lucifer will use any means necessary to do so.

Rely on God

But getting back to **Psalm 22**, we can see that in this time of duress, evil really starts showing its face and starts becoming really real. Nobody can deny it anymore and nobody can play the game of the agreement, trying to walk around saying, "*No, it's not black and white; I'm seeing grey.*" You can't do that anymore. You have to now admit that there is evil and that there is good and either you stand on the side of evil or you stand on the side of good. You cannot go in the grey zone anymore; there's no more place for hiding. It's completely out in the open, and when it's out in the open like this then we see that people start waking up.

Even people that were in the middle, on the fence, that were trying to hide in the grey zone, now they realize their friends are getting put in prison, their friends are getting called *domestic terrorists* because they support Trump, their friends are being forcibly inoculated; their friends are being brainwashed by CNN and MSNBC.

They can't even believe what's happening; their family is being split up. They see the reality and it's before their eyes. They may have shunned God, they may have thought, *"God doesn't exist, and as we have so much prosperity we don't even need God. We're going to play, play, play, in this place because all we got is money, money, money, and prosperity."* But all that runs dry fast, and God is using this time to awaken people, folks.

Because in this time of great evil, people even on the Left have to come to admit that they supported people who were total totalitarians, and now they regret it. And now you get this regret of the fake Biden Leftist liberals that were virtue- signaling Donald Trump, saying, *"Oh, red-hat man bad! We got to get this man out of here."* Now you supported a real Nazi, and getting real fascism into this place! And now they're crying about it. This is the problem with people who are irresponsible; they never will take responsibility.

But the point is: as people on the good side we have a big heart; people on the good side, we forgive. So, if people are waking up, hey, we give glory to God. Amen!

So, in the time of great duress and in the time of great suffering, just like **David in Psalm 22** who had to rely on God, it's the same in America, it's same with the free world; it's same with all the nations of this world. If we don't rely on God at this time there's no power that can overcome this worldwide totalitarianism as you see; there's no power that can overcome the governments of this world. They are completely armed while their civilizations are disarmed, and they can go in with brute force, SWAT team you and kill you at any moment's notice.

Father's work of love

This is the type of hellish dystopian reality that they're trying to bring, and they've been lusting and salivating over this for the last seventy years that Father was fighting this. People didn't even know; they cursed Reverend Moon. They said he was a loony, he was a Moonie; he was a cult leader. Meanwhile he was pouring billions of dollars fighting this international globalism; billions of dollars fighting Communism internationally, doing the V.O.C lectures in Russia, in China, etc. Our people were getting arrested; meanwhile all the other churches were calling us crazy, while we were fighting the actual Beast!

But now in the time of total exposure, as the Beast is completely exposed and the heads of this Leviathan are becoming completely exposed, then we see True Father's love! Then we can see that what he was doing was powerful. Then we can see what he was doing as the Lord, coming back to save humanity, to fight off the evil of this wickedness of the world. And for those who had eyes to hear and ears to listen, they were able to serve him and stand with him. But of course it's not too late because he is in the spirit and his lineage is here on earth, and here the kings and queens of the Kingdom of God are rising and spreading and multiplying. So it is never far from over with God in control, folks! And that's the message for today!

The Beast exposed

It's so incredible because at this time when everybody is starting to realize that: it was real, there was good; it was real, there was evil; there really was good and evil, that it becomes even more obvious more clear to everybody. Even those who were asleep, even those who had their eyes closed by decision, by choice; who had their ears shut by decision, who had their hearts covered by decision, they are now coming to the point where they realize, *"Whoa! We're getting so far off the deep end; we're not going to ever come back from this. Life is never coming back to normal! They said two weeks, they said one month, they said two months, they said eight months, they said two years, and we're still going on!"*

And of course there's no sign of slowing down, as they destroy and ravage economies and change the petrodollar with the debacle out of Afghanistan now going to the Chicoms, becoming the world superpower while America is no longer a superpower! There's a Special Ops guy that was just saying this now. That's how much they're devastating our country!

But in the midst of all that, nobody can deny that evil and that wickedness, no one can deny the fake news, nobody can deny CNN's propaganda machine; nobody can deny MSNBC run by Bill Gates, Microsoft, MSNBC. All lie to us; all the Fauci baloney stuff with the *"wear the mask,"* and *"no mask,"* *"wear the mask,"* and *"no mask,"* *"On and off, on and off,"* *"Vaccine on, vaccine off."* Two, three, four, five boosters coming down the pipeline to kill your immune system! All this insanity is now waking people up, folks.

Good news

And that's the good news, because at the time when evil starts exposing itself, the goodness of God and the Kingdom of God- the place where God protects his God-given natural rights and liberty and the constitution of the Kingdom of God- start to shine ever so more brightly. It starts to become really good news to people who are living now in a worsening hellish situation and dystopian reality.

So that's the point folks. The point is: David said that even though his bones were bare, he was all cut up and he was dying, being chased by the SWAT teams and the armies that were coming up to cut his head off, he had to cling to God.

We, too, have to realize in all the midst of this, that it's God who's going to get us through this, against this incredible Beast of this international communist 666 monster that is united at the top, that is evil at the top. They're pedophiles at the top; they're Satanist at the top. They want to destroy your family, they want to destroy your marriage, they want to destroy the whole Christian civilization, and they want to rule with their disgusting demonic pedophile cults, to harvest all the children of this earth.

They only can be stopped when the people of this world stop looking at their video cameras and internet things, and start:

- *reading the Word of God,
- *getting back into Scripture,
- *coming into the Rod of Iron Kingdom,

*becoming armed responsible citizens,
 *training and
 *understanding that we are the last buttress and we are the last defense against this Beast, and that God is not going to whisk us away into some type of Rapture where you get to run away from this.

No! God is testing us and making us build fortitude and courage, so that we as humanity stand up against this terrible demonic force. And so that we, not on the power of our own strength but with the power of God animating us and animating our hearts in the fires of liberty,
 *we will be victorious if we believe,
 *we will be victorious if we stand, just like David did with God;
 *we will be victorious if we align ourselves with Providence and divine mandate, so that we can stand up and resist this evil tyranny that is spreading over this world.

So, folks it is such a crazy time! We're here at Cheongpyeong; our folks are here. We're now pioneering the beautiful springs of Gihon, and then of course developing the property out here. This place will be a place of healing; the cemetery here will be a place of healing. Why? Because in a time of tremendous duress and basically a wartime situation, there needs to be safe haven; there needs to be places where people can come to be healed; not only of sickness but also of internal sickness.

*They can hear the Word of God,
 *they can get enlivened and
 *rejuvenated by the Spirit of God
 *they can be healed by that natural beauty of nature and,
 *they can remember and look forward to peace, when the Kingdom of God is dominating this earth and where actual liberty is defended, not stomped out like these totalitarians do.

So, folks, please pray for us, pray for all the folks that are here today, and also bless the new couple that's coming up as we do the blessing in a couple of hours; we all know you all are here in spirit. Please enjoy the V.O.C lecture with Dr. Panzer. We will see you on the other side when we get back. God bless, Godspeed and may His Kingdom come! Amen! Aju!
