I asked for strength. God gave me...

The Pharisees, who were lovers of money, heard all these things, and they ridiculed him. And he said to them, "You are those who justify yourselves before men, but God knows your hearts. For what is exalted among men is an abomination in the sight of God. Luke 16:14-15

What is true love? What is the difference between true love and any other kind? The most simple criterion of true love is that it is a giving love more than a receiving love.

God loves and enjoys true love, the kind of love which gives to others. Who initiated that love-man or God? It was God, because He was the parent and as the parent, He is the cause of love.

There is nothing wrong with wanting to be independent, since you have your own direction and goal to return to that first cause. As long as that is the motivation of your desire for independence, it is justifiable. It is all right to seek to be left alone in order to go back to your cause.

Leaves on the very top of a tree cannot grow unless they have an interaction with the lowest part of the root, which is their origin and cause. Likewise when men have give and take of true love with God, their cause, they grow and prosper without end.

Hello,

At the beginning of his sermon, Hyung Jin Nim urged us to support [Vets for Child Rescue](#) founded by ex-Navy Seal Craig Sawyer. Sawyer found that Arizona is the sex trafficking capital of the United States, which is now the sex trafficking center for the whole world. From the Principle teaching about the book of Genesis, we know that the 1st pedophile Lucifer groomed a naïve teenage Eve.

True Father spoke about the Peace Police Peace Militia as the decentralized model of dealing with threats to the community. The vast majority of veterans are good men who can use their training and skills to stop evil. Vets for Child Rescue works with law enforcement to expose and arrest sex traffickers. When they produced the Contraland documentary, Craig received threats not to include government officials who had been arrested, but he refused to take those out.

America has been on a slippery slope for decades, from promoting homosexuality, gay marriage, to now sexualizing children and transgender surgery. Now we see pre-teen girls and boys choosing to take powerful hormones that can destroy their future ability to have children.

Gender-confused teens are encouraged by medical professionals to chop off body parts, even without parental consent. The agenda is to normalize destruction of children by allowing them to make adult

decisions.

Many point to the fake Kinsey research funded by the Rockefeller Foundation, leading to the publication of the *Sexual Behavior of the Human Male* in 1948 and the *Sexual Behavior of the Human Female* in 1952. [Kinsey's fraudulent research](#) had a great impact to normalize sexual deviance and to change the laws regarding rape and other sex crimes throughout the nation.

If you want to "follow the science," realize that every one of your 3 trillion cells has either XX chromosomes which are shouting "you are a woman, woman, woman" or XY chromosomes shouting "you are a man, man, man!"

[You can't get a tattoo in the U.S. until you are 18](#), but [transgender advocates](#) promote "transgender affirming surgery" aka irreversible mutilation of body parts for gender-confused teenagers.

Everyone should agree with the statement "don't rape children!" but there are powerful individuals and groups which are facilitating "adult-child" sex, and the [sex trafficking of middle school age girls](#). God bless the righteous sheriffs and police who work to prosecute these crimes!

After True Father installed him as the top leader in Korea in 2008, he admitted to the 2nd Gen ministers that, even though he had kept his purity until marriage, and was Father's anointed heir, he was still a sinner, since there were times when he had been angry towards or was rebellious towards God, etc.

Stop boasting. Let us keep our eyes away from self and towards God. You know you sinned and rebelled against God. That realization frees you.

Veterans who had already acted in Hollywood were banned after they started to work with Craig Sawyer's [Vets for Child Rescue](#). Apparently, the Hollywood establishment finds it unforgivable to rescue children from sex trafficking.

Jesus attacked them as sons of Satan. (John 8:44) In today's society, Jesus would be labeled a "hate speech" preacher. Some pastors avoid saying anything that would offend our favorite sins, but God's word is meant to challenge us, give us a check to our behavior.

The federal grant system and nonprofit donation status can be dangerous because they normalize weaker forms of conservatism.

Why does Fox News have Bruce aka Kaitlin Jenner, a transgender "female," speak? This slowly normalizes the transgender agenda. They should invite [teenage girls who regret their transgender surgeries](#). They are lured in by medical "experts" to making lifelong changes.

We are optimistic, not because of man, but in God. Elie Wiesel said those in concentration camps who had unrealistic optimism about being freed were more likely to die when their hopes were not fulfilled. Like the Q psy-op that predicted an imminent military intervention to bring back Trump. It leads to demoralization.

Animal experiments show that they can be demoralized into inaction. The people who survived the concentration camps faced reality. "I may never get out of this place, but today I am going to find something to be grateful for, something to do that is positive."

CJ Thompson recommended [Dave Grossman's book, On Combat](#). Napoleon knew that the impact of the psychological state of troops was 3 times greater than their physical capabilities, that an army's effectiveness depends on morale than any other factor.

People in Christ have optimism in God's word. We can expect ups and downs in our efforts to restore constitutional government in America. We still have to fight. Even if there are no results, it is good for our soul.

He spoke about the meme: *I asked for love and God sent me troubled people to help. I asked for strength and God gave me difficulties to make me strong. I asked for wisdom and God gave me problems to solve. I asked for courage and God gave me dangers to overcome. I received nothing I wanted, I received everything I needed.*

Americans face a sobering, increasingly tyrannical reality, but a loving father would want us to do the right thing and stand up to evil. Satan wants us to be demoralized, but God wants us to take a step of faith. Our faith is not in men, but in God. There is nothing that He has not seen.

Even though we are in an existential battle, we don't fret about the future. We know from the Scriptures that God wins in the end. So let us become the people that God needs.

I asked for strength and God
gave me difficulties to make me strong.
I asked for wisdom and God
gave me problems to solve.
I asked for prosperity and God
gave me brawn and brains to work.
I asked for courage and God
gave me dangers to overcome.
I asked for patience and God
placed me in situations where I was forced to wait.
I asked for love and God
gave me troubled people to help.
I asked for favors and God
gave me opportunities.
I asked for everything so I could enjoy life.
Instead, He gave me life so I could enjoy everything.
I received nothing I wanted,
I received everything I needed.
