Remember Them

2023. 05. 28

Good morning, folks! Today, we are on the big Memorial Day Run that we only found out about a week ago. It's incredible because it's now the 23rd annual run held on Memorial Day weekend to remember the fallen heroes, the fallen soldiers. Those who made the ultimate sacrifice, died, shed their blood so that we and our children and grandchildren can live in a free country, even though that's eroding very quickly before us.

But the point is: on Memorial Day weekend we must remember the reason for this weekend. How important it is to remember the fallen soldiers who dedicated their lives and lost their lives - the most precious gift we have- fighting for the sake of our freedoms and the protection of the Constitution of the United States of America! So, we salute all those fallen soldiers and all the folks who have served in keeping this country safe; we tip our hats to you, and we salute you this weekend. We thank you from the bottom of our hearts and with all the folks that are watching we always remember you deep in our hearts.

The American Armed Forces liberated the Lord of the Second Advent

Why? Because we know here in Cheon Il Guk that True Father was freed by the American Forces; the American Armed Forces fighting for freedom on the Abel-type side. The Divine Principle separates very clearly the Abel-type side from the Cain-type side which is Communism. The Abel-type side leading the charge with the United States and freeing True Father from the Hungnam death camp; freeing Father from the two years and eight months of forced labor and imprisonment in the Hungnam death camp.

Before Father was freed by the American troops, a miracle took place in the prison. Father said *"Any of you who stays in my vicinity, you will not perish."* The bombs dropped, everything exploding, bombs going off everywhere, walls being blown out etc., and just as Father

prophesied, that small vicinity around Father was protected and they were all able to flee. That's how he got out of the Hungnam prison thanks to the American Armed Forces.

So, we salute the Abel-type side of God's Providence, those who stood up for LIBERTY and for the protection of God-given human rights. That is a great part of Father's history and Father's story of Providence. It can never be forgotten and it is now in the annals of ALL time, that America as the major superpower, played the critical Abel-type leadership role in freeing the Lord of the Second Advent when he was imprisoned in the Communist death camp.

Eventually Father made his way to Pyongyang and all the way down to Busan on foot through the mountains in the bitter Korean winter. We did the calculation and it was about 600 miles. This is something we'd like to remind the young people about, as they're preparing now for Colorado training. They'll be doing about 37 miles through the Colorado Rocky Mountain Wilderness, and they'll need to remember Father's course. I mean, walking 40 miles with a pack is nothing compared to 600 miles in a war-torn nation. At that time Korea was at the economic level of Nigeria, folks. Such a tremendous landscape!

By the way, Professor Kwon just sent us a book written in 2015 by a very famous Korean novelist; this novelist is like a Jack Carr of Korea and anything he writes turns into movies and TV programs, etc. In 2015 he wrote a book entitled *Reverend Sun Myung Moon, the Patriot*. Such an amazing book! He said that he got so much flack especially from the Evangelical world saying, "Why did you do this? He's a cult leader," all this kind of stuff. And he answered, "Look, if there's ANYBODY who's done more for Korea than Rev. Moon, if there's anybody, bring him and I'll write a book about him."

We've just discovered this book and we hope that Korean Sanctuary can get in contact with this brother. Of course, Han Hakja and the Family Fraud had no interest in this because they are interested in promoting her demonic heretical cult. We warned about this ten years ago, and of course that organization is totally crumbling and eating itself up as they betray themselves. There is no honor in a den of thieves!

The point is: on Memorial Day weekend it is so important for us to remember this history that is very intimately tied with the U.S Armed Forces and all the sacrifices that they made throughout the wars especially fighting Communism. These are DEEPLY intertwined with the life of Jesus Returned; this is absolutely critical. It's like if you looked back two thousand years at the time of the New Testament and you saw Simon who helped Jesus walk with the cross. He is remembered for ALL time - you understand? - for all time and eternity as being the man that stood with Christ to help him hold the cross and carry that burden.

Think about that! America was the leader of the Abel-type nations on GOD's side and played a PIVOTAL role in the Providence of Jesus Returned! So, you think about how unbelievable that is! That's incredible biblical-level stuff. That's why the American soldiers that gave their lives particularly to fight socialism, Communism, political satanism are part of the history of the Completed Testament era. They are part of the history that will for EVER be remembered when

the future Kingdom of God is established in the whole world; as the PIVOTAL, pivotal Abel-type leader nation, superpower that aided, served and even liberated Jesus Returned at his coming.

So, it's an incredible weekend, folks! It's not just that one layer of patriotic Americana sort of Memorial Day. No, for us as Moonies, as Unificationists, as those who know True Father and know Divine Principle and the Providence of Restoration, we know that this is much larger than just national patriotism. This is deeply intertwined with the battle between God's system of government or His Kingdom which is the kingdom that protects natural law and protects our human rights, and the kingdom of Satan which is led and held by socialism, Communism and political Satanism which is now at a tremendously growing stage here in the States.

So, it is a very tense time! This is a time indeed when we are experiencing great tribulations and the growing of rumors of war all around the world. We're now in World War III with Russia; the U.S and Ukraine having bombed the Kremlin building which is literally the White House of Russia. It's unbelievable, folks! <https://www.cbsnews.com/news/russia-ukraine-kremlin-attack-drone-moscow-blames-us-and-retaliates/>

Can you imagine if the U.S White House was bombed with a drone that blew up the American flag on the White House? I mean, give me a BREAK! This is so ridiculous! And this is after two or three years of RAVAGING and raping of the human population of the world with the corona China virus made in a biolab; totally weaponized coercive totalitarianism that we saw unleashed on the world. This is TOTAL human rights raping! In the last couple of years, we have endured an AWAKENING at an unprecedented scale.

The Book of Job 32-38

There's a reason for that and that's why in Scripture today we're in Job chapter 32 through 38. It's an incredible section of the Book of Job! Just a brief reminder of the Book of Job: God allows Satan to test the righteousness of Job, so, Satan is going after him. He got boils all over the body and his boils are so bad! Three friends came to be with him, but notice what the Scripture says: that when they first came to see him, they were so shocked at the level of boils, and of bodily fluids pouring out of these nasty wounds and boils, that they were silent for a week. They were so shocked just looking at him and the utter amount of suffering! We can't even imagine or endure.

Of course, he lost his wife and children as well so it's just UNBELIEVABLE suffering! And the friends are silent; they're shocked. For a week they're shocked, *"Oh my goodness! What the hell happened to you?"* They say, *"It's your fault; you did something wrong, etc."* They're kind of accusing him for the remainder of their dialogue.

The point is that from chapter 32 through 38 there is a character Elihu, and I'm going to ask you to turn to that if you've got your Bibles.

Job 32: 1-3

¹So these three men ceased to answer Job, because he was righteous in his own eyes.

²Then was kindled the wrath of Elihu the son of Barachel the Buzite, of the kindred of Ram: against Job was his wrath kindled, because he justified himself rather than God.

³Also against his three friends was his wrath kindled, because they had found no answer, and yet had condemned Job.

Elihu, the son of Barachel the Buzite, he's been watching his friends questioning Job and saying, "You've done something wrong; that's why. God would not do this to anybody who's righteous etc." And Job is answering, "NO! I'm righteous. I am righteous before God. I have not done anything wrong." Elihu comes and now he wants to speak. And he has actually six chapters of speaking; he's a young man and he speaks for six chapters of the Bible! Can you believe it? It's freaking incredible!

Anyway, he speaks for SIX chapters. All of chapter 32 he is literally saying, "Okay I've waited for you to speak. You're the elders and I've waited for you to speak." And that's proper; in all ancient cultures that's proper. America and the West have lost that. Really the country's been lost because there's no vertical tradition; there's no RESPECT, that sign of respect is already gone. A lot of the people who live in the West, a lot of the ethnic minority communities have a very strong tradition, whether they're Latino, Asians, Blacks etc., and I always say conservative white folks, Caucasian families as well have a very strong tradition, that if he is older, he's wiser. He's been around the block a couple of times; that's a more colloquial way of putting it. But he knows more than you, so as a young child you should wait and you should listen. That's the kind of culture that the ancient Middle East had as well.

So, in chapter 32 he's literally saying, "I've waited all this time and now I'm going to speak." For 22 verses he's literally saying, "I've waited all this time and now I'm going to speak. I've waited and now I want to speak. I want to say something." Then his discourse begins.

Job 33: 2-3 & 13-14

¹Wherefore, Job, I pray thee, hear my speeches, and hearken to all my words.

²Behold, now I have opened my mouth, my tongue hath spoken in my mouth.

³My words shall be of the uprightness of my heart: and my lips shall utter knowledge clearly.

He's a young man and now he's talking to all these wise older men.

¹³Why dost thou strive against him? for he giveth not account of any of his matters.

¹⁴For God speaketh once, yea twice, yet man perceiveth it not.

So, he's going on and on now, saying, "Hey, Job, God has reasons for what He does. You may think you are all righteous but God has reasons; He's not going to do things without a righteous cause." He goes on and on about this as well in chapters 34, 35, 36, 37. In six chapters of the Bible, this

young man is able to speak and basically say the same thing over and over again; basically, reiterating that, "Job, God does not do this unrighteously."

Then from chapter 38 that's when Jehovah God starts talking to Job.

Job 38: 1-11

1 Then the Lord answered Job out of the whirlwind, and said,

2 Who is this that darkeneth counsel by words without knowledge?

3 Gird up now thy loins like a man; for I will demand of thee, and answer thou me.

4 Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.

God is now asking those questions:

5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?

6 Whereupon are the foundations thereof fastened? or who laid the corner stone thereof;

7 When the morning stars sang together, and all the sons of God shouted for joy?

8 Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb?

I hear another rain pitter-pattering now coming in as we're talking about the Creator of the universe! This is a very dramatic rebuttal; the rain is pitter-pattering. It may get a little louder so, forgive. I cannot control the rain. Lord, we acknowledge You as we're reading this chapter as You pour down the rain!

9 When I made the cloud the garment thereof, and thick darkness a swaddling band for it,

10 And brake up for it my decreed place, and set bars and doors,

11 And said, Hitherto shalt thou come, but no further: and here shall thy proud waves be stayed?

Now God is asking, "Where were you when I created this universe? Where were you when I laid it out, measured it all out, did the mathematical equations, when I did the Fibonacci Sequence and the Golden Mean and ALL that stuff? When we initiated something from nothing, where were you?"

An incredible fine-tuned apologetics argument comes right in here. I don't have enough time now, but it's just unbelievable. From the rate at which the universe was expanding to the measurements of time and space, etc., and God is asking, "Where were you when I made all these things?" He's talking about creating the earth and the mountains and the seas etc. He's reminding Job, "Who is the One that holds the universe in His hands? WHO is the One?"

I saw this wonderful meme that showed on the left side a picture of God as a huge muscular knight with all this awesome armor and that sword, and Satan as this big evil character with a black armor fighting. On the one side it says, "God and Satan are fighting." And it says, "How do people think it's going on?" And on the other side it has Satan way small and God's humongous.

And God is not even a knight; that knight is like an angel. So, the angel is way above the sea, bigger than Satan. Then on the other side of the main page above the angel is a huge light in the sky, which is God, and it says "How it's really going."

Many times, we forget the context; we forget whom we are dealing with. We're not just dealing with a supernatural being like an angel or a demon or a fallen angel or a good angel. By the way, they are very scary when they're described in the Bible and of course in the computer AI graphics of the angels that we included in the song *Cast Down*.

<https://rumble.com/v2qzcdc-king-bullethead-cast-down-official-music-video.html>

Now shout out to all the folks that like, share, subscribe and comment on the songs, the praise rap videos and the sermons. In that video *Cast Down* we used AI generated images of the

biblical descriptions of angels, and you'll see them with all their huge eyes and wings. In Ezekiel they're like rotating wheels; wheels within wheels are rotating and they're all covered in eyes. The angels see it all if they're God's messengers. The Bible describes angels as these incredible supernatural beings, not these little cherubs, these wimpy little babies with like tiny

wings and a little Cupid's arrow. NO!

That was the description of Hermes and the different gods and angels of love that Aphrodite would use and all the different Cupids that were in Greek mythology; those were imbibed by the Catholic Church in some paintings. But that's NOT the actual biblical description of angels. They're very scary beings; for example, the vision of God's throne in John's Revelation is extremely frightening. There are giant angels, their eyes all over their wings and they got different heads of animals. They're scary beings. They're not cute little babies flying around with little heart arrows; they're very scary supernatural beings.

But we're not even talking about those types of incredible supernatural beings, those incredible types of angels. We're talking about God, the CREATOR of it all, of ALL of that; the Master of it all, the Master of ALL the spirit world, ALL the physical world. We're talking about Jehovah-Jireh, Jehovah God, Almighty God.

This is the context that Elihu is trying to remind Job about, because Job's getting to the point where he's not necessarily accusing God and he never curses God, but he does say that he's being unrighteously judged because he did no wrong; he had no unrighteousness in his life.

But the point is: we're not talking about angels. We're talking about Jehovah-Jireh, the Creator of the universe, the architect of it all, HE who made the heavens and the earth! Unbelievable!

Insanity in America

This is something we must remember when our country is collapsing, when socialism is creeping through and communism is in the open, and when now the majority of young kids are identifying with and thinking that socialism is good and with LGBTQ and pedos and “pride month” coming up. Can you believe what a SHAME and DISGRACE this country has become, folks? We have ONE day for Memorial Day, one day for fallen HEROES, ONE day for those who BLED and DIED, BLED out to DIE for this country! And we got THIRTY days, a full month, for PERVERTS who dress in women's lingerie, tuck in their tidbits and want to read NAKED in front of kids, GYRATE and touch them! You've got to be crazy, folks? It's total insanity we are living in! It's UNBELIEVABLE!

But again, folks EVEN in all that craziness Target is being punished, Bud Light had a nine-billion-dollar loss the first week, I think it's now at a 15.9-billion-dollar loss. Target's the same way; BILLIONS of dollars of loss! <https://nypost.com/2023/05/25/target-loses-8b-in-week-since-boycott-calls-over-pride-collection/>

Let's give it up for the conservative women! (*Applause*) It's not the men shopping at Target; it's the women that punished Target this time. They had record lows because conservative women said, “*You are not going to openly groom my kids!*” They're waking up now, folks. All this CRAZINESS is happening, we're living in CLOWN land and CLOWN world where sanity is a very rare commodity at this point.

But we are dealing with Jehovah-Jireh, GOD ALMIGHTY, HE who resurrected Christ from the grave! Power and mercy. You understand? HE who rules the Heavens and the earth. Power, power, power, power! We're dealing with so much power! We have to keep this in context as all this craziness unfolds. GOD allowed Job to suffer even though he thought he was righteous; America too always thought she was righteous, even though we're heading down a very slippery slope.

You remember when the gays were about, “*Oh, we just want to get married like everybody else!*” But now they freaking want to do open pedophilia, saying, “*Love has no AGE now!*” and openly coming out saying that now pedophilia is normal and it is a human RIGHT. The UN as well is coming out with that kind of insanity, saying, “*NO AGE constraints! Love is BOUNDLESS, without age.*” Which means the PEDOS are able to hunt the children OPENLY and “legally.” <https://www.citizensjournal.net/new-un-backed-legal-recommendations-normalize-sex-with-minors-outraged-critics-say/>

This is the kind of culture where the grooming has gone to the point where now even normal conservative women -not only the men who could feel it coming- but now even the WOMEN, especially the conservative Mama Bears, they're starting to say, “*Wait a minute! This is too much! This is too much! My husband's not crazy talking about this stuff. He's not crazy anymore; I'm now starting to see with my own eyes. I'm going to Target and now I see the open grooming of little CHILDREN with these crazy Pride displays EVERYWHERE!*”

Unbelievable! Tuck-in little bathing suits where boys are being ENCOURAGED to dress as girls and tuck in their tidbits and say that they're a girl and pretend and absolve themselves of ALL reality; which is going to harm them, make them mentally ill and prepare them TERRIBLY for the real world that will make you FACE reality. And of course, that's why we have the terrible situations with those who do the "gender mutilation" and all this kind of stuff; the terrible after effects of that is of course so PAINFUL! Young kids realize at 16 years old, *"Well, maybe I didn't have the whereabouts; maybe I didn't make the right decision at 14-YEARS old!"*

It's like that incredible piece done by Turning Point USA where that girl comes up to the guy at the counter saying,

* *"Oh sir, I'd like to buy a beer."* He asks,

-*"Well how old are you, little girl?"*

* *I am 12.*

-*You can't buy a beer here; you're only 12 years old!*

* *Why not? Then I want some cigarettes.*

-*You can't buy any cigarettes, girl; you're 12 years old!*

* *Well then, I want to buy a lighter!*

-*Well, in this state you can't buy a lighter if you're 12 years old.*

* *I want to buy wine, Chardonnay; I want to buy some vodka.*

- *NO! You are 12 years old, child!*

* *Well, how about, I want to drive a car, I want to buy a motorcycle. Give me that gun over there. I want to buy it.*

-*NO! You are 12 YEARS OLD, child! You can't buy any gun; you can't buy any of this stuff either. Go back to your mom!"*

And then the girl said:

* *"Well, you know, how about if I get an irreversible genital mutilation surgery?"*

- *Oh welcome! Come on in!"*

The same dude pulls out a hacksaw, *"Come on IN!"*

You understand how Looney Tunes this is, folks? This is CLOWN land that we're living in? A CHILD can't even get a tattoo, a CHILD can't even buy a beer, a CHILD can't even buy a cigarette and smoke, a CHILD can't buy any drugs, or a gun or can't drive a car etc.... But they can choose to CHOP off their genitals or go on IRREVERSIBLE hormone therapy with the medicines that they give for chemical castration on actual PEDOS. And little children can decide to go on this without parental consent? INSANITY!

But folks, it's getting SO bad! It's like Job getting the boils! America's getting boils; we get boils all over. We're looking NASTY, folks; we're looking weak and nasty to all our enemies. They say we are weak, they say we are limp, they see we are placid; they say we are down-trodden and beat down, AND we have no leadership, AND we failed in Afghanistan, AND World War III started, AND our gas prices have soared AND the cost of living is skyrocketing, AND inflation is soaring. But all those things aside, World War III moving on the horizon, another

pandemic coming our way; all this crap aside, we are FADING in front of the world. We have boils all over our body. People are shocked, and of course they have reasons to be.

To Wake Up the Remnant

But we have to remember why God allows that. Why is He allowing this to happen? What is that doing? It's waking up the remnant. Now people cannot deny how CRAZY these commies will GO; how CRAZY the new LGBTQ neo-pagan sex cult will GO. They're not interested in adult consent; they're interested in consent with your CHILD, and that's what's coming out as they push their agenda forward and become more and more BOLD and now trying to get rid of age.

Seven years ago, we explained why transgenderism is the step towards pedophilia, because it gives children the legal right, adult decision-making power to undergo chemical castration or genital mutilation surgery which has IRREVERSIBLE effects for their ENTIRE LIFE! And if children can make those type of adult decisions, SURELY, they can make other adult decisions. That's the LEGAL argument. Of course, the UN is not openly pushing that, but that's what it is all about. Why? Because we know from the Divine Principle that Satan is the first PEDOPHILE; he's the first child grooming, the first RAPIST and he's the one that destroyed the FAMILY of God.

That's why the blessing is so critical; that's why strong husband and wife is so CRITICAL. That's why an anointed marriage blessed by Christ STRONG and training together to love and respect, to give and receive is so critical. That POWER of actualizing in our life and training and becoming higher level as we go, and then training with our kids and making them higher level too and being a strong family spiritual tactical unit is FUNDAMENTAL to the Kingdom of God, FUNDAMENTAL to a stable family, FUNDAMENTAL to the Peace Police-Peace Militia. Because in the Kingdom of God as you now know, it's illegal for the federal government to have a military. No centralized government, no centralized police, no centralized military! The PEOPLE are the Peace Police and Peace Militia. Everybody is part of loving God and loving one another, protecting your neighbor.

It's an incredible time folk, it's an INCREDIBLE, incredible time. Oh, it's so painful sometimes you see the heights at which these perverts, sex-cult addicts and all these demonic socialist communists political satanists are pushing. BUT they're revealing themselves as they go harder and that's what's happening. They're now getting hit economically like Bud Light, hit economically like Target.

Now the people are trying to unite them saying, *"Hey, if you drink Bud Light, you may go shopping at Target to get one of the bathing suits."* (Laughing) Obviously, it's becoming a colloquial understanding. People are getting awakened, and they understand that these things are happening and we have to punish them by not supporting that type of lunacy and neopagan

sex PERVERSION. Really, it's pedo perversion coming after our children, grooming our children, normalizing these thoughts and ideas in their mind, so that they feel confused, they get gender dysphoria, they get the idea that they can become God and change their gender, which they can't.

They can NEVER do it, even if they do all of that stuff: chemical castration, chopping off their genitals or their breasts, chopping off all these things and trying to mutilate themselves to become something else. Oh my gosh! Some of the pictures from this 3D animation where they do the gender reassignment on male sexual organs! It's CRAZY! Literally mutilating stuff and slicing up, cutting the banana in half! It's TERRIBLE! Just to watch it is utter nightmarish, Stephen King level HORROR fiction, a true horror movie!

But the fact that these kinds of things are happening is only AWAKENING the people, folks. It is so painful, but at the same time it's also inspiring because people are starting to wake up; people are starting to wake up. God is moving the Abel-type Christian REALM, and the combat veterans and gun owners and all those who are being targeted BY the Beast, BY the political satanist Beast, BY socialism, Communism, political Satanism and international globalism.

ALL these things are now targeting what? The American Christian gun owner heterosexual male. And out of all those groups, that's now the final group to be genocided before they get worldwide international Communism, international globalism, political Satanism worldwide which is basically HELL on earth. But the only thing that STANDS in their way IS THAT demographic and God is AWAKENING that demographic. He is making them BRAVE again; He's making them BELIEVE in Him again; He is making them MORAL again.

Now the neocons can't lie about stuff as much because people have become awake to even the fact that the neocons are part of the democratic apparatus; they are PART of the leftist agenda. They're just playing Pulp Fiction WrestleMania fake stuff, fighting as if they were against them, but they're going and having Champagne at cocktail parties together at the end of the day. They're part of the same cabal. People are waking up to that; they're waking up to the fact that Washington DC is TOTALLY corrupt.

That's why of course the neocons are being split. Basically, the "neo-conservatives" are just the Democrats of ten years ago. They're literally supporting and promoting LGBTQ when even ten years ago the Democrats did not support gay marriage, including Joe Biden; we heard it from their own donkey's mouth.

But the point is: the current day Republicans have become the Democrats of just ten years ago; they're literally the progressive liberals of ten years ago. They're not conservatives anymore; they're INCLUDING LGBTQ and all this stuff into the conservative party, thinking that's going to conserve WHAT? That's not going to conserve anything; they're not standing up against anything that's not part of the conservative movement, which even the Democrats did ten years ago. So, they're even more extreme than the Democrats ten years ago.

The point is: people are starting to WAKE up to this fact; they're waking up to the fact that it's only a small portion of the LGBT that's standing out against this crap. The vast majority is staying silent or SUPPORTING it. So obviously what is being supported is giving children LEGAL rights to make legal adult decisions at five years old without parental consent. The state can circumvent their parents, making these TERRIBLE decisions, which of course children will regret.

Have you ever made a decision at 6 years old that you regretted? Uh? Yes, you did. Have you made any decision at 12 or 16, 17, 18 that you regretted? Of COURSE! That's why everybody knows you are still a CHILD! You don't have a fully-developed BRAIN; you don't have a fully developed neocortex yet; you don't have fully developed long-term future making skills in your brain. You have no experience... *(Video cut) ...*

Pastor Sean's Reporting Prayer after the Smoky Mountain Memorial Day Bike Run

Father, we thank You for this Memorial Day ride in the rain today. Father, on this Memorial Day, we remember Your providential path and walk and how the American Forces brought Your liberation from the Hungnam death camp.

We want to honor all the fallen heroes on this Memorial Day weekend. We want to thank You for preparing this incredible Smoky Mountain Memorial Day Run 22 years in advance, which ends right here at Cheongpyeong Mountain. Unbelievable! It cannot be done by the hand of man but purely by the hand of God.

We thank You so much for what You are doing and for all the Abel-type Christian realm, patriots, gun owners and vets who came today. We thank You for all the new networks and relationships that we have made. We thank You for next year when we can bless this event and connect it with the Rod of Iron Freedom Festival here in Tennessee. We thank You so much, Father, for all the things that You have been doing even though we don't notice it.

We want to give You the praise, glory and honor with all the kingship lines gathered here today with Your Three Kingship. Amen! Aju!
