### The American Ideal

From CP TN- October 17, 2021

Good morning, folks! (*Applause*) We welcome you all to Cheongpyeong Tennessee, joining us from Pennsylvania Newfoundland. Let's give it up for our Pennsylvania crew in Newfoundland! We got a lot of new kings and queens here, the new priests and evangelists. Let's give them all a big round of applause! (*Applause*)

It's been an amazing couple of weeks! Thank God for all the folks, the volunteers of the Rod of Iron Freedom Festival last week. It was a tremendous event, even though it rained. Thank God for that tent. Even though it rained there were more than four thousand patriots that came through there. Vendors were happy. But really we could feel the Spirit of God and the Holy Spirit moving the hearts and minds of men, and setting brush fires.

#### **Fake news**

You all can remember when we did the Rod of Iron Blessing, "*Oh, the Moon cult has come to PA. They're having a gun blessing; they're blessing all their guns. There is a public school right near; all the kids are going to die!*" Do you remember this? And then we go to the Texas RV Park, "*Oh, the Moonies!*" Vice is our biggest fans; they are always following us around and reporting to people about it. Then of course on the first day all the lefties are going crazy, "*Ah, you Moonies die! Die! Go to hell! I hope you die!*" Same thing in TN: the Vice News breaks and we get all these calls: "*Hey, die! Die! Go to hell!*" The first day after we moved here!

Then from the second day we started getting the emails from the real people who actually live here, and not people from like London, UK, from New York City. They were calling us, "*Oh, welcome to Tennessee! I'm actually already part of the Sanctuary emails. I'm happy you are down here. Welcome to TN. I'm*

*coming down!"* (Applause) It's amazing how Satan always attacks, but in the end it always comes against him. But of course that always happens when God is doing His work. Praise God!

What would be more disheartening, what would be more devastating for the Left than to see the Body of Christ strong again, than to see MAGA America great again and stop the abortion mills? What would be more terrifying to the Left than of course the Second Amendment people, and the Body of Christ becoming the Rod of Iron Kingdom? Oh my goodness! That is the nightmare, nightmare, nightmare of the Left!

That's why of course they're trying to spread rumors and lies about us. President Trump already talked about and exposed all that as 'fake news' and this is true. In this age, you cannot continue on this lying about us, because in the end we're real people, and people will meet us, and people will talk to us and people will see what we actually believe. They're trying to spread rumors that we're PRO-abortion; they're trying to spread rumors that we are PRO-homosexuality. Of course it is the exact opposite, but it's probably the local socialist pastors or what the local people call the 'loud-mouth media,' trying to cuss us.

The point is: that's not normal America; that's the fake news. And they're saying the actual opposite, thinking that people are lazy enough not even to go check for themselves and even research or even listen to one sermon and they would come over quickly, and of course we're the opposite of what they are claiming. Those kinds of lies are easy to be shot through; in the end, in the transparency of this internet age etc, they come out. What you stand for, what you believe comes out.

### **Get back sovereignty**

The Rod of Iron Festival! My goodness! Remember when we started that a couple years ago there was all those, *"Oh the King Bullet Head is coming up with his bullet crown!"* Three years later I see other bullet crowns all over the place! Everybody needs to understand we need to bring back sovereignty; we need to bring back the kingship. We need to understand that we have a divine identity; not one that is given to us by the archangel or the political Satanists in government. This is not the identity that we have as believers in Christ, as those who are saved by the blood.

So it's important, it's actually critical for that kingship, that sovereignty, that authority to be reclaimed. Of course they don't want us to have that, because if the Body of Christ has that, plus they have the Rod of Iron Kingdom, oh my goodness; it's unbeatable! And that spreads to Europe and Africa and Asia, and people start believing, *"Oh my goodness, the government is not that which we should worship; the government is not God."* And they start believing, *"Wait a minute! God is God."*

And God said, *"Let no man take that crown."*

And God said He's going to make us into kings and priests.

And God said that we will be more than conquerors.

And God said that we will stand against unrighteousness and wickedness.

And God said, *“Resist the devil and he will flee.”*

And God said, *“No weapon that is formed against thee shall prosper.”*

Oh the translators have a very tough time! Let’s give it up for our Japanese crew and our Korean crew!  
(*Applause*)

### **Our Civil War cemetery**

They’ve been working on the Civil War cemetery that they are beautifying right now. Oh my gosh, in this Civil War cemetery, the Japanese crew, and some of our Korea people, they did an amazing job, so quick, and they were able to take down those small trees. Now we just got to take a big trees, put a layer of top soil on top there and then make a nice grassy meadow and a proper burial place for those historical Civil War fallen unnamed soldiers. Remember, folks, these soldiers were probably 14 -year old, 15- year old, 16 -year old kids that were fighting this war. They did not necessarily know what they were fighting for, but they knew that their states were under attack, and that their whole community was fighting.

Those soldiers, unnamed fallen soldiers, they're right here on this property. They have not been given a proper burial, so we will be beautifying that, with white crosses in the image of the Arlington National Cemetery; that type of model of a proper burial. So let's get it up for our crew that was here yesterday! God bless you all! (*Applause*)

Sometimes people are not used to go into cemeteries, so when they go, they get the jitters and then they get a little spiritually open and they get a nightmare at night, or they see something. But you have to remember folks: people in the spiritual world are people who have passed on. These are not monsters and these are not demons. These are people that passed on; these are people. They are people that have passed on. Everybody's fascinated with the ghosts in the paranormal shows, but people need to realize, these are not like gods; these are not super beings. These are people.

### **Claim your identity in Christ**

It's very important in Scripture that we never worship these people, and we never come under a spirit of fear. Why? Because God has the authority! Christ has all the authority of heaven and earth; that’s why Scripture said. And when you are one in Christ, when you are saved by the blood, when you are a central blessed family, when you are in God's family, you’ve been uplifted, because you don’t have the identity of the world. We are just normal people. We are not billionaires, we’re not Bill Gates, we’re not part of the Bilderberg group; we don’t go to all these conferences about transhumanism, and of course all this is Satanism. No, we're just normal hard-working people.

Of course, it's very hard for us to believe in that identity. That we have all the authority in heaven and on earth, standing with Christ, co-heir, and we stand over the angels. In the Bible, Paul said, *“Do ye not know that you shall judge the angels,”* and of course *“judge the twelve tribes of Israel?”* This is a powerful statement; why? Because in the ancient world the ideas about the paranormal, the ideas about the

angelic world was that angels were so amazing, and they would be worshiped; they would be worshiped like demigods.

Now, to say that human beings through Christ, that is normal people, we become greater than the angels? That's unbelievable in the ancient world; that is phenomenal. Why? Because people were worshiping these entities. But God warns us against that; to not worship these entities. It's very important. Why? Because then you worship something lower. Are you with me, folks? God wants you as a son of God and a king of priest in His Kingdom, not to stand under the archangel or under somebody who is to serve, but He wants us to have authority. That does not mean to rule as a tyrant, but it means to have the confidence in knowing who and whose you are. Amen! That's very important.

Remember this whole experience in church celebration in Pennsylvania? I am the youngest son and Father gave me anointing, but I wanted to keep it as quiet as I could; but I could not really do that anymore. I really had to come into my anointing. I had to accept it. It wasn't about me anymore; it wasn't about my feelings and what I was thinking about it. No, what I thought didn't matter. It was about what God had anointed me to be, as True Father's heir and successor. I didn't choose that position! HE is the One who chose that position! Are you with me, folks? So I had to come up in that, and I had to grow confident in that, even though at times I couldn't believe it, "*Oh my gosh, What am I going to do?*" It's like if you're in the Catholic Church and you're the crowned pope and you come to realize what happened, "*Oh my goodness, that's a big deal!*" Of course you know it's the 'bullet pope' or the 'camo pope'. We hunt the pedophiles etc; totally different kingdom from the Catholic Church.

Anyway, the point is: it's so hard to accept the identity that God gives us, because it's so incredible; it's so unbelievable. We're being trained whether it is through paranormal shows, or pagan shows, or even cultural paganism in general that has infiltrated a lot of parts of our culture. We're fascinated with the spirit realm, we're fascinated with all these things and the paranormal experiences of this and that, and, "*oh we want to talk to the dead, and all this.*" No, no! That's the problem. When it gets off of Christ, then it goes towards pagan worship, and then it goes to hell.

Look at what happened to Han Hak Ja and the Harlot of Babylon Church, and look at what happened to them! As they centered on somebody who is not Christ, look how evil that became; it became a wicked den of Satan.

### **Centered on Christ only**

So, in the True Cheongpyeong, nobody is allowed to channel. We don't acknowledge anybody who claims to channel. Why? Because all miracles, all healings will be attributed to CHRIST himself and he will get All the GLORY! Amen! (*Applause*) Nobody will share this glory. I don't care if any of my siblings want it. No, no! None of my siblings will take the glory! It will ALL be "*Thank you, Father!*" Amen! "*Thank you, Jesus!*" Amen! That's what it's going to be. That's why the True Cheongpyeong has a center, a root and shall not wave, because if it goes under something else, if it goes under somebody else, over time it will start twisting and deforming; it will be demonic, and then it will start becoming

paganism and idol worship. No! The Bible warns very strongly against that. And of course we saw what happened. When that happens, it just starts windmilling off, slowly but surely into the opposite realm of wickedness.

So in the True Cheongpyeong, everything is centered on Christ. It should have been like that in the old Cheongpyeong. It should have been all centered on Father, but they didn't like that, because if it was centered on Father then the Han mother would have to listen to what Father said. Then Kim Hyonam and all those people would have to listen and obey. Are you with me, folks? They didn't want that.

That's why in the True Cheongpyeong, it's so critical that we are centered always on Christ. For any miracles, any healings that happen, any breakthroughs, any strongholds that are broken, any chains that fall off, we give the glory to Christ, we give the glory to God the Father; we give the glory to Jesus! We give the glory to who is worthy of that glory and that praise. Amen! Hallelujah! (*Applause*)

So I don't want to hear anybody here saying, "*Oh, Thank you 2<sup>nd</sup> King,*" I did not do anything! It's Father in Heaven! I don't want to hear, "*Oh, thank you, thank you!*" We didn't do anything. All we are is the hands and feet of God. We become Father's representative in the physical realm. But GOD is doing everything, and HE has to get all the glory.

We were talking about that yesterday in the Korean Hoon Dok Hae. Can you imagine you have people who have a deceased wife or a deceased husband; then they get a healing and say, "*Oh, oh, my deceased wife, thank you so much for doing that,*" or "*my deceased husband, thank you so much.*" And then the diseased husband and wife in the spirit will say, "*Honey, shut your mouth! Stop saying that! Father God can hear you, bozo! Christ is sitting on the throne and you're thanking me! I can't heal you; I can't give you a breakthrough. I can only be here praising God and supporting Him. That's all I can do just like you, because I'm a person.*"

That of course becomes wicked. We will be praising God and thanking God. We will NEVER, NEVER, NEVER have intermediaries! We must go direct. Are you with me, folks? We must be thanking God. "*Thank You Father! Thank you Jesus for this powerful healing, Thank you Jesus for this powerful miracle! Thank you Father for this powerful breakthrough, for this stronghold being broken, for this chain being torn off.*"

Do you understand, folks? That's how it's going to be, and that's absolutely critical, because then that root will stay strongly aligned in the center, and cannot swivel on into oblivion through the centrifugal force; which it always ends up doing by the way if it gets onto another idol. It may start with good intentions, it may start with this and that, but it always ends bad, always ends bad. The Bible warns against that very, very, clearly. So, folks, that's why it's very important.

**Thank You Father! Thank you Jesus!**

Anyway, we want to thank the Japanese crew and folks that were in the cemetery yesterday. Everybody had a good night, and everybody knew very clearly. We went in with prayer and strength, and we went in to honor those soldiers. We understand that they're connected with God's providence. They are rejoicing; in the spiritual realm they are rejoicing. What a great honor for them to be connected to God's providence like that! It's a tremendous honor for them in the spiritual world to have their grave site in the center of the movement of God's providence. That is a great blessing.

Our brothers and sisters were going around saying, "*Congratulations, congratulations, and we pray that you give glory to God.*" This is how they were cleaning: "*We pray that you give glory to God.*" And they were cleaning up that place, opening it up and letting the sunlight in. That's the proper burial!

Not, "*Oh Mr. god of the mountain, here I pray to you, and here is a sprinkle of water.*" No, that is Shinto; that's Shintoism; that's animism. That's of the devil. What happens? Those demons on the hill or the spirits on the hill then they want to pretend to be God. But there is no God but God! Amen! Only one God and He's the only One worthy of praise. If those spirits, those evil demons tricked you to start worshiping them, then they got you under the archangel.

It's like Eve having a spiritual fall and God is a jealous God, so it's like committing spiritual adultery. You start saying, 'thank you' to your deceased wife or you start to say 'thank you' to your deceased husband, and you start saying 'thank you' to your deceased brother, etc, for bringing a miracle? They didn't bring that miracle! You're now committing spiritual adultery, folks.

God is a jealous God. It's not because He's bad, but because He has LOVE! If your husband is cheating on you, you will feel jealous; not because you're a bad woman, but because you have love. Amen! Are you with me, folks? Does it make sense?

So very important: whenever God gives us this beautiful miracle or give us a beautiful breakthrough or gives us a beautiful breaking of a stronghold, we must always say, "*Thank You Father!*" We talked about that during the morning service: the whole spiritual realm begins and ends with "*Thank You Father! Thank you Jesus! Glory to God! Hallelujah!*" (Applause)

That's it! It starts and ends with that! It starts and ends with that. It's that simple. People make it complex, but it's that simple. That's the secret of the spirit world. That's the secret of mind and body unity, "*Thank You Father*" with every breath. Even in the morning, right, you're stretching; you are massaging and even massaging your internal organ, etc, and you say, "*Thank You Father! Thank you Jesus! Glory to God! Hallelujah!*" You're just giving them praise, and then your mind and body all of a sudden unite completely. Boom! Nothing else can come in; in that heartistic realm of love, you're totally united, thanking God, giving Him praise!

It's the same with the husband and wife! Every time we wake up and see our spouse, we say, "*Thank You Father! Thank you Jesus! Hallelujah! Glory to God!*"

Young kids, when you go on a romance date training, then you are saying, "*Thank you God,*" blessing one another. You are saying, "*Thank you.*" What are three things you're grateful for about your spouse?

Right? That's training. What are three things you pray for about your spouse? "I'm grateful to God, I'm grateful to God; I'm not just grateful. I'm grateful to God because the Queen is like this, because the Queen is like that." Because you see it's CENTERED on God, centered on God!

And whether it be with the spirit realm or whether it be with the marital realm or whether it's mind and body unity realm, it all begins and ends with, "*Thank You, Father! Thank you Jesus! Glory to God! Hallelujah! Amen!*" (Applause) That's how you do it. It's very simple.

People make it so complex, trying to pray to this little stream god, this little rock god, and this little leaf god, and carve a little woman into the tree, saying, "*Ooh, ooh, ooh!*" That's ridiculous! Then you are bowing to a lower being. Just because you can't see it doesn't mean it's higher than you. Amen! You can't see the jihadis running around in the middle of the night with the NVG night vision goggles that they stole from the U.S. to fight against you with the 85 billion dollars. You can't see them; it does not mean they are higher than you. Amen!

### **Royal priesthood**

That's why it's a very critical point that you understand your identity under Christ. I'm not saying it just to boost your ego and make you feel high about yourself. No, that's what the Bible says; that's what God's Word says. I know it's hard to believe. It's hard to believe that you can be a king and a priest because the secular world, the satanic world says, "*No! You are not royalty!*" That's what we get all the time.

The Vice News comes up and all these leftists say, "*Hey, you are not royalty. How dare you? You people are not royalty. We worship Trudeau; we worship the Queen of England.*" But who says they are legitimate? That's what Satan's word says.

But God says that HIS CHILDREN shall inherit the earth. *Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. (Psalm 2:8-9)*

Why? Because "*you are inheritors; you are co-heirs with Christ, in power, in love and mercy.*" Amen!

But that's hard to believe! Again, that's hard to believe, folks; very hard to believe. It's hard to believe that God made you into a king and a priest, and into a queen and an evangelist. It's pretty hard! It's hard to believe that you got inducted into the royal priesthood; it's hard to believe that.

I'm talking about the royal priesthood; I'm not talking about Queen Elizabeth or the British royals, and whatever the case may be. Those people are the ones promoting pedophilia. Those are the ones promoting globalism. Those people are the ones who are promoting the U.N. Those are the people who try to get rid of constitutional sovereignty. Those are the people who are trying to get your children. Not the Body of Christ! Amen!

We're not going to follow these types of demonic "kings and priest" and princes of the world. No! Why? Because we know the KING of KINGS and the LORD of LORDS, and He is our Father, and He stands with us in the midst of battle. Amen! (*Applause*) That is the power of Almighty God!

So even the normal man, the blue- color, the man who works in the carpentry, etc, can stand with God above the angels, above all the spiritual realm, above all those fake deities; stand with the Almighty Creator of the world, stand with His Son, and be a coheir with Christ. Oh my Gosh! How can this be? This sounds crazy!

That's why they hate Christianity, because we get a totally new identity with Christ. The Bible says, *"He who was born of Christ is a new creation."* Amen! That means he formed you again; you're new, you're totally different. It's not what the devil said you were. The devil said, *"Oh, you have to be a tax payer; you have to do this and you have to get this permission from this department. So you have to bow to that authority and bow to that order."* That does not define our place in the realm of the hierarchy of the universe, and of the spiritual and physical world. Those are all just things that we must go through in the normal day-to-day world, but they do not define the identity.

### **Forced mandate**

That's why they don't want you to believe that you are a child of God; that's why they don't want you to believe that we are related, and that now you are inducted into the family of God that is the Creator of the universe. What does that mean? That means we don't answer to the government, we don't worship government, we don't worship politician officials. We don't worship them as gods, even though they want to be demigods; even though they want to be at their little parties with their fifty-thousand- dollar dresses, talking about how to tax the rich, while they are sponsored by the rich to come to these fifty- thousand-dollar per table banquets. Talking about promoting the socialization of everything, and how to control the whole economic structure of the nation, and implode it now by fiat and of course by coercion. Thank God there are some companies that are starting to mandate against it and trying to fight back.

But of course you see, look at what the federal government is doing; the archangel forces, the 666- Beast what is it going? It's now using the corporate power to force. So, what are they doing? They're firing all these doctors saying, *"If you work in a hospital and you don't get vaccinated, you'll be fired."* They're threatening people with something that has a 99.97% survival rate; according to the dang CDC, a fraudulent organization, totally in bed with Wuhan and the Chinese Communist Party. Fraudulent organization!

But still even if you take that as a preeminent authority, their own statistics say that you have 99.7% chance to beat it if you rely on your own immunity. So your own immunity is even more effective than the stupid little magical pills and vaccines that they're putting out. Which of course are not vaccines; they're mRNA gene manipulators. This is reality.

Project Veritas has videos of people coming out from Pfizer, actual scientists talking about it and saying that your natural immunity is actually better, and there are Israeli studies that show that your natural immunity is about 15 times better than the vaccines. But they don't want to show that. There are studies in Israel that show the 92 % of people that are now hospitalized and dying of Covid are the ones who are vaccinated. A Vermont study is showing that 75% of the people who are now in the hospital dying of Covid are all vaccinated. New York City studies are showing about 54% plus. But of course, even though they're actual statistics, they don't want you to be looking at them, *"don't listen; that's conspiracy theory!"* This is all flipped upside down.

And of course in the military they are saying, *"If you don't get the vaccine you're fired from being a doctor or a nurse"*; just beginning with the military. But they are weeding out, creating a false artificial shortage. In the health and medical profession, they are creating the shortage. They're saying, *"Look, at our workers! We have a shortage of health workers."* That's because you're forcing them to get a vaccine and 40% don't want to get that dang vaccine, because it's untested, and mRNA tests in the past brought almost 100% death of the animal test subjects. So of course people are a little skeptical of that, especially when you have the doctors that are actually developing the mRNA vaccines, coming out and saying, *"Don't take it, don't take it. It'll collapse your immune system!"*

So, when these people are skeptical and those health workers don't want to take it what happens? They quit and then there's a shortage of health workers all of a sudden; how convenient, and now there's a health workers' shortage. They created that artificial shortage, just like they're doing in Great Britain, *"Oh, there's a shortage of people volunteering in the military"* That's because people who don't want to take vaccine, they're leaving. You created that shortage, and now you're claiming that there is a shortage! You're the fools that create it because you're trying to force people and break their constitutional rights. Then you're claiming, *"Oh there's a shortage; yes, so we must have complete control. The CDC must now rule the military, and the CDC now must give orders to the military and if it gives the order to get people vaccinated, you'd better do it."*

This is dangerous fascism; dangerous! This is the federalization of every single market that exists in the economy, by creating these false artificial shortages, by forcing people to take that mRNA gene-changing therapy, by corporate push, *"We didn't demand anything; the corporations did it."* But the corporations are saying, *"You have to get the vaccine; it's mandated by federal law,"* even though it's not mandated by federal law.

And the federal law says,

*"Oh, we didn't do anything. The corporation decided. It's their private business."*

*"Oh, there is now a shortage! Since we have a shortage, oh my goodness, what are we going to do? Oh we got to federalize healthcare and create control."* That is a problem.

### **Created crisis**

What did the Nazis have? They also had federalized healthcare. They were doing experimentations on Jews, measuring their nose compared to the general population, saying that they got a big nose and you could physically tell that they were subspecies, and they were not of the Arian supremacist race;

using "science" and measurements and tests at "objective" values and standards, by which they' were going to genocide 6 million plus people- probably 13 millions including the gypsies and the gays etc.

We are talking about a serious, serious crisis that America is in right now. The people who are living under a rock they don't understand how dangerous this is, because once you slip over that edge, you can't come back; there's no way to recoup those things. Once those economies crash and they're purposely imploded, you can't build them back, especially when you're relying on 90% of your supply coming from China, the enemy; the sworn enemy of America, and the atheistic satanic, organ - harvesting pedophiles Satanists, the Chinese Communist Party, that owns 90 +% of our supply chain!

Did anybody order a package recently? Anybody ordered anything recently? See how it gets more late and late and late. Notice how the price of gas keeps going up and up and up? Now they're telling us for Christmas, *"Oh, you'd better get ready to not having everything you want for Christmas. You'd better be ready; there might be a mandate that says you can't gather."*

Americans would never believe that, but then last year they saw, *"Whoa, no toilet paper in the supermarket! What the heck is going on? The paper is getting thin over here. What is going on over here?"* They experienced socialism for the first time, *"Holy crap; it can happen here too!"* Well, they're already warning that in this winter time period it's going to be much worse. There's not only going to be shortage of toilet paper, there's going to be shortages of many, many, many things; whether it be onions, whether it be vegetables, whether it be meat. All the prices of supplies have gone up higher, so the producers or the people that are selling these things have to charge higher prices.

What is that? It's a secret tax on the middle class; that's a secret tax on blue collar workers, because they can't burden a 30% increase in normal daily used items, folks. That's a 30% hike and increase in tax that will kill the middle class economy.

And why is it so important that a free nation would have a big middle class? Why? Because the highest number of people in that community that decide to work hard and use their God-given gifts to serve other people and participate in the free market through competition, through providing better services and goods, through loving their neighbor, through thinking about what other people need, etc, through the free market they're able to become rewarded for that investment, rewarded for that work. And they're able to pull themselves out of poverty by the grace of God and a lot of faith.

Ask any business owner who started their business how much faith you've got to have, because every single winter, you don't know how you're going to pay your next bills. You don't know when the next day is done whether you're going to have to shut down your business. You have to walk by faith!

Not when you are in these stupid academies that are training you to become globalist commies and bring international Marxism; you don't have to worry about faith! All you have to do is bow to the Superclass. All the Hollywood stars are being invited to these conferences about transhumanism and they're talking about the global collapse and they're talking about, *"Oh you'd better know these people*

*because they're going to have huge retreats underground in New Zealand and here and there; so you'd better know these people."* And when you have governors and mayors also attending they say, *"Oh my gosh, look at these powerful people here!"* And you feel so honored to be asked by this and that governor, that state representative who's in this conference on globalism saying, *"We're going to bring international Marxism,"* and you say, *"Okay, okay, okay."* You see? And all of a sudden, they want to induct you into that cabal.

But what about the normal persons? No, they've decided they're going to eradicate the normal persons; unnecessary useless eaters. Why? Because the normal person is competition to the Superclass that makes their money through monopolies and through adulterous relationships; cheating with the federal government. That's why they love Socialism, they love Marxism; they love Communism.

### **Of their father the devil**

Anyway, the point is: this is intentional destruction. Why? Because it is competition between the superpowers! If the middle class is eradicated, nobody is able to pull themselves out of poverty; nobody is able to live a powerful lifestyle. Nobody is able to be moral, be a strong Christian family and have prosperity at the same time. And to use that to fight unethical things, use that to fight the introduction of Marxism, and the abortion mills, and the destruction of marriage, and the destruction of male and female, all these things. They don't want you to have resources, so you can't put those resources to use to fight their Marxist agenda and the legitimization of pedophilia, because in the end they are a predatory class. They are sexual deviants that want complete power so they can rule and reign with impunity and do whatever they want to your children and my grandchildren. That's the reality! That's why they belong in the pits of hell; they are losers from the beginning and losers to the end. Why? Because their father the devil is a loser and he is a liar! Amen!

They can never win, they can never win!

That's why for them it's a confidence game. They want to demoralize you and make you believe that you're not going to win and make you believe that: oh, all the odds are stuck against you, and all the international powers, and all the military in the world are going to crush you and defeat you, and you can't be doing anything in front of them with an AR-15. They're going to have nukes again AR-15 fighters! What is it meant to do? To demoralize you and to make you give up!

Because they know if your spirit is in it and you stand for God, and you stand for the gifts of liberty and you stand for what is good and what is wholesome and what is strong and family and marriage and powerful children loving their parents, and parents leading their children towards godliness, well then you are a white supremacist; even though you are Asian. You are a white supremacist even though you are black. They call Larry Elder, a black congressman who just ran for Governor in California; they call that man with a black face, a white supremacist. They're calling us, North Korean Americans; they're calling us white supremacists. I didn't wake up seeing no white on this face. What are you talking about, you people?

They're so crazy; they're so blind with their own internal hatred and rage that they want to bring everybody to hell because they've already sold themselves to Satan. So they internalize that and they want to externalize it and make everybody go to hell. Because they know they sold their soul and in the end there's going to be judgment upon them, and then in the end they're going to get their due course by the hand of Almighty God! Amen! This is God's will.

Ooh, Ooh, that's why these Moonies are dangerous. The Moon boys keep brainwashing you, people. I would not be if I was here saying, "*Worship the government, they're your god*"; if I was saying, "*We have to worship this and that government department because they're our gods*," and then quoting Romans 13, that you must submit yourself to the higher powers, and so that every policeman is a worker of God.

### **Nazis**

Have you ever heard of the Nazi police? You see what's happening in Australia with the Stasi Nazi police right now oppressing tens of millions? You see what's happening now in the western world? You've got cops acting like Nazis, because they've done the program of creating shortages within those military law enforcement agencies, and then bringing in more radical people, training them and brainwashing them into the worship of the state, and the total obedience to the state, and if they don't follow their order they're going to be fired even if those orders are, "*go put them in concentration camps*," which they call the emergency vaccination areas.

In Nazi Germany, how do you think they got 2,000 Jews to line up to go into a tent that they could never leave? They said a virus was going around the Jewish community. There was a 91-year old Nazi-Germany woman survivor on Craig Clark's show; he was on the King's Report telling us the story. She told him how they got the two thousand Jews getting up into that tent. They said, "*Well, we think the Jewish community is very outstanding, very good, but there's a virus going around. So we need all the Jewish people to help us, the federal government, and to help save lives. We need all of you to get a vaccine, so please come to the emergency shelter so we can start.*" So you had one Nazi there with a gun, and two thousand Jews waiting peacefully. Why? Because they told them it's a medical emergency.

Doesn't it sound familiar? Doesn't it sound similar to something happening right now, folks? That's coming from a 91-year old Nazi survivor's experience. But of course if you lived through the actual Nazi regime and you survived it, well "*you're a conspiracy theorist*," if you tell people the truth. But if you're George Soros who says he's proud of sending some of his own people to the Nazis, and making money off of his own people, selling them out to the government and basically putting them in concentration camps, and he's proud of that, well "*you are a hero!*" Because who are the real white supremacists?

These Satanists, they're the real eugenicists and white supremacists. They're the ones that want to kill black people and black children. They're the ones that put Planned Parenthood in all minority communities. They're the ones who want to harvest the Asians and the Blacks and the Haitians. They're the real white supremacist evil, wicked demons; that's why they project their evil upon anybody who's their opponent.

They know they are evil demonic entities led by Satan; that's why they say that Trump supporters are trying to fight for America. America where a white person, a black person, an Asian person can come here and become American! You can't go to France and become French. You can come to America and become American, because it's not about a race; it's the idea and the principles of liberty that make America, America. In the study of religion, it's called the universalization, in this case sociologically, of citizenship. It's not based on tribal alliances, or tribal ethnicity.

### **Sanctuary Church**

That's why you come to Sanctuary Church and you see white people, you see black people; you see Asian people. And you see them all getting along. You see emotions going around. They are shooting guns and taught to understand the theological significance of the Rod of Iron Kingdom, understand the actual sociological statistics about *More Guns, Less Crime*; Dr. John Lott was at the Rod of Iron Freedom Festival, and was not only selling his books but also sharing with us more internal details. By the way, if you read the book *More Guns, Less Crime*, that's not an easy read; it's not like late night Sunday reading or something like that. It's an academic work; you may get ready to put your reading glasses on and read that book. It's not easy.

Let's give it up for our J-Team and K-team. Our K-team helped clean up the waterfall in the pond over there. The Academy helped clean up the top of the mountain. They're pioneering up the top of the mountain.

God bless you all for helping out with those things, beautifying Cheongpyeong  
Now, let's go back to the Word. We are in:

### **Hebrews 9: 13- 15 ESV**

*13 For if the blood of goats and bulls, and the sprinkling of defiled persons with the ashes of a heifer, sanctify for the purification of the flesh, 14 how much more will the blood of Christ, who through the eternal Spirit offered himself without blemish to God, purify our conscience from dead works to serve the living God.*

*15 Therefore he is the mediator of a new covenant, so that those who are called may receive the promised eternal inheritance, since a death has occurred that redeems them from the transgressions committed under the first covenant.*

Oh, they hate that word! They HATE that word 'inheritance.' You're not supposed to inherit anything. You're supposed to die poor; die in poverty with nothing to pass on to your children. Everything will be taken by the government. No trans-generational wealth can be maintained and be a potential competition to the Rothschilds and the Soros and the Schwabs and all these demonic Satanists. See the fakes, they're lying to you, "oh, they can have gold and they can have massive swaths of land; they can have all of that." But you don't own your land. Do you know that? You're basically renting from the British crown. You don't own that land. Isn't that interesting?

Sovereignty is critical! Private property ownership is critical. Why? Because KINGS have private property! But they don't want that; they don't want people to understand real assets like land and gold and silver and bullets and the Rod of Iron. These are real assets that can protect your kingdom, and allow it to be transferred and passed on to the descendant of your choice. They don't want you to have that choice. They want to make that decision for you and the decision will be for 90% to go to the government and be stolen by the bureaucrats, *"Thanks for the free assets and land. Hahahahahah!"*

### **Hebrews 9: 15- 28 ESV**

*15 Therefore he is the mediator of a new covenant, so that those who are called may receive the promised eternal inheritance, since a death has occurred that redeems them from the transgressions committed under the first covenant.*

*16 For where a will is involved, the death of the one who made it must be established.*

*17 For a will takes effect only at death, since it is not in force as long as the one who made it is alive.*

*18 Therefore not even the first covenant was inaugurated without blood.*

*19 For when every commandment of the law had been declared by Moses to all the people, he took the blood of calves and goats, with water and scarlet wool and hyssop, and sprinkled both the book itself and all the people,*

*20 saying, "This is the blood of the covenant that God commanded for you."*

*21 And in the same way he sprinkled with the blood both the tent and all the vessels used in worship.*

*22 Indeed, under the law almost everything is purified with blood, and without the shedding of blood there is no forgiveness of sins.*

*23 Thus it was necessary for the copies of the heavenly things to be purified with these rites, but the heavenly things themselves with better sacrifices than these.*

*24 For Christ has entered, not into holy places made with hands, which are copies of the true things, but into heaven itself, now to appear in the presence of God on our behalf.*

*25 Nor was it to offer himself repeatedly, as the high priest enters the holy places every year with blood not his own,*

*26 for then he would have had to suffer repeatedly since the foundation of the world. But as it is, he has appeared once for all at the end of the ages to put away sin by the sacrifice of himself.*

*27 And just as it is appointed for man to die once, and after that comes judgment,*

*28 so **Christ**, having been offered once to bear the sins of many, **will appear a second time**, not to deal with sin but to save those who are eagerly waiting for him.*

**Hallelujah! Praise the Lord Almighty!**

You have to understand the value of the central blessed family, and even the Body of Christ. We are the Body of Christ, because when True Father started his ministry, they were hurling at him. They were saying, *"He is a demon, he is a heathen, he is a false messiah, a false prophet."* They would attack, attack, attack.

But in the end, after 50 years:

\*Who was the one?

\*Who was the minister that spent billions of dollars fighting Communism around the world?

\*Who was the one who established in Russia and in China, educational organizations that have been educating the students to be anti-communists?

\*Who was one who created the Washington Times to make an actual repost to the Washington Post and New York Times in America?

\*Who was the one who clearly identified political Satanism and the fall of man, and that sexual licentiousness would DESTROY America?

\*Who was the one who was fighting the Commies from the beginning to the end?

No socialist church that has given in to the LGBT, given in to the abortionists, given in to all manners of things; talking about prosperity, talking about *"Just believe in Jesus and you will be a millionaire"*; all this kind of crazy, ridiculous stuff!

NO! Jesus said, *"If you believe in me, you got to PICK UP YOUR CROSS and follow me."* You got to be READY to get hit; because once you're in the blood of Christ you're going to be a target. You got to be ready for the fight because the devil's not going to leave you alone. Are you with me, folks? The devil's going to be after you. When you are in Christ you have a big target on your back, but it's not something you can win with just physical natural powers. Amen! You have a mighty God, a supernatural Father; the Creator of the world that is standing in front of you and with you, leading you into battle for the VICTORY! (*Applause*) It does not mean it does not come with hardships. It comes with lots of hardship, lots of blood, sweat and tears!

*"I want to be holding that cross! See, Jesus, you won't be burdening this cross alone; I want to hold it for you!"* Christ is not alone; it's about relationship. The Body of Christ is the chosen people.

### **The Higher Powers**

Now you can see people waking up. They're starting to realize, *"Whoa! The Church has been sold out to the Left. The Church is teaching Romans 13 and talking about allegiance to the state."* In Romans 13 it says, *"Subject yourselves to the authority of the higher powers."* Then the communist churches are telling their people, *"That means you're going to obey every government law, every government mandate; you've got to OBEY them like they're God!"* That's A COMMIE! That's somebody who's leading people to destruction, to the swamp!

Why? Because in America, and it should be in all constitutional countries, the higher powers are what? It's the Constitution. It's not the government officials; the government officials are the lower powers. The HIGHER POWERS is the Constitution; it's that which protects the freedom and the rights that are given to us by ALMIGHTY GOD; not by government. Are you with me? So if you're honest to the Word and you're subjecting yourself to the higher power, then you must subject yourself to the Constitution. That means any government official that betrays the Constitution is a CRIMINAL before Almighty God, a criminal, a sinner and of course belongs to a criminal state.

How many socialist churches have been taken over by getting money from the federal government who is getting money from the Chicoms; who is getting money from those people who want to implode our sovereignty, destroy and bring us into the communist UN which Father called Satan's UN? Why? Because in the end, it's their lust for power; they're weak, they're empty, they're vapid; they've already sold their souls to the devil. They hate themselves so much. They know they've sinned so gravely. They try to run from that, because if they admitted it, they would have to go through something. So they try to run away from God. That's why they have the stupid transhumanist cult, and they want to depopulate the world so they can *"save the earth; save the earth!"*

Do you understand that in the actual studies with plants, in higher levels of carbon dioxide you have three times more growth; you have the greening of the ecosystem. Why? Because the plants they eat carbon dioxide. These leftists are so crazy; they pretend they're scientists but they are just nuts.

Because if there was actually more carbon dioxide in the air, according to scientists and actual studies, the deserts would start greening; we'd have more lush places everywhere. We would be able to grow more food and solve starvation. People wouldn't have to rely on these stupid corporations to get their health; they could eat healthy greens. They could eat vitamins and minerals from the pine trees, and the things that they grow; they could actually get healthy nutritional food, and not just processed crap. Because once you're on the government dime, once everything and all industries have been taken over by the federal government, then all you get is processed food that is slowly killing you from the inside out.

Just like fluoride was put in the water of the Nazi death camps so that people had calcified pineal glands, so they couldn't think or pray! Are you with me, folks? This is not conspiracy; this is real. Hitler put fluoride in the water to calcify the pineal gland which is known as the place for spiritual activity. When people have spiritual experiences, it is the activity of the pineal gland in the brain. And that is calcified with the consumption of fluoride. The point is: they're known for using food to weaken their captives.

And if you're on the government dime, and if you don't have weapons to defend yourself like Australia, you're being stuck under the fist of the totalitarians. You see that crazy stuff? People on a beach, trying to just walk around; they don't wear a mask and they're getting SWAT teamed by 15 guys, and these female cops that are just in on it on a power trip? Beating up these people, beating up these girls on the beach, because they don't wear a mask with 99.7% survival rate of a corona virus!

What is this? This is not science! What is this forced vaccination? What is this forced mandate? What is this *"Oh you know, this is a medical emergency; it's a pandemic. It's an international emergency so your constitutional rights don't matter now!"* Oh what a great device that is, isn't it? Hitler is salivating in his grave; it's a Hitler on steroids, and Stalin too. This is the wildest dreams of these wicked Satanists. This is their biggest, most powerful power grab that they've ever done in their life; collapsing not only America.

Look at Korea! Korea and Japan, oh my goodness your economies, folks, were already in a huge deficit. The Japanese economy was already collapsing since 2000; collapsing, going down, negative. How is Japan going to survive this, with now everything shut down, everything collapsing faster? It's going to be imploding. How is South Korea going to survive this? All their middle -sized businesses are being put out of business, and now you only got conglomerates and *Chaebols* to work for. They're one adulterous, monopolistic pair; just like in North Korea, the *Chaebols* and the government are one monopolistic pair. And if you don't work for them, if you don't get in line and obey the governmental *Chaebols*, you will be impoverished and you're not going to eat and you will have to sell your body to get a gallon of milk as in Venezuela. This is what they desire.

### **Japanese white supremacists**

People have freedom and they can use their ingenuity and their God- given creativity and their God-given abilities and talents to make small businesses, to make win-win interactions, and win-win organizations that create mutually beneficial wealth. And they can actually make prosperity and they can have a house, and they can have two cars and they can have fish pond, and they can have a boat to go fishing with their kids, *"Oh, but no! No, you can't have that! No, no, no!"*

No, they don't like this competition, you see; they are the Superclass. Because then you won't worship them as gods! Then they're going to dangle naked women and gold teeth in front of you and you will worship them like animals. Why? Because you're already, by the sweat of your brow, and the God-given talent that you've been given, you're already comfortable. Are you with me, folks? You see how that works?

That's why the Moonies are a danger, *"oh they're conspiracy theorists."* Talking about: *"oh, you don't believe in government? What kind of CRAZY are you? You're an EXTREMIST; you are a white supremacist. You Japanese ladies, you're dangerous white supremacists; you're domestic terrorists Trump supporters! You're all dangerous!"*

You see what I'm saying? How crazy this is. How can the president of the Unites States say that the biggest threat to America is not ISIS or the Taliban, or the CCP but the American Trump supporters, who are now called white supremacists and domestic terrorists? Are you crazy? That's the language you use to people you BOMB and you kill and you genocide. Why? Because they're so threatened by the people.

### **America came back!!**

They know, if the people in America got control of this country once again; if the people started getting out of their stupor and their slumber and their subservience to the 666 -Beast anti-Christ system, and they started believing in the identity God gave them and believed that they were sons and daughters of Christ and saved by the blood of Jesus, and stand with authority over the heavens and the earth with Christ, and that the angels do not rule them, but they are to rule and judge the nations, and that they are part of the Rod of Iron Kingdom, oh Lord have mercy!

Not only would that turn America around, not only would all these criminals in the Deep State be brought to justice and be put to prison; not only that. But all the other countries of the world would have the greatest most epic movie that they could watch. They would say, "Holy Shmita! American did it! We can do it! AMERICA DID IT! America DIDN'T DIE! AMERICA CAME BACK and won! (Applause) And in France and in Canada, and in New Zealand and in Australia and in Africa, and in Asia and in China, and in Singapore, and in Thailand, they are shouting, "WE CAN DO IT TOO!" Ooh! Hallelujah! (Applause) But, "Oh! We can't have that! Arrest those patriots immediately!"

### **Repent & be saved**

Can you imagine if the Korean and Japanese people had the Second Amendment? You could not push them around. Can you imagine if the Chinese people had it? Everybody knows Chinese people, right? They are super hard -working people. If they lived in a free country with their level of skills, they could make millions. Of course you don't want to just live for prosperity and power and money. No, that's what Satanists do. But, these people, if they have freedom!

Why? Because, in freedom the gifts of **Christ** win; in freedom where people actually can pick and choose religions, the majority of people would go to the place where actually the freedom and the liberty is given to them by God and protected by God.

That's not given by **Buddhism**. Buddhists do not believe in a monotheistic deity with all authority.

It does not come from **Islam** because the God of Islam is totalitarianism; it's not liberty.

It's not **Confucianism**; Confucianism was part of the state apparatus. No, it promotes the worship of the state. Confucius' very famous teaching was that "you have to love the government as your father"; making the government into your daddy. That's exactly Socialism. It's demonic; Satan is part of Confucianism.

But when people have freedom and they can actually hear and understand: where does this liberty come from? Who protects this liberty? Is it worth fighting for? Is it worth protecting? Does it actually have value? Does it have a supernatural source? Then they can only go to God, because it's God who loved, and created men and gave them the inheritance of the world. God in the Bible said, "*Be fruitful, multiply and have dominion over the earth.*" He said that to lowly mankind; He said that to the people. He didn't give that power to the angels who were more powerful; He didn't give that power to the archangels who were even more powerful. He gave that to lowly men, that the communists and the Marxists call 'useless eaters'.

And the barrier was so low, all you had to do was just believe; you just had to believe in God and you just had to repent of your sin and that you would be saved. You'd be saved for the pit of hell and you would be brought into the royalty and Kingdom of God. Hallelujah! Then you would be born again through the Holy Ghost. You would no longer like sin; you would now hate the things that God hates and love the things that God loves. You would now stand for family, you would now stand for

marriage, you would now stand against abortion; you would now stand for strengthening other people so that they also would have the Rod of Iron Kingdom. Oh, now you see you become a force multiplier; that's a big problem, isn't it? Huh-Huh! That's a big problem.

### **In the Rod of Iron Kingdom**

So, in the free market where they can't control religion, and they can't control the free flow of ideas, the Rod of Iron Kingdom wins. You talk about, statistically, how do you create a world with the lowest levels of crime, the highest levels of liberty, the highest levels of protecting human natural gifts of God, protecting human interaction, markets, economies, families? Because in the Kingdom of God, even the Department of Education is banned; it's illegal. So you can't have a centralized government to brainwash people to be Marxist like the leftist governments do now, including in the US.

See? What does that give? That gives parents sovereignty into what their children learn. Parents! *"Oh, you can't let parents have control of what their children learn! The STATE must control that!"* If the parents do it they may learn values; if the parents do it, they may learn the difference between good and evil and they may have ethics and ethical values.

They want them to become worshipers of power, and become bureaucrats of the state, to further screw their own citizens. No, they're not going to be part of that power- grabbing power crew and disgusting criminal organization. No, they're going to say, *"No, I'm not going to do that; I'm not going to help that."* You see, they're going to have discernment. Are you with me, folks?

*"Oh, but you know there are parents that abuse their children."* If you use that argumentation how many employees of the child protective services CPS were convicted of child rape- that is raping and molesting children? If you use that example, what about all those convicted pedophiles that are on tax payers- dime doing 'drag queen story hour', having their children gyrate on top of these grown men dressed up as women? What a disgusting insult to women, saying that a woman is just a clown makeup facade. What a pathetic insult to women! Just because you dress in a dress and you put on clown makeup, that doesn't make you a woman! You got to earn being a woman, you're going to be bleeding every month; you're going to bring the next generation. You got to earn that! You can't just be giving it because you wear some clown makeup! It's ridiculous; totally ridiculous!

Of course: *"No, no, no! These are conspiracy theories; dangerous ideas!"*

You have male and female: 2 genders! Not little mystical unicorn genders that you can make up in your own mind, and pretend that you're a little victim, trying to collect your victim status. *"I'm a white male, but I'm so oppressed that I'm going to become a unicorn- snake-serpentine- humanoid tri-gender."* Give me a break! We have compassion with the people because they're mentally deranged. That's sad; we pray for them, we pray for them. My gosh, it's ridiculous!

But the fact that it's being legitimized by the education system is RIDICULOUS, folks. The fact that Pfizer employees in human health services, doctors, are being caught on undercover film, by Project

Veritas -God bless Project Veritas- admitting that they're not reporting stats; these could be federal crimes. See, they don't care.

This is why Romans 13 is not about worshiping the state, as these commie pastors teach. It's about protecting the God-given rights enshrined in God's Constitution. Amen! (*Applause*) Hallelujah!

They can't have America come back. They can't have the world realize, "*Hey, wait a minute! This is not where we're supposed to be!*"

It's a tremendously thing, folks. So, please understand. I'm so happy that the young people were strong in their spirit and they understand their true identity and they are not shaken by anything. All the young people were not shaking, even though they were working in the cemetery yesterday; they're worked in the morgue, in the cemetery. They were not shaking because they knew and remembered. I don't know if they had a nightmare or they thought they saw something. But if you remind yourself, "*No, I am a child of God.*" A spirit is a person; it's not a god.

And we thank God, we thank Him for bringing all that authority, so that these folks can stand with God, and with the Holy Ghost; these folks can be participants of God's work on the earth. We give praise, we give thanks; we thank God.

But we don't worship spirits. We don't worship dead ancestors, dead wives, or dead husbands. No! Why? Because they're people! If you have a deceased husband, or a deceased wife, think how uncomfortable they'll be if you're saying, "*Oh, thank you honey!*"  
 -"*Stop saying that! God is watching you, bozo! You're making me uncomfortable!*"  
 Are you with me, folks? There're going to be uncomfortable.

But when you say, "*Praise God!*" then they can turn to God and say, "*Thank you Jesus! Thank you Father! You gave that miracle to my husband,*" or "*You gave that miracle to my wife. Thank you.*" See, it's now exploding with power because all the praise and the glory is going to the right place. Now everybody's happy in the spirit world.

So folks, please pray for us here in Tennessee as we beautify this place, and I think some of our folks are heading to Texas and other places to pray on Tuesday. Please pray for their safety, etc. We've got to pray for America; we've got to pray for the world. We see you in PA. We love you all. We're all standing with you. Let's all pray together!

### **Pastor Sean's Prayer**

Father God, we thank You for this beautiful day. We thank You for the study of Hebrews chapter 9, where we saw the power of the blood of Christ; Father, where we could see that Your blood has tremendous authority and that it lifts us from being slaves to sin, slaves to Satan, children of the lie, children of sin, into children of Almighty God. Being redeemed from the fallen Eve position for women into the true Eve position, and men being redeemed from the archangel position into the true position of your true son Adam, and being able to stand with You on the battle line, being able to stand with you to fight the wickedness of this world you as said, *"Resist, resist, resist, RESIST the devil and he will flee."* He will not flee by just pacification and by submission; he will flee by resistance.

So God we pray that You would give that spirit of bravery and courage to the whole Body of Christ, so they would understand the severity and the seriousness of this time, and that if America falls the whole world will fall.

But let America be strengthened

Let America be true!

Let America come back to Jesus!

Let America come back to her Christian roots!

Let America come back to strong and powerful marriages!

Let America come back to strong family units.

So that they can stand up against the international Communism, political Satanism that is now plaguing this world by the demonic structures that rule. But God, as You were saying, *"We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Ephesians 6:12)*

And although they may feel like Behemoth, they are nothing compared to You Almighty God, because in the end they work for power and lust, but we work for LOVE. We work because we love You and because we want to protect the gifts of Your love that You have given to all humanity; the gifts of liberty and freedom that allow us to search and have a true relationship with You and to also bring blessing to the rest of the world.

God, we ask that all the nations be strengthened at this time, to stand back with You and resist and fight, and stand against the wickedness that confronts us, and that is coming and encroaching. We know that in the end You win and You win and win AGAIN, and Your Kingdom is quickly coming to this world.

We give You the praise, glory and honor, with all the kingship lines that are gathered here today, and we praise Your holy name. Amen! Amen and Aju!

God bless you, folks! Hug your neighbor! (*Applause*)
