Bring Back the Black Robed Regiment!

And the Lord had regard for Abel and his offering, but for Cain and his offering he had no regard. So Cain was very angry, and his face fell. The Lord said to Cain, "Why are you angry, and why has your face fallen? If you do well, will you not be accepted? And if you do not do well, sin is crouching at the door. Its desire is contrary to you, but you must rule over it." Cain spoke to Abel his brother. And when they were in the field, Cain rose up against his brother Abel and killed him.

Gen 4:4-8

First is the ruin or the crisis in the Christian world. We must be responsible for the corruption in the Christian world. In this nation, not only the Christian ideology, which was the founding ideology of this nation is being corrupted, but also the families committed to that ideology are being corrupted, are collapsing. If families are collapsing, it means the nation is collapsing. The God-denying ideology of Communism is infiltrating the nation and undermining the hearts of the people and separating them from God. Those three important questions are the most crucial ones.

SMM, Becoming A Responsible Person, July 14, 1974

Hello,

Hyung Jin Nim started the Sunday Service by thanking the volunteers, including those from the Fire Department, etc. who made the Freedom Festival possible. He also honored the passing of Rich Caridi, former Pike County commissioner who was a strong supporter of our freedoms and for the festival.

Cinematographer Ford Fischer made an Instagram post of the [Newsweek magazine article about the "Trump Truck,"](#) which had 421K views.

He discussed the importance of conducting ceremonies, which have a lasting impact. Satanists also utilize them as well. As one example, the "Burning Man" ceremony to destroy masculinity. That is why we held a "Babylon Harlot" bonfire about women who are in unity with Satan to create a culture that destroys men.

It has been 50 years since the Roe v Wade Supreme Court decision which sanctions the killing of babies. But those who focus mainly on having fun and on material success learn too late that they have no lasting assets or lineage.

You should be investing your youth in your future family. Become a King and Priest who is

compassionate toward the community with God and Christ at the center. Become an asset to one another. It's good to have ownership of land and of course your ability to defend your family and community. True Father spoke about the Peace Police Peace Militia. All of us are the police and the military. We should rejoice and root for one another.

He spoke about the importance of couples dedicating 1.5 hours of "face time" each week. Express appreciation for each other. Have fun together, including an absolute sex life. With each new child you just earned a billion! They are your tribe! Invest in one-on-one "dates" with your children. Each is unique so don't compare them with each other. Seek to decrease sibling rivalry. Don't have a performance-based relationship with them. Yeonah Nim created a "diary" for each child with 4 leaf clovers or other things they found or did and gave it to them when they were getting married.

Expect your child to question Principle teachings as a teenager. Hyung Jin Nim did poorly in school until he decided to do better. He resisted to perform music because he saw 2 of his older brothers get involved with the fallen music culture. Our focus is on training.

Many churches are afraid to teach against fornication. But having even one partner before marriage leads to a much higher divorce rate.

Teachman, J., "Premarital sex, premarital cohabitation, and the risk of subsequent marital dissolution among women," *Journal of Marriage and the Family* 65, 2, 444-455.

We are not saved as a group. God penetrated your heart as an individual. That's why it's important to evangelize and practice witnessing. The word needs to be actualized through training and developing habits.

Embrace the grind of the daily training room. It's also the same in the relational realm. Even though we are not saved by our efforts, but through His grace, we can make Him proud as our Father.

HJ Sean Moon: "Bring Back the Black Robed Regiment"

Good morning patriots and Freedom loving people made in the image of God!!! We are honored and pleased to have you at the beautiful Kahr arms property celebrating America, the 2A and the culture of armed responsible citizenry. I also want to acknowledge the planning committee and all our friends, families and supporters who made this event possible. Every year we are joined with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US. If the right to keep and bear arms is a natural right, like our framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny. Representatives from our church communities in Korea, Japan and around the world are here with us today, and tens of thousands of our people around the world are praying for America at this very hour joining us in our live broadcast.

We celebrate freedom this day because in 1950 my Father the Rev. Sun Myung Moon, who our tradition honors as the returning Jesus, was freed from a North Korean Communist death camp, by US armed forces, where he was imprisoned and scheduled for execution for preaching the Gospel. God sent good men with guns that stopped bad men with guns that led to my father's freedom which without, myself, my brother or our worldwide church community would not be here today.

This awareness of the deadly nature of Communism did not simply arise out of a reactionary response to Communist oppression. It stemmed from his immense biblical knowledge and prayer life. He always taught his church that Communism was Satanism and that Satan was using what seemed to be a political ideology to spread the Kingdom of Satan over this world.

The Mark of Cain

Diversity without shared values is not "strength," it is hell.

The book of Genesis warns us about what happens when we focus on jealousy and resentment. In Chapter 4, God promises that Cain will do well, but first he must overcome his anger, which is "crouching at the door," ready to take him over.

When I heard last Saturday (October 7) about the mass murder of over a thousand civilians, including grandmothers, women and children in southeast Israel, near the Gaza border, I thought that, at last, the world would have moral clarity. Seeing videos posted by Hamas fighters of themselves glorifying "Allah" while executing unarmed Jewish civilians would define the reality of evil. But I was wrong...

As is stated in Article 7 of the Hamas charter, quoting the words of the prophet Mohammed, "*The Day of Judgement will not come until Muslims fight the Jews (killing the Jews), when the Jew will hide behind stones and trees. The stones and trees will say O' Muslims, O Abdullah, there is a Jew behind me, come and kill him.*"

I have long hoped and prayed for peace to come to the world, but if the massacre of defenseless men, women and children cannot be acknowledged as evil, and if the perpetrators are instead praised as "heroes," then there is no common ground to begin a discussion.

And, we should be fully aware that this is not just about hatred of Jews. As Hamas commander Mahmoud al-Zahar stated, "The entire planet will be under our law, there will be no more Jews or Christian traitors." In other words, Christians are also on their elimination list.
