Worship the Giver of Life

August 14, 2022 - TN

Thank you, King Kyle! Praise the Lord Almighty! We're here in Tennessee.

By the way on Tuesday, we have a tremendous interview with the executive director of Tennessee Firearms Association <https://tennesseefirearms.com/>

Unbelievable! John Harris he's actually been volunteering to be TFA head for the last twenty-eight years or something like that, and he's been practicing law in Nashville for a long time. So, he's a very important contact and of course a very Abel-type person. My gosh! Wow! He already is a huge fan of Kook Jin Nim and Kahr and he's very excited. He wants to come down. They actually want to start a branch; they want to find somebody who can be their representative in Morristown. So, they say, "Wow! If you guys are in Morristown, you got to help us find a representative." And I said, "We need to have you down here. Come on down when Justin is in town! We'll have lunch together, etc."

If you want to help out with the building of the networks here in Tennessee, if you're here in Tennessee or other places, sign up for TFA; that's Tennessee Firearms Association.

<https://tennesseefirearms.com/take-action/join-tfa/> You can get a yearly membership for their organization \$35 or lifetime of \$500; it's kind of similar to GOA and NRA but this is \$35 for one person, one year and \$45 for a couple. Oh, you guys signed up already, it looks like, huh? Praise God! Thank you for that. So, if you want to help support the Tennessee Providence and Cheongpyeong Providence down here; this is a critical relationship. We encourage all our young people too. You should be able to sign up and support the major organizations that are here fighting for the Second Amendment. Of course, these are critical friendships. This was important in Pennsylvania, absolutely critical, working closely with GOA. TFA works very closely with GOA here; they're more focused on the state and GOA on the national. So, if you're not part of those organizations, you absolutely should be and it's not that expensive. Folks, you have to be supporting these people that are fighting for the last vestige of freedom that we have. We don't have a lot of freedom left in America and it's dissipating very quickly- which is very scary.

But let's get into the Word today, because we don't live in a spirit of fear. Amen!

Now it's beautiful! You see the 10-year Cosmic Seonghwa of the True Parents of Heaven, Earth and Humanity! (*Applause*) 10th anniversary! Wow! 10 years! Unbelievable 10 years!

This place is already too small; we should have made it three times bigger in the beginning, but speedy Joe would have no hair by now if he had to do that. You understand? There was nothing; it was jungle here, folks; you remember the jungle? There was nothing here and if you all saw it in the beginning, oh my Lord! You remember right here Joe, there was a big old tree and there was nothing. Remember that? Oh, my Lord! There was poison ivy everywhere in this area; it was a little marshy, a lot of mud and there was a low ground. But look at this now! We got a beautiful building with air conditioning, and it's actually cool in here even though it's hot outside. So, praise the Lord Almighty!

All right folks, let's just review really quickly the Scripture that we saw two or three weeks ago.

Joshua 5:13- 15

13 And it came to pass, when Joshua was by Jericho, that he lifted up his eyes and looked, and, behold, there stood a man over against him with his sword drawn in his hand: and Joshua went unto him, and said unto him, Art thou for us, or for our adversaries?

14 And he said, Nay; but as captain of the host of the LORD am I now come.

Another translation is "As the Commander of the Army of God!"

And Joshua fell on his face to the earth, and did worship, and said unto him, What saith my Lord unto his servant?

15 And the captain of the LORD's host said unto Joshua, Loose thy shoe from off thy foot; for the place whereon thou standest is holy. And Joshua did so.

The God of Night & the God of Day

Okay! You see what happened folks? Remember we talked about this? This is called "Christophany." Everybody, say, "Christophany!" (*Christophany!*) This is Christophany: this is "God of Night-God of Day." This is what Father was talking about. Remember? In the ending part of Father's earthly mission, Father released the "God of Night- God of Day" theology, and he was teaching on that literally every day. We heard about every day in Hoon Dok Hae. If you were there in HDH at the Cheon Jeong Gung you heard this every day, including the numbers on the hands and the nodules on the hand. Remember the numbers and all this kind of stuff? Father was talking about the "God of Night-God of Day" and he said, "All of you are from the God of Day; I am from the God of Night."

Her abomination

He knew the Han mother was preparing her betrayal. She was already machinating many years before. But he knew.

"What is she going to do? She's going to do some crazy stuff like proclaim she is God, make statues to herself and something like that?" Yes! We've SEEN it happen folks! This was all conspiracy theory when it was happening! When we told people what we knew, they thought we were nuts and they tried to shame us and condemned us to *"Die!"* Evil, evil, wicked, wicked demonic attacks! But we were just telling the truth; we told the truth. It was actually worse than we said, as it always is. Evil is always worse than you say; it's even worse.

For example, we never anticipated she was going to make a dang STATUE of herself. Come on! I mean she said she's God! That's bad; that's really bad. But I couldn't anticipate her making a dang marble statue of herself, and Father is not even THERE! Are you with me, folks? Holy shmita! Tech Team, put up that nasty abomination statue!

Because they got backlash and they got people complaining about it, apparently they hid it; now they hide it somewhere in the building. They apparently told the Han mother, *"Oh, oh! We don't want it to be rained upon. The holy statute, to be rained upon! A dirty rain! To be rained upon. So, I think we need to attend it inside."* That way they can hide it. But we SAW the dang thing! EVERYBODY saw the dang pictures! There it is! That's the abomination! Look at that! Father is not even THERE! He's not even there.

So, it's really the Harlot of Babylon. She's adorned in purple and scarlet, and abomination is upon her forehead, etc. It literally is Revelation chapter 18 right there- Boom! - right in your face. And the news is they're preparing to make that into a salable item with which they're going to try to tax and extort from the Japanese members again. But of course, now a big monkey wrench has been thrown in their cog.

But, it's unbelievable; unreal folks the abomination she has committed! If she knew even just a little bit of Scripture, if she had just a tiny bit - just a tiny bit - of biblical knowledge, she would see that this is the most horrific devastating abominable thing you can do, and the Bible promises you're going to have CURSES upon curses on you. And of course, that's what's happening to them out there; they're imploding from within.

Trump's terrible spiritual condition

They're preparing a big event, and again I don't know why Trump is doing it; he's bringing curse upon himself; he keeps on sending these messages to the Harlot of Babylon. Are you kidding me? It's probably the worst condition you can do spiritually; honestly, it's probably the worst thing you can do. I don't know what these people around him are doing; they're not protecting the president. He keeps sending these messages and apparently, he sent another one.

<https://www.youtube.com/watch?v=4q8NxYzGDB0>

(Donald John Trump spoke at Summit 2022)

So, the more he does it the more he's bringing CURSES upon himself. He's got to wake up because he's already in a lot of troubles right now as we speak.

We got to be praying for Trump, and if anybody knows anyone that can warn him... Because this kind of condition? Think about this kind of condition! Oh my gosh! You're sending endorsement letters to the Harlot of Babylon! Are you kidding me? What do you think is going to happen? It's going to be bad things. So, we pray that he quickly wises up. We want Trump to be successful, we want him to be victorious, we don't want any curse to fall upon him. So, the people around him especially, they got to protect the president better than this! My goodness! This is a terrible spiritual condition; terrible, terrible, TERRIBLE, terrible, spiritual condition! So, please pray for him, that he wakes up and does not make these kinds of terrible conditions especially given the state of affairs that we're in today as a country.

Our prophecies came true

10 years have now passed, and we have seen the Han mother's failed prophecies, all the things she predicted, all things she said. That the world would come to bow at her feet, she would be the queen of peace, everybody would be worshipping her; "Nations" she said! She promised by 2020 nations would be worshipping her! Are you kidding me? This is the height of delusion! She's not the Messiah; the world doesn't change that quickly just because she desires it.

Now remember, Father said that if Christians had accepted him, in seven years - boom! - the world could have been restored. Now with the Messiah, if the world aligns with him, it can change super quick; I mean super-fast!

You saw what happened in the last 10 years; it didn't change the way that the Han mother predicted. It changed the way Father's heir and successor, Three Kingships and Cain and Abel, and of course all the Sanctuaries that were standing with us, foretold. It turned out the way WE had prophesied, and now look where we are at. We're in the phase of sickness and plagues, and that of course creates tremendous famine. People don't know: the coronavirus starved Africans, brought them unbelievable suffering. It made the First World countries into Third World countries, and then the Third World countries are descending into complete abject poverty. You understand how that happens folks? When the First World economies are collapsing into Third World economies, the Third World economies literally collapse into TERRIBLE devastating poverty, massive famine, starvation- which is happening in Africa, etc. And now we are in the phase of war and that is spreading.

So, look how fast it's happening and how the whole world is transforming; the whole world is flipped up on his head. 10 years ago, not one person believed that the world would flip upside down in a matter of 7 years. NOBODY believed it! Not one person! Within 7 years we had the first international lockdowns; this brought the destruction of the economy worldwide. Talk about the Tower of Babel! Are you kidding me? This was WORLDWIDE, folks! This was not one nation; EVERYWHERE we were forced to do it.

Everybody was mocking us and laughing and thinking they were so smart, but they were foolish; they were ignorant. They didn't know political satanism and the reality of Satan's kingdom on the earth. They LAUGHED at it! They thought, *"Oh! There's no world government! They can't do that; they're not that organized! We have power. What? Do you think your elected representatives would do that to you?"* They just did, and they did it to the whole world! You see what I'm saying? Anyway, people were so stupid; people were so ignorant! They didn't know what planet they were living on; how bad it was. But Father of course knew this; he was fighting it the whole time, right?

Satan's weaponization of sex

We were just meeting with some wonderful folks in Morristown the other day, driving around with the Rod of Iron Riders' Tennessee team to say "hi" to some folks in Morristown and we were explaining the fall of man to them. Kook J-hyung was explaining, *"Well, you understand where the real power is when you see where the cross-section between money and murder happens."* The point at which money and murder connect that's where the real power of the nation is.

And who are those that control the money supply in the US? The international banking cartel which is ALSO run by pedophile groups.

And who are the ones that control espionage, murders and assassinations around the world? The CIA, the FBI, the Intelligence organizations etc. These organizations have done it in Afghanistan and Iraq, they've done it in Germany; they've done it all over the WORLD. That's their "profession."

But they're not only carrying out assassinations. What do they do? The main thing they're doing is what? They're making "federal ASSETS"; they're blackmailing people. That's what the Intelligence organizations do. And they use what? SEX! They use sex to blackmail; to get people on video having sex with minors and children and young boys and all that kind of stuff. That's why they run pedo rings, because when you're a politician in DC -it doesn't matter right or left- they invite you to parties and then they get you on film having sex with little kids. That's what the pedo ring is; the pedo ring is a blackmailing institution.

We told these folks, *"Look! That's why Father EXPOSED the reality of Satan!"* What was Satan's weaponized power in the beginning of Genesis chapter 3? What did he do? It was not just talking about an apple from a tree. What did he do? He weaponized SEX which was for the institution of marriage, but he weaponized it for what? POWER! It was supposed to be a way husband and wife should express LOVE to one another in intimacy. Amen!

We were telling these folks, *"Look! Genesis chapter 3, it's not about an apple."* It's not some kind of fruit; it's not a grapefruit. Some people say, *"It's a pomegranate,"* some people say, *"It's an apricot,"* some people say, *"It's an apple."* It's not a literal FRUIT! Why would they hide their hands? If they had something in their hands they should hide their hands, right. Why did they hide their lower parts? They wear the fig leaf over what? Their sexual ORGANS! The Devil knows that, but mainstream Christianity does not know that. Which is a big problem because the Devil can operate without them knowing the weapon; the main weapon! Are you with me folks?

So, at the intersection between money and murder, both those institutions are about how to control people with money, and how to control people with murder, etc. The bank cartel and the Intelligence Agencies, what are they using? They're using what? The pedo ring! Kook J-hyung was explaining, *"You saw the Lord of the Rings? You know the ring of power? That's the pedophile ring!"* You never thought about it that way, right? But that's the ring of power.

The CIA and Intelligence Agencies across the world when they do assassinations they're sending women, like a James Bond girl, that are being told, *"You're working for the government to help us in national security."* They're HIRING you to prostitute yourself to go and sleep with some political target which then they can blackmail since they have a video et cetera. That's how the real world works! People are so ignorant they're like little babies with diapers on; they don't know how the REAL world works. The real world works like this; it's Satan's world.

Father of course EXPOSED this in the "Fall of Man"; he showed the power. He said, *"Look at all the evil organizations of the world, they use what? The weaponization of sex, they use pedophilia, they use free sex culture, they use the homosexual transgender agenda; they use ALL that stuff to bring people in, to lure them in and capture them."*

There's a beautiful picture, it's like a meme; King David @KingDavidtheegoliath put that up.

<https://www.instagram.com/p/ChJP02dAhfz/>

He's the meme lord, he's the meme master; he's always putting up all his funny views. He had a meme of a guy in front of the computer; so, there's a computer and the guy's sitting here. And they say, *"Oh you think you're alone when you're watching your computer!"* The guy is here and right behind the computer screen are 50 CIA and FBI agents; RIGHT behind your screen. That's why you, young people got to watch out about porn; you got to watch out because right behind that screen are 50 FBI and CIA agents recording EVERYTHING you are looking at. Are you with me, young men? You understand what I'm saying? You got to watch out. That's generally how they hook you in.

And of course, that's why through the academics they're trying to push what? These crazy lunatic academics are trying to push what? Pedosexuality! Why? Because Epstein got CAUGHT, Ghislaine Maxwell got CAUGHT, but there's NO LIST! There should be a list. This is the first time in history that somebody was prosecuted and convicted for sex trafficking with NO clients! Are you kidding me? Are you kidding me? They had tons of clients and they were working directly with the Intelligence Agencies of the West; that's going to be a combination of MI6 and CIA, etc. International! This is

international trafficking and international blackmail. This is run internationally. It's not just one nation doing it; this is a global cartel.

People don't understand that it comes from Genesis chapter 3 -bam! - right there! It comes from the fall of man. It's seen right there plainly. The PLACE of the sin was the sexual organ because that's what was covered by the fig leaf; it was not the hands or the mouth. If it was eating a fruit, it would be the mouth or the hands. But no! The Bible is plain and clear that Adam and Eve covered their LOWER parts, and even in the children's Sunday school picture books, they have little fig leaf over Adam and Eve. Normal Christians may know subconsciously so even when they draw it, they draw it like that; they don't draw fig leaves on their hands. I don't see Adam and Eve wearing some cooking mittens or something like that; they got the apron over their sexual parts. But Christians don't speak about this openly, that's WHY the young people are ill-equipped; that's WHY those young people fall into sexual temptation MASSIVELY. They have not been TAUGHT that Satan's MAIN weapon against you will be sex.

All of you young kings and also older kings, anybody in kingship and priesthood, the MAIN weapon against you to destroy you and your kingdom, your marriage and your family is what? The WEAPONIZATION of sex! Other people trying to send harlots to you; Satan sending people to try to make you fall, and all this kind of thing. That IS the literal fall of kings! Are you with me folks? That's why Father said, "*You have to GUARD your sexual organ like a royal PALACE!*" That's what he said; that's how he called it, right? Literally! You must guard it like a royal palace. Because if you let the intruder in, your whole KINGDOM is going to fall. Are you with me folks?

Equal justice under the law?

You can see within 10 years' time what happened with what Father, his Kingship, his heirship and of course what the people who did not betray him have prophesized. The whole world flipped upside down; it literally flipped upside down. We are now literally on the verge of civil war here in America. Do you understand? The DOJ WEAPONIZED the FBI with 30 armed agents raiding not only the residence of a former president, but he is the Republican candidate to run next round against Biden or whatever puppet they put up. So, he's not only a former president, he is the running candidate next round! Are you with me folks? This is crazy! This is insanity!

The DOJ and those bozos they came out and said something like, "*We are very proud of how we adjudicate justice fairly and blindly without any partisan nuance.*" Are you kidding me? Are you KIDDING me? WHERE was the FBI when Hillary Clinton's 30,000 classified EMAILS were acid-washed off her computer? How come there was no raid on that crazy lunatic's house? No, they were not calling her, saying, "*Oh, we need this, we need that. Oh! You acid-washed your computer, blah, blah, blah, blah!*" Nothing wrong with that apparently: NOTHING WRONG with having classified emails and then ACID-WASHING them apparently if you're a Democrat! HOW is that equal and fair protection or justice?

Hillary was not even a PRESIDENT; she was not even a dang president, and they gave her so much space; so much deference! They were so nice to her. I'm sure they called her to encourage her, "*Keep*

your head up Hillary, you're doing a great job!" Oh my Gosh! That WOMAN acid-washed 30,000 emails! Even getting rid of one of those emails is illegal, a federal crime! Are you kidding me folks? Come on! Are you kidding me? This is supposed to be equal protection, equal justice?

What about HUNTER BIDEN working in the Chicoms' pocket? They have his LAPTOP, with him having SEX with PROSTITUTES, soliciting SEX, buying women, smoking CRACK- which is a CRIME! Are you with me, folks? Having all these inner dealings with the Chicoms, pay-for-play with Biden calling his dad "Pedo Pete!" Are you kidding me? Everything Hunter Biden's doing is a federal crime but the FBI doesn't raid HIS house! *"This is not a matter of national security?"* Oh, the Chicoms, the Chinese Communists with a-hundred-million-man-army salivating and trying to KILL America; THEY have him in their pocket but that's not a national security??? No, no, no! Are you kidding me? How is this equal justice under the law?

EVERYBODY can see it! Now they've gone so over the top, especially with this Trump raid. Now they're litigating to try to get him arrested and imprisoned and probably killed in prison. Kook J-hyung is always talking about how this is just like the Spanish Civil War in the 1930s. He was talking about it this morning; that it's like the Spanish Civil War before World War II. They went and arrested the main opposition party leader, they tried him for crimes - whatever it was; they put him in prison and he died in prison. Then what happened? The civil war started breaking out everywhere.

You heard what happened? There was a drive-by shooting at an FBI building in Cincinnati, Ohio, right after the Trump Mar-a-Lago raid. It is starting to pop. This is not a joke folks! If they get him imprisoned for all these ridiculous trumped-up charges and he dies in prison? Holy shmita! Are you kidding me? They whack him in prison? Oh my gosh! This country is going to turn into fire! Literally overnight it's going to be the Romper Room! Everywhere it's going to be crazy. You understand?

The world has two choices:

This is very important to understand: we are entering the age of warfare because of the fall of the Han mother at the cosmic level. We TOLD her there would be WORLDWIDE repercussions. She just laughed it off and mocked us and said that we were stupid ignorant boys, and we didn't know anything. Just like a lot of other dumb people did to us! But we are now not only in the stage of plagues and famines. No! We're now entering the stage of warfare. By the way, they're all connected and they only exacerbate one another; the history of plagues, famines, warfare, those always run together and they always get worse together.

We're in a scenario where Russia is now starting with Biden and the US, and also China is controlling the sea ports of Taiwan and shooting missiles over Okinawa, Japan. That's not North Korea doing that crazy behavior; it's China! China is doing it. Remember how China always used to brag, *"Oh we're the respectable Red Dragon here in the East. We're going to be just and we're going to be fair. Just give all the East to us and we'll be fair and just."* Now they're shooting missiles! No, this is not North Korea; it's not "rocket man." It's now Xi Jinping Red Dragon shooting missiles; that's the superpower.

Can you imagine if the US was shooting missiles over Venezuela or somewhere like that? That would be quite provocative, I would say. They're doing that with China right now; TREMENDOUS aggression! The worst that the Pacific Rim has seen in what? 60 YEARS! It's the most action and the most incredible tension that they've had, and this is no smaller power, folks, this is a giant dangerous genocidal totalitarian power!

So, we are at a critical point, and our General Inspector was telling this to the leaders and folks that were meeting in Morristown yesterday. The world now has literally two choices as we enter the stage of war, two choices:

1- One choice is nations like Russia, like US, like China go into a **war of superpowers**; nuclear bombs everywhere and all that kind of stuff. That's one scenario. Bad, very bad! In that scenario not only do the nations smash each other, but they're going to try to kidnap our children and grandchildren to FORCE them to go DIE in these ridiculous superpower wars that they've created. And not only will it do that, but it will also accomplish what? The global cartel will become RICHER! Ah! You see that? When the nations fight one another that will only strengthen the power of centralized government; it will only CONSOLIDATE the global cartel, the political satanist power. That's one option that the world is now heading into.

2- The other side of that is still war, but if God so wills it anything is possible. Amen! With men it may be impossible but *"with God"* what? *"ALL things are possible."* Amen! Hallelujah! Okay! Whoo! Now the other way is what? If God sparks the collapsing of China from INSIDE; if a **civil war breaks out INSIDE of China!** And a civil war would not be only in China, but it would be **inside Russia**, it would be **inside the US**; it would be in **every nation**. Every nation would now be rising up: it would be inside Sri Lanka, and nations all throughout South America. There's massive uprising happening in most continents around the world right now; if that uprising continues ... It's still war, but it's now no longer international warfare, it's now civil warfare.

But guess what happens there? The PEOPLE are not having their kids shipped off to go fight and make the global cartel richer; the people are actually standing up AGAINST the global cartel because they have control of their governments. You see what I'm saying?

So basically, if you can scatter and disperse the enemies' forces by keeping them engaged in all the nations where the people are uprising in; keeping them busy and up in all nations, their power is not going to grow. They NEED the international thermal nuclear warfare for their power to be consolidated and for them to have a complete reset, so they can then control us literally as the kings of Satan on the earth. Are you with me folks?

We've got to be praying

But if GOD moves people's hearts and gives them BRAVERY at this time; I'm talking about bravery like *"war is going to come and you're going to DIE anyway! You got to be BRAVE in Australia and New*

Zealand, you got to be BRAVE in Africa, you got to be BRAVE in Russia and China. They're going to come kill you anyway!!" That type of bravery that does not fear even DEATH!

You can really get that through Christ only, because Christ defeated the grave; he defeated DEATH and through our relationship with him we can PENETRATE through all those fears and all those challenges. If GOD moves with the Holy Spirit across this world and the uprisings continue and they get bigger and bigger and China starts breaking up in a civil war, now they got a lot of things to deal with. Now, they can't just jump into thermonuclear war with America. Now they can't just jump in a war with Russia.

In both cases we're in the stage of war because of the Han mother's failure; so, warfare is coming. But the question is whether

* it will be thermonuclear intercontinental warfare which will make the global cartel and the bankers richer, or

*it will be inside every nation with ten thousand, millions of patriots being brave, RESISTING and trying to take back their country- which is their right and it's their DUTY. Amen!

Oh Lord! You see what I'm saying? I'm not always gloom and doom, there's a lot of hope too. Amen! We just got to be REAL with the hope. We can't just give you "hopium"; I am no "hopium" dealer. Are you with me folks? We're HOPE dealers, not "hopium" dealers. There's a difference: "hopium" is a lie, lying about it. No! Hope is different. We have eternal hope in Christ; we have eternal hope that his Kingdom is coming. We know God can confound the wicked, we've seen it in the providence of restoration occurring in history; we've seen it. So, if we can pray and if we can stand together with all those patriots around the world ...

See, they may not have a Second Amendment but they have a heart and they have a conscience and they have a yearning towards God, freedom and liberty and they don't want to be slaves especially to the bad totalitarian dictators. Amen! If those people can stand up!

We're going to be praying for them; we'll be trying to stimulate ALL the spirit world to be working with them. EVERY nation has to rise up and has to resist. EVERY nation's got to participate. They can't just be watching the movie of America and seeing, *"Oh, how is America? There's going to be civil war there; let's see what's happening in America."* EVERY nation's got to be involved in resisting the tyranny that is coming to their nation.

Everybody's got to pray for China to have a BREAKDOWN of that government power. There's power in prayer! Amen! Power in prayer! We've got to be praying for the Chicom government to collapse and tear apart from within, and for God to confound ALL their entrapments and their encampments etc. It would be phenomenal if China started breaking apart as it is trying to take over the Pacific Rim. Wow! It would really start messing up Satan big time if the good people of China could rise up; they are slaves under this totalitarian demonic genocidal regime and they've had enough of it.

You've seen the protests they've been doing in front of banks; the Chinese government literally rolling in tanks in front of banks.

<https://www.opindia.com/2022/07/video-of-tanks-on-streets-in-china-go-viral-amid-protests-by-bank-depositors/>

They're rolling in TANKS in front of banks because of the real estate bubble crash and people trying to extract their money from the banks at the same time. The banks don't have the money; it's all fake. People tried to take their money out and the Chinese government said, *"No, you can't do that."* Then people protested throwing stuff trying to break the banks' windows, so they put tanks in front of the banks. Military TANKS in front of BANKS in China! They're not playing around folks; it's real, it's real! Tanks in front of banks! You know why? Because people were saying, *"Give me my money! You have my savings in that bank; I want to take it out!"*

Kings' real assets

That's the problem with digital money. We've been talking to you folks about that; you know all of you got too much archangelic slavery education especially from the government camp SCHOOLS! KINGS know that. Not one king in this world teaches his child that paper money is money and digital money is money. That's fake, fake, fake! Look at what's happening in China; all those people banked their whole life savings on the digital money in the bank account and they're crying, they're heartbroken, *"I trusted you, you promised me and now I can't even take my money out! I can't even buy a can of food!"* Why? Because they've become slaves; they've been taught to *"be a good boy and believe your slave holder,"* which is the Chinese government. And they did! They were good little slaves; they got their As on their tests in government schools and they OBEYED the slave master and now what happened? Now they've been trying to take their savings out of their bank accounts and the government said *"Not allowed!"*

That's why kings and priests and queens and evangelists should always remember: printed money is fake money, digital money is fake money. That's why kings have real assets like what? Gold and silver and land and NETWORKS. Relationships are money too; relationships are big money. Amen! All those things: good relationship with your wife, with your children, knowing skills! Also, a coat of arms - which means what? WEAPONS! A coat of arms is a nice way to say *"kaboom weapons."* They call it a *"coat of arms"* to make it nice and sounding feminine, but these are women that KILL your ashtray; it's not a feminine thing. A coat of arms means *"I'll blow your head off with these weapons."* That's what it means.

The point is: kings will have what? Weapons! Weapons to do what? DEFEND their kingdom, defend their assets. Critical, critical things! That's why they always secure what? Land! That's why governments are always trying to use EPA-like organizations to do what? Make them into green zones where the normal people who are the slaves can never access them. But THEY can trade the green zones for solar panels! At the same time as Senator Harry Reid was raiding the Bundy Ranch, he was working on a \$9-billion-dollar solar panel deal with China in the desert of Nevada - which was all called *"BLM (Bureau of Land Management) green land."* Nobody was supposed to touch it, but see, government officials can get secret contracts of that land.

That's why in the Cheon Il Guk Constitution the EPA (Environmental Protection Agency) is what? ILLEGAL! It's illegal because it has just become a stupid trope for the government to control land and take it away from the citizens who are the SOVEREIGNS.

If God & the Holy Ghost intervene

This is the state of affairs that we're going into; we're coming to this crossroad. The war stage is now coming. The question is: will we go towards the international war stage? Which will be what? Thermonuclear, and it will STRENGTHEN the pedophile ring global cartel network; it will make them stronger. George Soros will get richer, Bill Gates will get richer, Pfizer will get richer; the World Economic Forum will get richer. KLAUS SCHWAB will get richer, *"I am Klaus Swab. You must obey me; I have the antidote for the future."* Who else will get richer? The ROTHSCHILDS will get richer. All those commies will get RICHER. Through what? This international warfare scenario.

BUT if GOD and through the HOLY GHOST; if True Father goes just like that: ping! Just like that: ping! That just like that: boom! All of a SUDDEN that nation can be FLIPPED up with upheaval inside; people won't even know WHY they're standing up! It's like in Sri Lanka, all of a sudden, they got control of the government! Bing! Boom! Just like that! That's how easy it is for God! Amen! (*Applause*) We serve a mighty God!

If that happened in CHINA? Are you kidding me? If that happened in China? Oh my gosh! That would literally be one of the biggest, biggest, biggest, blessings from Heaven that we've ever seen! How INCREDIBLE! That would be an incredible miracle! Wow! If the Holy Ghost was just touching people in China! Oh! Just giving them some supernatural COURAGE! They don't have anything but if the Holy Ghost was just touching people: Bing, Bing! Oh Lord! That whole country could FLIP upside down, then that network would be busy; you see, that would take them out of the big fight. That would create so much confusion inside their encampment, from within - which is good. It would create so much confusion; there would be so many factions that they wouldn't be able to do anything.

At the same time the crazy Left is trying to push for civil war; if they arrest TRUMP and KILL him, there's going to be civil war here too. Now the global cartel will be BUSY here in America too, and if China's also in civil war and all these factions are fighting? Oh see, now it's harder to bring about an international thermonuclear war! You see that? Because from WITHIN there's too much upheaval.

It's not only about superpowers. Look at Sri Lanka! Unbelievable! Because gas prices went through the roof, people just took over. They said, *"We're not paying ten dollars a gallon - whatever they're paying - there are more of us than you!"* They took over the presidential palace and the "president" had to resign. You understand? There are always more PEOPLE than the evil people; it's just that evil people make the normal people scared. They're always trying to divide them up male and female and now even "male and female" doesn't exist, and straight and gay and black and white and all that kind of craziness; trying to divide them into little fiefdoms and little gangs. So, if the people recognize the

power they have together and stand UNIFIED against the global cartel that are trying to bring international political satanism! Wow!

But, see, that requires bravery because if you stand up and you do that in China, they'll kill you; that's a death sentence. It's like the Founding Fathers; they said they had to PLEDGE "*their lives, their fortunes, and their secret honor*" because they knew "*if you lose you will die; hundred percent you will die!*"

If you don't worship the GIVER of life and you worship only life you will fear DEATH, and then you will be a slave to tyrants. You worship the GIVER of life, but well, He gives and takes away; that's in God's hands. Amen! If we worship the Giver of life we don't live in fear; we move with Him with His power and with courage and with strength and HONOR. Praise God Almighty! (*Applause*) Hallelujah! Somebody's feeling the Holy Ghost today! Wow! Lord, have mercy! So, we are approaching a very, very, intense period of time, folks.

Let's continue on with

CHRISTOPHANY!

Daniel 3: 14- 26

The fourth is like the son of God

14 Nebuchadnezzar spoke and said unto them, Is it true, O Shadrach, Meshach, and Abednego, do not ye serve my gods, nor worship the golden image which I have set up?

Nebuchadnezzar made it an inexecutable crime. If you did not worship the golden idol he made, and you did not worship his gods, that would be an offense leading to execution. You would be executed if you did not bow down to Nebuchadnezzar's golden gods - which were fake and were demons.

15 Now if ye be ready that at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of music, ye fall down and worship the image which I have made; well: but if ye worship not, ye shall be cast the same hour into the midst of a burning fiery furnace; and who is that God that shall deliver you out of my hands?

He said, "*I'm going to kill you! If you don't worship these gods of Babylon, you will die and you'll be burned alive; your flesh will melt off your bones. It will be an agonizing slow torturous death in a fiery furnace.*"

We say if you worship life, you WILL fear death but if you worship whom? The life GIVER you don't fear death any more. You see how this works, folks?

So Nabuchadnezzar said, "*If you worship life and you want to live and enjoy your life, well you have to worship these gods; if you don't, you die.*" And he was of course expecting for people to say, "*Oh, that's okay! Okay I'll do it; I'll do it! Yes Sir!*" That's what he expected.

But Shadrach Meshach and Abednego said, "*No! Not only are our names an abomination and disgusting...*" Did you know those names actually are names of Babylonian gods? They had to change their names

from Jewish names into those weird names like Shadrach Meshach and Abednego. Those are actually names that are praising Baal etc. Let's see what they said.

16 Shadrach, Meshach, and Abednego, answered and said to the king, O Nebuchadnezzar, we are not careful to answer thee in this matter.

17 If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king.

18 But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up.

They said that to the emperor of the world folks, who can murder and kill you at any moment's notice! All his executioners are ready, they're itchy on the trigger finger; they just want to chop heads off. They have fun doing it and especially to these Jewish boys, "I want to kill one of these foolish Jewish boys; let's kill these guys!" Who answered, "Nope! O king, nope; we will not worship that golden image."

19 Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abednego: therefore, he spoke, and commanded that they should heat the furnace one seven times more than it was to be heated.

So, he said, "Turn up the fire SEVEN TIMES!" So now they wanted to get a big roast. He wanted them to burn to a crisp and probably burn into ashes so that he could make an example out of them and warn, "Look, you do that to me, you will die like them." Right? That's what he wanted to do.

20 And he commanded the mightiest men that were in his army to bind Shadrach, Meshach, and Abednego, and to cast them into the burning fiery furnace.

21 Then these men were bound in their coats, their hosen, and their hats, and their other garments, and were cast into the midst of the burning fiery furnace.

22 Therefore because the king's commandment was urgent, and the furnace exceeding hot, the flames of the fire slew those men that took up Shadrach, Meshach, and Abednego.

Those killers that bound them up got burnt to a crisp; the executioners burnt up and died. It was so hot!

23 And these three men, Shadrach, Meshach, and Abednego, fell down bound into the midst of the burning fiery furnace.

24 Then Nebuchadnezzar the king was astonished, and rose up in haste, and spake, and said unto his counsellors, Did not we cast three men bound into the midst of the fire? They answered and said unto the king, True, O king.

25 He answered and said, Lo, I see four men loose, walking in the midst of the fire, He said, "Didn't we just throw three in! How come I see FOUR?"

--- and they have no hurt; and the form of the fourth is like the Son of God

Hallelujah! Come on! You've got to give God some praise for that! (*Applause*) Oh! Not only did the executioners get burned to a crisp, but Shadrach, Meshach, and Abednego fell in and what did Nebuchadnezzar see? He saw a fourth man; he saw a fourth man! **A fourth man** was walking around in that fire protecting Shadrach, Meshach, and Abednego. And what did he say? He said, "*And the form of the fourth is like the Son of God!*"

That's Christophany, right there! That's the pre-incarnate God of Night, Jesus, coming and appearing in the furnace. That's the same Christ that put on North Korean flesh and became True Father. So, not only was Jesus in that furnace, but True Father was in that furnace protecting Shadrach, Meshach, and Abednego at the time of King Nebuchadnezzar!! This is Christophany! This is God of Night-God of Day! This is somebody who's come from the God of Night. He's impervious to the death of the fire furnace; he has the POWER and authority to protect these people. And guess what? When they saw him, they said, "*This is the Son of God.*"

See, that's another Christophany. So, we didn't only encounter Christ in Joshua right before the battle of Jericho. That's why Father said he comes from the God of Night, from the PRE-creation God. Here we see Christ appearing - "Son of God" means Christ - appearing in the fiery furnace at the time of Nebuchadnezzar!

See folks, we didn't know! This is what it means to know Christ. This is the person we know; he's not just a normal human being. You understand? He's not from the God of Day or after creation. Wow!

Now let's jump back to Genesis chapter 32 verse 24. This is the episode where Jacob wrestles the angel. Let's read it and see what happens.

Genesis chapter 32: 24- 30 **Jacob wrestles with God**

24 And Jacob was left alone; and there wrestled a man with him until the breaking of the day.

25 And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him.

Now, any of our young people who've done our training we make you do wrestling; we make you do Jiu- Jitsu, boxing, MMA. If you've never wrestled in your life, you simply don't understand; you have no idea. Wrestling is by far the most difficult sport you will ever do in your life, THE most! Soccer, tennis, badminton that's a joke. Golf? Are you kidding me! It's not even a sport. WRESTLING by far is the most difficult sport you will ever engage in in your life, especially if you train at a high level. You will want to die! Wrestling - combat too- are the most TIRESOME physical activities that you can possibly tackle. You are not fighting a little ball, you're not going against a tennis racket on the other

side of the fence; you are fighting a GROWN man or if you're a girl, you're finding a grown girl, who is just as strong as you, and when you're training, you're fighting with guys bigger than you.

And not only are they raking on your head and snapping you down and just RAVAGING you! I mean it's like Jiu-Jitsu. In Jiu-Jitsu if you come and use the dojo, you're going to get ravaged, especially for about the first two years. It's normal; it's just the way it is. Any fight in dojo is going to be about one year or two years of being ravaged. Wrestling is the same; wrestling is an actual fighting art. But it's so exhausting because you can't submit the guy, so there's no finishing. You're just going at it, going at it, going at it; just trying not to be pinned. It is so gruesomely tiring!

And it's not only that you have to use your lower body as power lifters do, but you have to use your whole upper body, and you're going against a guy that with full force is trying to defeat you, and you're trying to defeat him. So, it's a great training, it's absolutely excellent and this kind of training really makes boys into men. But the point is: it's so exhausting!

Some people explain, *"Oh, Jacob was wrestling with an angel, and his hip hopped down."* Give me a break! You've been living in air-conditioned room, you spoiled brat playing video games or watching women's porn all day! That's all you've been doing. You never ENCOUNTERED something physical like this! You have no idea! You get every manner of injury when you're wrestling! A hip is a joke; when you're wrestling you get neck injuries, shoulder injuries, leg injuries, hip injuries, spinal injuries. Come on! Talking about hip injury! Oh Lord!

So, Jacob is wrestling and of course Israel means "wrestling with God."

It's interesting because you're fighting so hard against each other, but guess what? There's like a tremendous bonding; you can't get that with any other people. Young people you're training together, so these training partners are so precious; it's so precious when can you train like that with people. You know what I mean? Sure, you get beat up if you're a beginner or something of that, but as you keep at it, you're going to get better and you're going to do the beating up a little later; it doesn't stay like that the whole time even though it seems that way in the beginning.

But there's a tremendous bonding especially once you get used to that, once your equilibrium changes. Usually, people have such a very pathetically weak equilibrium; they want to give up at such a low equilibrium. But through hard training like that, what happens? Your equilibrium, what you get used to, your tolerance level, pain tolerance, tolerance to anxiety, all that kind of stuff, gets higher and higher and higher. So, your equilibrium gets higher and since now your equilibrium is higher, those weak things don't even bother you anymore. You're used to such a high level of pain tolerance and stress tolerance and you're able to handle heavy stress loads because you're training hard. Not only training hard like running hard. No! You're fighting hard; you're fighting somebody who's trying to kill you real hard, and you're learning and training.

It's very different from those personal sports where you have to push yourself. No! When you're fighting you have to push yourself on TOP of trying to stop a man that's trying to kill you. So, you got to do both those things; it's heavy, heavy, heavy load. But that's why through that kind of training

people transformed into completely different people. That's the power of wrestling, and Israel means "he who wrestles with God!" not in a bad way, but he wrestles with God.

25 And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him.

26 And he said, Let me go, for the day breaketh. And he said, I will not let thee go, except thou bless me.

27 And he said unto him, What is thy name? And he said, Jacob.

28 And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed.

29 And Jacob asked him, and said, Tell me, I pray thee, thy name. And he said, Wherefore is it that thou dost ask after my name? And he blessed him there.

30 And Jacob called the name of the place Peniel: for I have seen God face to face, and my life is preserved.

He said, "I've seen God." He didn't say, "I saw an angel." He didn't say he saw an angel; he said, "I have seen GOD face to face." So there again, there again! Who knew! Huh? There is Christ, **there is Jesus, there is True Father!** Bam! Right there **training up Jacob**, training him; getting him ready, **preparing him for Israel!** This is Christophany folks, this is Christophany! That's the exciting thing about Christophany; you see who Christ is. He's not just a person that walked the earth. No! He is what Father called the "God of Night"; before all creation, he was. Amen!

So, when you understand that, now you understand why the cosmic-level fall of the Han mother sets off some "minor" problems for the world; that makes a lot more sense right? It sets off quite a bit of trouble for the world when you are dealing with this man. When you're dealing with this figure and you betray him at that level of course you're going to have worldwide judgment. That's why we proclaimed that almost 10 years ago.

We proclaimed it while the world was going fine by the way! Let me just remind you that the world was going fine. Everybody was still going to shopping malls, nobody was preparing, nobody was buying canned food. Everybody who was preparing these were crazy people. Nobody was stacking up on guns and ammo; maybe some people were but not everybody. And we certainly didn't have 74% of the population believing that we were heading into a civil war and 33% of the population saying they believed that they would have to take up arms against their own government. We CERTAINLY did not have those polls 10 years ago! Is that a true statement? That's a true statement, right? Everybody was still going out, going to shopping malls and thinking it was going to be like this forever.

Meanwhile the Han mother was organizing committees to destroy Father's work, redact everything, throw out his Cheon Seong Gyeong, ban it and create her own! Are you kidding me? Do you know who this is? Hello! Do you know who this is? Do you know what you're doing? To whom you are doing this? "Hahaha Father's not here anymore. It's now 'Mother's reign!' He's gone!" This is what these

bozos were saying including the Han mother; she was saying that. Do you know WHOM you're dealing with?

Look, if Father's heir and successor, Cain and Abel, if we were wrong, we shouldn't be in this state right now in the world. If Father was not who he was, we should just be doing fine. It shouldn't matter what the Han mother did. And certainly, the prophecies of his heir should not come true if he's a fake, and if it really didn't matter because he was just some a billionaire. You see what I'm saying folks? But no! It does matter, it matters big time, and once you understand who Christ is, who Father was, the severity of the Han mother's crime now starts making sense, and why you see the world flip on its head within seven years. It just flipped upside down, and now we're facing a world war.

Root for humanity

But the point is here: we have to pray. Look we're facing a war time; now we are praying for world civil wars to disrupt the globalist cartel because war is coming. We don't want war; it's better not to have wars, but they're bringing them. So, if they're bringing them, all the nations have two choices:

- 1- International intercontinental thermonuclear war, or
- 2- Everybody in their countries resists the tyrannies and

Everybody spiritually prays for one another, and

Everybody roots for one another, and

Everybody celebrates one another in different countries when they stand up and risk their lives and they resisted tyranny.

There are only two options folks as we now enter this phase of war.

But especially we have to be proclaiming the complete break up of China; for China to have ALL sorts of chaos fall upon their encampments and their government. We need to be praying for China to start falling apart and for the brave Chinese to start standing up and start disrupting, in order not to allow the Chicom government to enter the world war with the nuclear buttons ready. Are you with me folks?

At the same time in America all the patriots have to be

RESISTING the Devil!

RESISTING the Devil!

RESISTING the Devil!

RESISTING the Devil!

Praying for everybody worldwide, ALL the PATRIOTS worldwide to stand up and stand strong at this critical time.

This is it folks, this is it! Nobody's running anywhere; everywhere it's turning into tyranny. If humanity does not win this battle, it's WORLDWIDE tyranny- worldwide. You understand what I'm saying folks? So, we have to root for humanity on this one. We have to root for humanity of every nation, every color, every ethnicity, to have the Holy Spirit touch their conscience and give them a supernatural bravery, a supernatural courage so that they can stand with fortitude amidst the fiery

darts of the enemy. And even **THOUGH** they are thrown in the fiery furnace like Shadrach, Meshach, and Abednego, that they will stand **STRONG** with the fourth man in that fire and **STAND** against the wickedness that is coming to this world. For what? God's Kingdom is coming and it is coming quickly. Hallelujah! (*Applause*)

Join us in prayer!

Pastor Sean's Prayer

Father God, we thank You for this beautiful day. We thank You all the things that You're doing. In this terrible time of tremendous chaos, we are studying Your nature; we're studying how **AMAZING YOU** are. We're studying Christophany, and seeing how You were active and alive in Daniel, in Joshua, and in Genesis. We see how You're alive and who You are, and we're so excited; we're so filled with **LIFE!**

We understand why the Han mother's sin has **CURSED** the world, but it has not stopped Your providence or Your Will, for even her failures cannot **STOP** the mightiness and glory of Your Kingdom that is coming.

You have **ESTABLISHED** victoriously Your kinship, Your lineage.

You have **ESTABLISHED** blessed families on this earth.

You have **ESTABLISHED** a Kingship and kings and queens of the Kingdom of God.

You have **ESTABLISHED** the Constitution upon this earth, and now all things are set in place at this epic moment on the global stage.

Now we stand at the crossroad, dear God, Father.

-One side is international **INTERCONTINENTAL** ballistic thermonuclear warfare where the political satanists will become richer and more powerful and rule the **ENTIRE** world with tyranny.

-At the same time there's another way: if free humanity and people in their hearts and conscience can be stimulated just by one touch of Your hand, dear Father, just one **TOUCH** of Your hand, one **WHISPER** of Your voice, a conscience that is dead can come **ALIVE** and be set ablaze with **FIRE**. And they may join the animating contest of **LIBERTY** to free their peoples from the clutches of Satan and to once again **RECEIVE** the blessings that You wish to **ENDOW** upon those nations. All the nations becoming part of the **KINGDOM** of God protected by the Constitution of freedom, liberty and responsibility for **ALL** humanity forevermore.

Father, we know that Your Kingdom is coming. At this critical time we know that Satan's kingdoms must **COLLAPSE**, so we know that we are in such an epic moment. We pray for **ALL** the patriots around the world. We pray for all the folks working hard for the Rod of Iron Freedom Festival coming up really soon, where all the microcosmos and macrocosm will come and touch one another and they will be united there.

We pray that ripples of tremendous Holy Ghost POWER will emanate from that place and spread to the rest of the world. We know that we are in Your hands standing with You on the battle lines and that we must be FILLED with
a supernatural COURAGE at this time,
a supernatural BRAVERY at this time,
a supernatural WISDOM at this time,
a supernatural BENEVOLENCE that is seeking JUSTICE at this time.

Father,

Let us be STRONG at this time, and

Let us have COURAGE at this time!

Let us not fear DEATH because we don't worship only LIFE; we worship the Life GIVER which is YOU. Hallelujah!

Father, we thank You we give You the praise, glory and honor with all the kinship lines gathered here today and we PRAISE Your name. In Your precious name. Amen! and Aju!

All right folks, let's all rise and let's giving Him the praise!
