### Obey God, Reject Satan

2023. 09. 17- TN

That's a funny picture. Uncle Trump, he's better than Uncle Sam. Let's put it that way. Uncle Sam is evil, wicked. Uncle Sam wants to kill you. Uncle Trump wants to at least stand with us against Uncle Sam. You got some bad uncles, and you got some good uncles. Oh Lord have mercy!

..... Okay, anyway, those are some great announcements. So, please pray for Black Rambo and all those people, that God may use folks like this to spread the Cheon Il Guk culture, the Rod of Iron Kingdom culture, and to let people be awakened into human rights and into understanding Cheon Il Guk, and the Kingdom of God Constitution. Amen! Please pray for those folks that are coming and all the wonderful guests we have coming this year. The Rod of Iron Freedom Festival is going to be crazy. It's going to be incredible. This year it's going to be very good. Let's get into the Word. We're in John chapter 1 today.

### 23<sup>rd</sup> of September 2017

Isn't that a beautiful background? It's incredible. A beautiful black background. As you all remember, Foundation Day was the day when the whole Christian prophetic world was prophesying about Revelation chapter 12.

*<sup>1</sup> And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:*

*<sup>2</sup> And she being with child cried, travailing in birth, and pained to be delivered.*

*<sup>3</sup> And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.*

Remember 9. 23.17? That was the date when they were using the NASA satellite systems to show the stars in alignment. This was the first time in over 5,000 years. This particular lineup of the stars happens once every 5,000 years. This was when we had the king planet Jupiter, the largest planet, in retrograde motion inside the only

female Roman calendar symbol which is the Virgo.

Was the Roman calendar alive during the time of Jesus or not? Yes, of course, right? The Roman horoscope was commonplace at the time of Jesus, and reading the stars was also commonplace. That's how the Three Magi came to see Jesus and bestow gifts. In the ancient world, the reading of stars was a critical thing, especially for navigation and also boat riding and sailing, all those kinds of things. The birth of Jesus took place at a very important astrological time.

The point is: we had this incredible thing happening. There was retrograde motion of the king planet Jupiter; for nine-and-a-half months it stayed within Virgo's stomach. That planet, which is the king planet, was in retrograde motion within her. Remember that whole NASA simulation that I showed you at that time? I was playing the videos and you can actually see it through one whole year. We went through every day. It sped up but you can actually see the planet rotate inside and it just kind of stays in there for nine-and-a-half months, which is about the time of gestation for a baby, right? The Jupiter king planet is in there, and you see this incredible sign from heaven that is talked about in Revelation chapter 12.

*1 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:*

*2 And she being with child cried, travailing in birth, and pained to be delivered*

See? *A wonder in heaven*. That's another astrological sign. John is on the island of Patmos at the time of the Roman period when the Roman horoscopes still exist; they are the main astrological system of the day.

*1 And there appeared a great wonder in heaven; a woman clothed with the sun,*

On this day, 09. 23. 17, the Jupiter king planet is born. On the very same day, *a woman clothed with the sun*, the sun is right at her shoulder clothing her. It's clothing the Virgo constellation.

*and the moon under her feet*. The moon is right here at her feet. This is on the day. On this very day, September 09. 23. 17., the sun is clothing her, the moon is at her feet. The baby is being born.

*and upon her head a crown of twelve stars*. Look at this. Leo usually has nine stars here right above her head. Leo is the lion also symbolizing the Lion of Judah. Leo is the lion

constellation and in that constellation are usually nine stars, but on that very day when the sun is clothing her and the moon is at her feet, the very same day Venus, Mars and Mercury are right inside Leo above her. So, they're crowning her with twelve stars.

Remember this? This was 09. 23. 17 and all these Christian prophetic teachers were saying, "Oh my gosh! Jesus is coming back! Jesus is coming back. Something is going to be big in Jerusalem. Everybody's got to keep their eyes on Israel." This was big in the Christian prophetic world.

*<sup>1</sup> And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:*

*<sup>2</sup> And she being with child cried, travailing in birth, and pained to be delivered*

Then of course she gives birth to the Rod of Iron King. Remember this? This was the Cosmic Blessing of True Parents when we received a new True Mother because the old one had left her position and had failed. Han Hakja had failed her position.

This was the day, when upon the authority that Father invested in me as his heir and successor with the sole power to give the cosmic-level Blessing... I believe that in 1982, Father talked about the fact that the son would have to marry Father with the Blessing that he's given him. So that was a possibility that Father had already spoken of and declared into the atmosphere, in the case that Han Hakja might fail. Of course, she failed, declaring herself as God, an idolatrous, heretic blasphemy, and also saying that Father failed. Everybody knows that story.

This is the day when the new True Mother was officially inaugurated and coronated in the cosmic-level Blessing. This was the day. What day was it? Well, it was the day that the entire Christian world was prophesying that there would appear the sign of a woman.

*a great wonder in heaven; a woman clothed with the sun, and the moon*

She's wrapped in sun-moon. Isn't that interesting? She's wrapped in Sun Moon! AND a son through her is born, which then does what?

*<sup>5</sup> And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.*

This verse talks about the Rod of Iron King. So, isn't that interesting that it is after this Blessing that Father gives the revelation of the Rod of Iron Kingdom and from there the Rod of Iron Kingdom went forth.

Then remember? Just a couple of months later in February, we had the big Blessing that was seen across the entire world. They estimate that two to three billion people saw that Blessing which was the Rod of Iron Blessing with the crowns. Everybody was coronated and also had the Rod of Iron, the coat of arms, as kings. This went WORLDWIDE.

We were a tiny little thing in the woods. You remember this? We had lost everything. The entire foundation had been stolen; billions had been stolen by Han Hakja. We had nothing. We were in the middle of the woods. I had my bushcrafting channel; I was cooking steaks on fires. Then this happened and then BOOM! It exploded all across the world. And ever since then, the news has been chasing us around like lunatics, writing all kinds of articles, because they're so frightened of the Rod of Iron Kingdom.

The reality of an armed society being the most peaceful and safe to live in, is not only scientifically proven but the theological power of that too. Why? Because all centralized power, socialism, communism, political satanism, exist upon the matrix of disarming. So, this brings about the end of their totalitarian vision, their utopian nightmares; to them they are dreams but they are nightmares for the people of the world, for humanity.

All this happened on 9/23/2017. It's truly incredible because you could have never made up a time like that. But on the day when all the Christian world was waiting for something big to happen, it came and passed and nothing big in their eyes happened. But in the microcosmos, we all knew something BIG, big, happened. The position of the True Mother was reestablished on this day and under the perfection-level Blessing of True Parents, there was rebirth. So, we were all reborn into a new era.

And of course, right after that, the Rod of Iron Kingdom message, BAM! exploded onto the planet, and it became very, very controversial on the Left. But for those who have eyes to see and ears to hear, it is peace and it is joy that come through the Rod of Iron Kingdom.

So that is the incredible Foundation Day that was prophesied and was fulfilled on that day thanks to the unity of Cain and Abel. Cain and Abel did not betray Father; they maintained complete vertical and horizontal unity. Then, even though Han Hakja became the Harlot of Babylon, the True Mother position could be re-instated, re-found, and re-proclaimed through the victory of Kang Hyun Shil, our True Mother, who risked everything.

At the age of ninety, she went against her doctor's orders, went against those people trying to kidnap her and trying to stop her from flying to America and be with the Three Kingship- which was her desire. She was the only disciple of the early historical part of Father's ministry in that senior level group, that came. She proved to be the true disciple, the true lover of our True Father, who served him from the age of twenty-six all the way to ninety, becoming enthroned as the True Mother. What an amazing example (*Applause*) for ALL the women of ALL generations ahead, of what a true mother is and how she lives and sacrifices for Christ! That is the model of true womanhood! We are so blessed and grateful that she was victorious.

Of course, we didn't know the implications of the 9/23/17 event. But just look at it! That was literally happening in the cosmic sky. While we were in the middle of the woods in a little sanctuary, this was above our heads on that day. This craziness, this wonder in heaven was above our heads, and it was gestating for nine-and-a-half months by the way. Literally. Then of course the Rod of Iron Kingdom smashed onto earth right after that, becoming worldwide news within just a couple of months. Unbelievable, incredible miracles and of course phenomenal movement of the Holy Spirit. It's going to be a tremendous day.

Let's go to John chapter 1.

### **John Chapter 1**

Of course, everybody knows the Word section here. We're going to focus on John the Baptist a little bit. Let's read together:

*<sup>1</sup> In the beginning was the Word, and the Word was with God, and the Word was God.*

*<sup>2</sup> The same was in the beginning with God.*

*<sup>3</sup> All things were made by him; and without him was not any thing made that was made.*

*<sup>4</sup> In him was life; and the life was the light of men.*

*<sup>5</sup> And the light shineth in darkness; and the darkness comprehended it not.*

*<sup>6</sup> There was a man sent from God, whose name was John.*

*<sup>7</sup> The same came for a witness, to bear witness of the Light, that all men through him might believe.*

*<sup>8</sup> He was not that Light, but was sent to bear witness of that Light.*

*<sup>9</sup> That was the true Light, which lighteth every man that cometh into the world.*

*<sup>10</sup> He was in the world, and the world was made by him, and the world knew him not.*

*<sup>11</sup> He came unto his own, and his own received him not.*

*<sup>12</sup> But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:*

*<sup>13</sup> Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.*

*<sup>14</sup> And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.*

Now we all know this section; such an important powerful famous section of John chapter 1.

### **The God of Night & the God of Day**

Before Father started teaching the God of Night- God of Day theology,

<https://www.youtube.com/watch?v=xRjrYf5QDLU&t=3507s> we were used to the Principle teaching that the Messiah was a man and he was anointed by God. We were standing against Christianity who said, "No! Jesus the Son is one with the Father; He is God." And they would point to John chapter 1.

In a huge, huge rally in Korea, Father outlined the God of Night- God of Day theology. He said, *"I am from the God of Night. Everyone including - pointing to the Han Mother- everyone including Mother is from the God of Day, the God after creation."* There aren't two different Gods. The God of Night is the God before He created the entire universe. And Father said that He was from the God of Night and that He was with God from that time. Before then we saw Father as, *"He's the anointed Messiah; he's just a man and he has the special position of the Messiah"* as the Divine Principle says. But we didn't see that the Christ figure IS God, is one with God.

Then of course Father taught the Original Substance of Divine Principle to the entire world as well. He was clarifying that Adam was supposed to be the original substance of God or God's presence on earth. And again, he started teaching the God of Night theology as well as the Original Substance of Divine Principle. One of the big things of the Original Substance of Divine Principle is that Adam becomes the body or the original substance of God on earth and through Adam's body He can become one with Eve. This is a big part of the Original Substance of Divine Principle. True or not? You all heard it.

The whole idea that God is completely indwelling with Adam was a big part of the Original Substance of Divine Principle. Father taught that as well in the Hoon Dok Haes and in that big rally where he proclaimed that he was from the God of Night, and that he was ontologically different than any of us after the creation of the world. That is, he is with the Father; he is completely one with the Father from even before creation, so he holds a very special status. Now, this sounds very much like Christian theology; it sounds very much like Trinitarian theology and the notion that the Father and Son are of the same essence but different persons.

### **Han Hajka's Test**

The point is: Father clarified this at the end. He did it so that the Han Hakja's Harlot of Babylon's plan would be destroyed; it would be foiled. He understood obviously that everybody has free will. And this is the very important point: only by Father ascending, did the test arrive? What kind of test? The test for Han Hakja to choose either Christ, or money and power. Because when Father's on the earth she can always just live in his shadow and follow him; he chooses and she follows. Only when he leaves, now she is forced to make a 100% free will decision BY HER OWN WILL without Father being right there. You see? That's why Father chose the time that he would ascend, and he ascended.

Then the test comes. It can't actually come while Father is here in this reiteration of the test. This a cosmic level test, so Father has to NOT be there. He has to ascend in order that the test be revealed. Now the giant test is revealed, which is what? Will she choose True Father's lineage and kingship line which he erected? Will she be loyal to that? Will

she disappear? Will she practice *kenosis* i.e., the emptying of herself which Paul talks about in the New Testament? Will she *kenote* herself, practice *kenosis* and will she cling on to Christ and his will and his lineage and his kingship line? You see, that's the test.

Or will she BOAST about herself, exalt herself and be damned later? I told the Han Mother, *"If you exalt yourself, you will be humbled. Father will judge you."* Kook J-Hyung and I are the only ones who told her. Everybody was sicko fans just kissing her booty; they were helping her with the coup d'état to get rid of us so they could steal the money.

So, Father had to ascend at that time. Why? Because he had established his kingship line, he had established his line of succession, he had established his heir and successor. And he wrote by his own hand that anyone outside of that was what? A heretic and destroyer. That was by his own hand, and that included her, by the way. Who knew that he would be writing about her? Who knew that she would be the one who would actually be the biggest heretic and destroyer? We had no idea but Father in his inside knew this.

That's why he was teaching the Original Substance of Divine Principle of which its critical part is what? Adam's body is the substantial body of God. That's the critical part. And of course, Adam's seed then becomes God's seed. Do you understand? That is the critical part of OSDP. It's like the pillar of OSDP.

At the same time, Father was also teaching the God of Night and God of Day theology. Why? Because he knew it was highly possible that the Han mother would fail the tests that he must give her. In order for her to be at the perfection level she has to not be able to fall, basically. That doesn't mean there is no potentiality of falling but the person has become so close and one with God that falling doesn't even cross their mind. Do you understand? It doesn't cross their mind.

### **Normal for Sons to Honor their Father**

Everybody is saying, *"Oh my gosh! What you and Kook Jin Nim did was so amazing. Thank you for what you did."* When they tell me that, I always tell folks, *"Why? It should be normal for sons to honor their father who sacrificed everything for them. It should be normal; it shouldn't be weird, or like, 'Wow! That's an incredible accomplishment!' It should be normal."* Do you understand? That's completion level. We're not bragging or anything but for us, we can't even think about it. Of course, no, no; we're not going to stab him in the back. Hell no! This is like, *"Whaaat?"* It's just so insane to hear somebody propose that. It's so insane. It doesn't process. You understand.

So, is the possibility there for sin? Sure, we still have free will, but we are both at a stage of spiritual maturity through God leading us, that when they were trying to propose that, we were like, *"Whaaat? What are you talking about?"* It's as if they were speaking an

Himalayan language or something. What in the world are you smoking? You're speaking like orc language or freakin' Gandalf in the Hobbit or something. What are you talking about? What are you talking about just betraying him and stabbing him in the back and now pretending he's not the Messiah? For us, it doesn't even make any sense. You understand?

So, for us, it's not like something amazing, because for us, money or billions of dollars was never the purpose of serving Father. Kook J-Hyung served Father pro bono, running twenty-six of his companies with over ten billion dollars of assets. Kook J-Hyung ran them; he did it for nothing. Plus, he had to run his business in America to make money for himself and feed his family, since he didn't take anything. We served Father because we believed in who he is. So, for us it was like *"What are you talking about, the only begotten daughter crap, and then that Father failed?"* All that stuff which we told everybody.

We're the only ones who told everybody about it ten years ago. We told the truth. We didn't want to; it was heart-wrenching. We had been trying to get this settled for months and months and months, not in front of the public. But obviously it was not possible because she had decided to completely become one with Satan and to do what she has done. Now she has destroyed all the money that she had stolen, and that's what happens when you center your life on greed and power. You will be destroyed; You will not flourish. God is just. Amen!

You remember? We had nothing, nothing, nothing in the wilderness, and while we were in the wilderness with nothing, in the woods with the bears and the deer and the raccoons, and the squirrels singing the Cheon Il Guk Anthem, that's when the folks started coming back and people came back to Father's authority. On 9/23/2017 we were that small remnant, while all the prophetic teachers were proclaiming, *"Something big, big, big, big is happening."*

And above us in the celestial atmosphere in the actual constellation of the cosmos was that image; that image was floating above our head in reality. That means it's not an image; the planets were literally flying around like that on that very day. And after that victorious Cosmic Perfection-level Blessing, what happened? The Rod of Iron Kingdom

was given. And from then on, BOOM! it expanded to the rest of the world; the whole world began to see that.

The point was: Father was clarifying these things because he was going to give the final test to Han Hakja for her to become the completed-level mother. Now you remember? Before Father passed there was supposed to be the completion-level Blessing, but Father canceled it because obviously she was failing. She was acting very, very, very

irreverently etc., and she was saying the kind of crap that she says now. I knew about this, because I was with Father all the time, serving him in the last couple of years. So, I obviously saw the Han Mother doing this crap and acting like a fool; crazy, denying his lineage and saying... I've heard all that.

Now she's gone quite a bit of ways; she's gone even further than that in what she's professing, according to what I heard in the most recent days. etc. But of course, we know that all that is being destroyed. There's no victory there in the micro AND macro. None of her prophecies has been realized; all her prophecies have failed.

### **The Word Was Made Flesh**

The prophecies that Father's Cain & Abel and Three Kingship gave to the world ten years ago about the macro, those have come to pass, not hers. It's very clear where God was, even though we had nothing. And we had to act upon by faith; purely by faith. We couldn't buy any VVIPs to come to our events. We didn't have the billions of dollars at our access. You understand? We didn't have any other organization like the Washington Times, or whatever. Everything had to be done **BY FAITH**. Everything had to be done by relying on the move of Father and the Holy Spirit. Everything! And everybody saw who was a part of that.

So, Father gave this clarification because in the end we NEEDED that to say, *"No, Father is not just another one. He is the Messiah; he is not just another prophet or some kind of great teacher or great peace leader. NO! He's the anointed of Christ; he is the substantial BODY of God on the earth."*

So, when we look at John chapter 1 through the eyes of the Original Substance of Divine Principle and the God of Night theology, now we can see how powerful it is. *"**The Word was made flesh.**"* We had this incredible experience that we got to walk with God in the flesh in the world. We got to walk with God. So yes, Father's body and Jesus' Middle Eastern body, those are just bodies. At the time of the First and Second Advent, God's indwelling is fully there; fully in that body. Only the race and the skin color are different. But the God of creation is there; the Original Substance is there on earth. Then when we see this word now, it has so much power. We can understand, *"Wow! What kind of a position of tremendous grace we were in, walking with the Word when He was made flesh."* It has a totally different meaning when we get through that.

I just wanted to make that point. Now let's keep going.

### **John the Baptist**

*<sup>15</sup> John bare witness of him, and cried, saying, This was he of whom I spake, He that cometh after me is preferred before me: for he was before me.*

*<sup>16</sup> And of his fulness have all we received, and grace for grace.*

*17 For the law was given by Moses, but grace and truth came by Jesus Christ.*

*18 No man hath seen God at any time, the only begotten Son, which is in the bosom of the Father, he hath declared him.*

*19 And this is the record of John, when the Jews sent priests and Levites from Jerusalem to ask him, Who art thou?*

*20 And he confessed, and denied not; but confessed, I am not the Christ.*

*21 And they asked him, What then? Art thou Elias? And he saith, I am not. Art thou that prophet? And he answered, No.*

You all heard that okay? Did he say "I am Elijah?" or, "I'm not Elijah?" He said, "I am NOT"

*22 Then said they unto him, Who art thou? that we may give an answer to them that sent us. What sayest thou of thyself?*

*23 He said, I am the voice of one crying in the wilderness, Make straight the way of the Lord, as said the prophet Esaias.*

*24 And they which were sent were of the Pharisees.*

*25 And they asked him, and said unto him, Why baptizest thou then, if thou be not that Christ, nor Elias, neither that prophet?*

*26 John answered them, saying, I baptize with water: but there standeth one among you, whom ye know not;*

*27 He it is, who coming after me is preferred before me, whose shoe's latchet I am not worthy to unloose.*

*28 These things were done in Bethabara beyond Jordan, where John was baptizing.*

*29 The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world.*

*30 This is he of whom I said, After me cometh a man which is preferred before me: for he was before me.*

*31 And I knew him not: but that he should be made manifest to Israel, therefore am I come baptizing with water.<sup>32</sup> And John bare record, saying, I saw the Spirit descending from heaven like a dove, and it abode upon him.*

*33 And I knew him not: but he that sent me to baptize with water, the same said unto me, Upon whom thou shalt see the Spirit descending, and remaining on him, the same is he which baptizeth with the Holy Ghost.*

*34 And I saw, and bare record that this is the Son of God.*

*35 Again the next day after John stood, and two of his disciples;*

*36 And looking upon Jesus as he walked, he saith, Behold the Lamb of God!*

*37 And the two disciples heard him speak, and they followed Jesus*

Did you see that? Look how powerful John's influence was! He just said, "That is the Lamb of God." BAM! The people are following him. BOOM! Two of them went immediately. They immediately went and they followed the Lord.

*38 Then Jesus turned, and saw them following, and saith unto them, What seek ye? They said unto him, Rabbi, (which is to say, being interpreted, Master,) where dwellest thou?*

*39 He saith unto them, Come and see. They came and saw where he dwelt, and abode with him that day: for it was about the tenth hour.*

*40 One of the two which heard John speak, and followed him, was Andrew, Simon Peter's brother.*

*41 He first findeth his own brother Simon, and saith unto him, We have found the Messias, which is, being interpreted, the Christ.*

*42 And he brought him to Jesus. And when Jesus beheld him, he said, Thou art Simon the son of Jona: thou shalt be called Cephas, which is by interpretation, A stone.*

We see Andrew and Peter becoming disciples. You see the power of John the Baptist at the time. John said, *"That is the Lamb of God."* BOOM! People are following immediately. John the Baptist; he's like the Dalai Lama of the age. He's like this rabbi in Jerusalem. All the Jews are kind of saying, *"This guy is a holy man. He's memorized all the Hebrew Bible etc. So, this guy is the messiah."* It's like that kind of power. Can you imagine anybody like that with that level of influence? I mean he's a superstar. What should John the Baptist have said? *"This is the Lamb of God. Follow Jesus Christ! Protect him, Israel! Protect your Father and the Son whom God has sent!"*

Imagine if John of the Baptist did that? Oh my gosh! Can you imagine? All the normal folks who deeply revered John the Baptist would follow Jesus. And imagine if he stood there next to Jesus and he proclaimed that constantly using his platform, his ancient world Instagram Facebook Twitter platform, to let everybody know, *"You got to follow this guy. I've seen the dove abide on his head. You got to follow this man; he is the Lamb of God that will take away the sins of the world. You've got to follow this man!"* Can you imagine if he did that? It would be huge. It would have a massive, massive, influence on the society. John was seen as a holy man; he was directly communicating with God. All the Jewish people saw him as an incredible holy man. He's a huge, huge holy man, like the top apex, greatest holy man. Can you imagine if he started proclaiming, hard and strong? He's going to get killed anyway. Imagine if he was doing that wherever he went? It would be unbelievable. The whole nation would come to the defense of Jesus.

### **Matthew Chapter 11: 7-14**

We all just read John chapter 1. Now let's jump to Matthew chapter 11 from verse 7. Jesus is talking about John the Baptist. What does he say?

*7 And as they departed, Jesus began to say unto the multitudes concerning John, What went ye out into the wilderness to see? A reed shaken with the wind?*

*8 But what went ye out for to see? A man clothed in soft raiment? behold, they that wear soft clothing are in kings' houses.*

*9 But what went ye out for to see? A prophet? yea, I say unto you, and more than a prophet.*

*<sup>10</sup> For this is he, of whom it is written, Behold, I send my messenger before thy face, which shall prepare thy way before thee.*

*<sup>11</sup> Verily I say unto you, Among them that are born of women there hath not risen a greater than John the Baptist: notwithstanding he that is least in the kingdom of heaven is greater than he.*

So, in the kingdom, he that is least is greater than John.

*<sup>12</sup> And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.*

*<sup>13</sup> For all the prophets and the law prophesied until John.*

*<sup>14</sup> And if ye will receive it, this is Elias, which was for to come.*

*<sup>15</sup> He that hath ears to hear, let him hear.*

Did you hear that? Jesus said that John the Baptist was Elijah; he said that he was Elijah. We just read John chapter 1. What did John the Baptist say in John chapter 1? When the Pharisees came and asked him, "Are you Elijah?" what did he say?

*<sup>21</sup> And they asked him, What then? Art thou Elias? And he saith, I am not. Art thou that prophet? And he answered, No. He answered, "No, I am not."*

Many Christian denominations are confused on the light shed by the revelation of the Divine Principle that shows that John the Baptist could have stood up for Jesus and use his platform. He could have stood in the position that Jesus called him to be in; he could have admitted it and of course he would have brought the entire nation to Jesus. But because he was quiet about it and he said it here and there interspersed in-between a couple of disciples, yes those disciples went to Christ but it didn't have the impact of his influence system.

It's like if the Dalai Lama got a revelation from Heaven right now, that he had to follow the Three Kingship. And he came with a couple of his guys behind the scenes and said, "Hey, I got some revelation from Heaven that you got to go follow the Moonies over there." Then this couple of them came. But imagine if he put that into the atmosphere using his entire platform and said, "I have received a message from God and I now proclaim Reverend Moon as the Lord of the Second Advent, Messiah and Maitreya Buddha." Can you imagine if he did that? I'm not saying in private to just a few people, but if he actually used his platform of influence, you would have millions of people coming towards True Father and True Father's lineage. You would have millions; millions would be coming. They wouldn't all come, of course; there's not a hundred percent retention. But there would be millions that were not looking towards True Father's Three Kingship and now would be looking. That is the type of power that God had built up in John the Baptist.

In traditional Christian theology, they're just mostly praising John the Baptist. "John the Baptist was so faithful. Look at him he was so faithful; he's so amazing. Look at that incredible faith, look at his humility. He said Jesus will increase and I will decrease. He's so humble." NO!

He's NOT! He didn't use his platform. He got corrupted by fear. But in the end, it didn't pay off because he got killed; in the end he got beheaded.

John the Baptist could have used his giant platform to make the entire nation of Israel go follow Jesus because the entire nation respected him as a holy man. He was the saint of history. He could have used that platform in a massive way saying, *"Jesus, the carpenter of Nazareth, he is the One. We must follow him. We must make him KING!"* Oh my gosh. Can you imagine that? And this was at the end of the collapse of the Roman Empire.

Remember, everything was collapsing now. So, this was the perfect time for John the Baptist to say, *"No, this is our King. This is the King, the Messiah. This is the King."* Wow! Oh my gosh. It would have been a completely different history; the entire nation would have come to support him.

I mean you think the Trump MAGA revolution is big? Oh my gosh! Can you imagine if John the Baptist had led a Jewish revolution to support Jesus as King? Oh my gosh! That would have rocked the ancient world. And the same Jesus we know that is the body of God would be in the position to now inherit the entire national foundation for the Messiah and the Kingdom of Israel. And further the kingdom of Rome since Rome was collapsing at that time.

### **You Have to Sit in that Seat**

The point is: when God gives you a position, it's normal for people who are reflective and generally humble to say, *"Oh my gosh, I'm not worthy of that, God. I really can't accept that position."* That's quite normal. I did it; I'm guilty of that too. When Father crowned me as his heir and successor and said, *"Anybody outside of Moon Hyung Jin is a heretic and destroyer,"* you know, I didn't understand how serious those words were at the time, honestly speaking.

And even after Father passed, since I'm the youngest I didn't want to make war with everybody; I just wanted to get along. But of course, we were at a stage when Han Hakja was doing the Harlot of Babylon craziness, and acting insane claiming herself as God etc. So, there was no way. I had to step out against her and I had to do what? **Sit in the throne!** I had to sit in the throne that Father had given me. I had to wear the crown that Father had put on my head- even though they stole that particular crown but anyway you understand. He coronated me, put a crown on my head; I had to put the crown back on, even though I didn't want to. I'm a humble guy and I don't like doing that kind of stuff and I am not boasting. But I had to; I had to. Why? Because if you were given a position by God and you don't ...

This is the same for our families. If you are a husband, you're the king and the priest of your home. And if you do NOT sit in the family-level king's position, if you don't sit in that throne, guess who's going to sit there? The Devil! Satan is going to sit there. You

understand? If YOU DON'T sit in the throne and act the role of the king, if you don't pray that you would become a greater and greater king for God's glory, and fix the holes that you got -whatever the case may be-, guess who's going to sit in that seat? Satan is going to want to sit in that seat, and he's going to want to marry your wife. Which is what happened to Han Hakja, the whore of Babylon? He's going to take your woman. That's what happens.

So, you HAVE to sit in that seat even though humble people, usually we don't want to sit in a place of position, of acknowledgement and of gravity. We usually don't want to do that. We think it's more humble to say, *"Oh, no, no, no. It's okay. I just want to do like this."* But this is the Fall. This is how Satan uses the good intention of humility to STEAL your queen and then your kingdom that God has given you. You HAVE to sit in the position. If you DON'T sit in that position as the king of your family or the king of your tribe; if you do not sit in that position, SATAN will take it. One hundred percent! He will not leave it alone.

### **Patriots Have to Sit in the Positions**

Look! It's the same thing that happens in the seat of government and power. If the good freedom patriots DON'T sit in the commissioner's chair, DON'T sit in the supervisor's chair, DON'T sit in the DA's chair, DON'T sit in the mayor's chair, DON'T sit in the Governor's chair, DON'T sit in the President's chair, the whole freakin' country goes to wreck! Why? Because we just don't want to deal with any of that. We just want to build our business, build whatever it is we're doing. Whatever you're doing, we just want to move forward with that, and build a life for our family. We want to do that.

But the commies never do that; they always search for seats of power. And if you keep on just living for you and your life, guess what? The whole country gets STOLEN. This is what happened in America. All these good patriots are just living their life; they're trying to make money, they're trying to live the American dream, and the Democrats have been for a hundred years, systematically taking every single department over. See how that works? That's why patriots got to SIT in the positions! Even though you don't like the accolades, you don't like the prestige, you don't like the fame, you don't like that stuff; still, you have to sit in it because if you DON'T sit in it, the COMMIES will sit in it and they represent their father Satan.

That's how your neighborhood gets taken over.

That's how your county gets taken over.

That's how your state gets taken over.

That's how the dang country gets taken over. You see how that works?

### **Stand as King & Priest**

So, there's a very deep principle being taught here. In order for God's people to keep and maintain the sovereignty and authority God has given them, yes, they must be humble to God. But when God gives you a position you have to be BOLD in that position and SIT in the dang position. You see what I'm saying folks? You have to ACCEPT and come into alignment and agreement with that position God has given you. Are you with me? That is huge. If that does not take place, what will happen? The Devil will take that crown; he will take that crown. You see?

That's why, fathers, your position in the home is so important. You're the head; you're supposed to be the king and the priest. Those are roles that God has given you, like John the Bible being Elijah. You have the king and priest role. Of course, making money is one thing; you have to do it for your family but it's not the only thing. You have to develop yourself as king, develop yourself as priest. You have to be training and putting in some of the work to become better as a priest, better as a king. And standing in that position with AUTHORITY and REBUKING the Devil when he's trying to divide and destroy your family or your marriage etc.

### **What if John the Baptist had Accepted what God said about Him?**

That is so important. In the Bible Jesus clearly said that John the Baptist was Elijah. John the Baptist, when he was put under pressure and they asked him, "*John, are you Elijah?*" he said, "*I am not.*" Even if you come from just standard Christian theology, you believe Jesus is God, and God said, "*You're Elijah,*" why are you not sitting in that seat? Why are you not saying, "*I'm Elijah?*" Why did you hide from it? Jesus is the one who said you were. You all saw that in the Bible, right? I showed you Matthew chapter 11 where Jesus says, "*John the Baptist is Elijah.*" Not the actual person reincarnated. No, he's not reincarnated Elijah; he's in the position of Elijah. Some people say, "*Look, the Bible teaches reincarnation!*" That's a whole other thing; it's ridiculous. It's not that Elijah is reincarnated as John; it is that John holds the position of Elijah, as a messenger, as a prophet to foretell the coming Christ.

So, imagine if John the Baptist came into TOTAL alignment with what God said. -

- "*He said you're Elijah.*"

\*"*Oh crap! I don't want to be Elijah. I don't want to be Elijah. I don't want to be Elijah.*"

But it doesn't matter what you want; you are not God. If he said,

- "*I don't want to be Elijah. I don't want to be Elijah, but I'm not God and God said 'this is the Son of God, this is the Lamb of God.' And I saw the dove land on that man and I felt unworthy to even untie the latches on his sandals. This is the Son of God, this is the Lamb of God, and he said I'm Elijah. Okay. I got to be Elijah then.*"

What if John had done that? That would have been HUGE! That would have been humongous. If John had said, "*Jesus he's the Son of God. He is literally the Lamb of God. I*

*saw the dove and the Holy Spirit abide on him. He was baptizing with the Holy Ghost. And he said I'm Elijah. So, I Guess I'm Elijah. I don't want to be in this position, but it really is not my choice, is it?"*

You see what he's saying? Imagine if he took that spot and did everything in his power with that massive social influence base, that giant fame that he had and that God had amassed to this one man. God had made this one man totally beloved and everybody was infatuated by him and by what he was doing as a holy man. God had amassed so much influence into John the Baptist. Imagine if he came into alignment with what Jesus said of him, that he WAS ELIJAH, and he proclaimed, *"I am Elijah. I am preparing the way for the Lord, and his name is JESUS of Nazareth."* Can you imagine if he did that? That would be huge. Everybody would know, the whole nation of Israel would know, *"Holy shmita! This Jesus of Nazareth is the Messiah."* It would change history.

### **Only by Father's Authority**

That's why when God GIVES us an appointment which good people, normal people don't ask for... I certainly didn't ask for it. When Father crowned me as his heir and successor, I didn't know the meaning of it, the weight of it at that point. But as Han Hakja did the harlot of Babylon craziness, it started becoming stronger and stronger. *"Holy crap this is getting bad! Holy crap! By what authority am I going to fight this?"* You know what I'm saying? They're calling me an unfilial child and a naked prince in the woods, etc. By what authority do we rebuke this heresy and this blasphemy and this idolatry? What was it? It was by the authority that was invested in me by True Father. That was it! That was the only power. It was certainly not by my own.

Those prophecies that we were making they were done by the authority of True Father, and those prophecies came true. Macrocosmic World War III, macrocosmic judgment, macrocosmic pandemics, macrocosmic economic collapse, macrocosmic chaos, macrocosmic racial strife. Do you understand? All this crap, this happened in the last what? 11 years. The likes of which we've never seen in human history with the world getting locked down! Oh my gosh! We've never seen this EVER in history; EVER!

How did this stuff pop off? Huh? The Han Mother was saying that all the blessings would be coming by 2020, that all the nations would be bowing to her. No! No! Now the entire government of Japan is going after her as a criminal and a money-laundering felon. No. No! No glory is coming her way. Why? Because she tried to take a position which was not hers. Isn't that interesting? It is like the Left. Look at the lefty lunatics; these psychos, they love positions. Obviously as God's children, we're taught, *"Don't love position."* There's truth in that. We shouldn't live for positions; we shouldn't strive to only live for position. No.

### **Defiance to Satan; Obedience to God**

Why do we have to take positions of authority in society such as commissioners, politicians, presidents and mayors? Why does God want you to do that? It's not for your own self-aggrandizement; it's to protect God's Will, His desires and His Kingdom culture and principles against the evil horde that is trying to smash and destroy that. You understand? So, you're doing it as an act of defiance against Satan and an act of obedience to God. It's not for our own aggrandizement that we sit in those positions but we have to. Good patriots MUST sit in those positions from the federal to the state to the local to the FAMILY. We must take that authority in what? In defiance of Satan and in obedience to God and of course all for His glory. Amen!

Very, very, important! That's pretty nice. I like the sound of that. I got to make a shirt like that or I got to make a song about that "*Defiance to Satan; obedience to God.*" That's what you're doing by sitting in the position God has given you.

Are you with me, young kings over there? Huh? For you young kings, it's the same. That's why I'll tell the young people, "*When you take your queen on a date, I don't care where it is. You take her on her anniversary to a French restaurant, okay?*" I tell the young boys: Don't walk in there all weak-kneed and nervous and anxious. What has God said you were, boy? Don't walk in there and say, "*Oh my gosh! There are only millionaires in here and the whole dinner per person is like a hundred dollars. Oh my gosh. Oh my gosh! I can't handle this.*"

SHUT your dang neurotic mouth, boy! Don't tell yourself that! You've got to remind yourself, "*I am a king and a priest of the tribe of Clark in the Kingdom of GOD. I'm a king and priest of the Rauci tribe.*" You got to have some balls! Daggone it! Don't walk in that stupid place all shaky and quaky and flaky. You understand? Don't do that. You walk in as if you had more than Donald Trump. He has Trump change; you got BILLIONS of dollars! You walk in like, "*Oh! It's a hundred dollars? It's so cheap.*" Don't be intimidated! You understand? You got to walk in with that type of authority.

That gives confidence to your queen, by the way. She'll be like: "*Oh, dang, man, my husband is sexier today.*" (Laughing) When she says: "*Oh, honey, how are we going to pay for this?*" - "*Don't worry baby, I'm the money man.*" And all of a sudden, she'll be: "*Oh, ooh, ooh! My hubby is sexy today!*" You got to show confidence, boys. This is very important training. Okay? The point is, you have to understand that mentality.

The world may not acknowledge True Father or his Three Kingship. It doesn't matter! It doesn't matter. Those are positions given by GOD! You understand? It's just a matter of TIME before Cheon Il Guk comes. It's just a matter of TIME before Abel U.N. protects the entire world-level with freedom

and responsibility.

It's just a matter of TIME before those things come and all the kingdoms come.

It's just a matter of time. That's not determined by man.

### **Stand Strong!**

If John the Baptist had STOOD in the position of Elijah, how much history would have changed. In the same way, how critical it is for your tribe, your entire ancestry, your descendants that you stand STRONG and confident in that position. And when the devil ever wants to shake you and say, *"You ain't nothing, boy! You are nothing! You're stupid; you got nothing"*; especially when you take your queen on that anniversary date, and he'd try to make you feel little and small, you got to say, *"I'm big, boy. I'm big. I'm big and I'm strong. I got power with the King of Kings behind me. He put me as the head of this tribe, this entire nation."* You got to have that confidence. You got to believe that more than anybody else because your wife's going to probably say, *"Did he really believe that?"* You got to make her believe it, *"100%, yes."* Then you will be sexy man. You understand? You got to believe more than anybody. You need that power!

Imagine if John the Baptist had done it, that would have changed history. Same thing; same thing. That's why it's so critical that the patriots understand. We can't idolize and worship position; it's true. But **we have to take the positions that God has given us**, because if we don't, what happens? Satan comes in and sits in it. So, we have to take those positions in defiance of Satan's kingdom and in obedience to God. And of course, we give Him all the glory. Amen?

So, so critical. Imagine if all the patriots understood this; if they understood the power of human free will and if they understood that this is an important choice, and that humble people can sit in quite big positions that God has given them, but still can give the glory to God. God CHOSE you for that position because He knows you have the potential to use that for His glory. Could you use it for evil? Yes, of course like anything, but you have more potential to use it towards God's glory. And that's why God has called all the people. *"The first will be last, and the last will be first."* He's called all those who were sitting in the back to now be sitting in the front. This is an incredible time, incredible age and Father is moving with the massive power of the Holy Spirit.

Please pray for us. The Rod of Iron Freedom Festival is coming up. Also, the US, 50-state

tour or 48-state tour, whatever it will be, is coming up.

Then, in 2023, we got to be praying; we got to be doing conditions, fasting, etc. Victory, victory, victory. We've got to have victory. If we don't have victory in 2024, America is gone. We have serious, serious, serious, serious existential crisis in America, and if America

dies, the whole world is dead, folks. So, we cannot lose in 2024. We have to hold strong

to what God's will is. Stand strong on the front line, standing up against the evil hordes, and standing also in those positions that God has called us in. Please join me in prayer.

### **Pastor Sean's Reporting Prayer**

Father God, we thank You for this beautiful day. We thank You for all the things that You are doing across this landscape, Father. Such an intense and epic landscape across the world! The entire world is groaning in pains of totalitarianism and communism. With now, upcoming more mask mandates, vaccine mandates and all the tyranny that is starting again and the cheating and the world wars that are starting to escalate before the 2024 elections.

We know that there's a turning point in all of the providential history. We thank You for President Trump. He did not stand strong in 2016; he should not have come out of the White House and he should have used his presidential authority to declare emergency and arrest the terrorists that were burning down cities and blowing up America. But even though he did have that failure, he has repented and he has come back on the scene stronger than ever.

We pray for his protection. We pray that he remains strong and seated in the position that You have given him to be the macrocosmic world-level president, world-level symbolic king that can influence the culture of Judeo-Christian values to be spread to the entire world. As opposed to political satanism and communism which is now spreading across this land, and the disgusting evil sex cult of the LGBTQ that's being peddled and spread throughout the world.

We thank You that You are making him strong in this time even though he has had two impeachments, four indictments, and one RICO case and more to come. They're even trying to lock him up but he's staying strong. Please imbue him, ALL of us and all Your blessed families with a supernatural martyr-like spirit and COURAGE. So that we may be the catalyst at the local level to influence, connect and network with all the patriots in order to stimulate in exponential growth and power and value to change America to once again come back to You, repent of our sins, and to punish evil once again with justice and truth.

We want to give You the praise, glory and honor. We thank You for all the things You are doing with everybody here and all across this world. We give You the glory and the praise, and we pray in Your precious name. Amen. Amen! Aju!
