AMERICAN Destiny, GLOBAL Destiny

And he that overcomes, and keeps my works until the end, to him will I give power over the nations. Rev 2:26-27

When you enter your home, think to yourself, "I am now walking into the Kingdom of Heaven." When you leave home and go out into the world, consider that you are going to expand the purpose of heaven. If you live every day like that, how can you possibly fall into hell? Heaven is determined by how you live. You don't need any special procedures or applications in order to enter heaven. You will find yourself in the same place as you were on earth. If you were in heaven on earth, you will be elevated into heaven in spirit world. But if you were in hell on earth, that is where you will go.

SMM, Wake Up, America! June 12, 1988

Hello,

Hyung Jin Nim started the service by discussing the passage in Genesis 18 where Abraham washes the feet of "the Lord" and 2 others appearing at the entrance to his tent. Sarah prepared a meal for them and they ate. The "Lord" is a translation of the Hebrew word, "Hashem." In Genesis 18:25, Abraham called Hashem/The Lord "judge of all the earth," so it is clear that the Lord, who is the "judge of all the earth" has appeared in a physical body, in contradiction to rabbinical teachings.

Those who have a relationship with the Creator are the true kings and priests. By engrafting into Him we join the royal lineage. In Rev 2:26-27 we see God's desire that those who are faithful to Him should rule over the nations.

And he that overcomes, and keeps my works until the end, to him will I give power over the nations. Rev 2:26-27

He then spoke about Patrick Bet David's [summary of the life-cycle of organizations and nations](#) which is based on Lawrence Miller's book, [Barbarians to Bureaucrats: Corporate Life Cycle Strategies](#).

1. Prophet- person with a vision
2. Barbarians- "let's take over this field!"
3. Builders and Explorers
4. Administrators
5. Bureaucrats The bureaucrat is about control. They are the lawmakers who now tell the administrators what to do.
6. Aristocrats Aristocrats act like the Almighty. The attitude is, "I know better than you. I'm smarter than everybody. I know what's best for all people."

America is now in the last stage, where bureaucrats and aristocrats have largely taken over. If not stopped, the nation dies.

The 1st amendment guarantees our right to seek redress of grievances, but even those who did not attend the J6 demonstration at the U.S. Capitol have been prosecuted. These are political prosecutions.

White male gun-owners are the target of the leftists who have taken control of our nation. America is the superpower that if taken over, the rest of the world will follow this tyranny.

The freedom movement is rising up. We live in a dangerous, but exciting time. Tucker Carlson and Pres. Trump are showing bravery. Physical life and survival are not the ultimate value. We should be ready to risk our lives to secure a free future for our descendants, as did the founders of America. Pray for every Christian to have epic bravery.
