*And by this we know that we have come to know him, if we keep his commandments. Whoever says "I know him" but does not keep his commandments is a liar, and the truth is not in him, but whoever keeps his word, in him truly the love of God is perfected. By this we may know that we are in him: whoever says he abides in him ought to walk in the same way in which he walked. **1 John 2:3-6***

Today, 200 years later, America is undergoing another test. This time the test is an internal or spiritual one. It is a religious test, an historical, ideological test. On the other side of the world, the God-denying ideology of communism has risen up and is ready to undertake an all-out offensive against the free world. Destroying America is the communists' final and ultimate goal. They know America is God's final bulwark on earth. More than anything else, this is a test of whether America will stand as God's nation, or fall.

*America can not win this battle alone. She needs God. In this test you can not win without God who is the foundation of all truth, and all true ideology. A confrontation is inevitable between the two worlds -- the God-affirming world and the God-denying world. This is a confrontation of ideology. Therefore, as a champion of God, America must win ideologically over atheistic communism on the worldwide scale, with the unity of all races and nationalities. Our faith in God must be stronger than their faith in communism. America must win in the name of God. **SMM, God's Hope for America, June 1, 1976, Yankee Stadium***

Hello,

Gregg Noll read from "God's Hope for America" speech about how the Pilgrims risked everything to come to America to establish a community centered on God.

Hyung Jin Nim spoke about how Jesus gave the 12 disciples power to cast out evil spirits, raise the dead and cure diseases. This included Judas Iscariot who was chosen by Jesus and used by God to do such miracles.

Judas was chosen and blessed by God, but lost his position through doubt and rejection of Jesus. In a similar way the 36 blessed couples were chosen by True Father and blessed by him, but they sold out True Father at the end of his life. Even though they received rebirth and were engrafted into the new lineage of Christ, they lost their connection when they rejected Father's directions regarding his anointed lineage. If they repent, they can be forgiven, but they would have to start over as new members.

The early Christians were willing to go to prison and even death because they received and embraced the love of Jesus. We have to choose to be on Father's side through our own free will.

Even the fallen world is being separated into Cain and Abel. The Globalists could repent, but they would still have to be punished for their crimes.

True Father's victory is why we should not be afraid. Let us do activities to welcome other Christians to work together to save America and someday into Cheon Il Guk.

We cannot create a large ROI Freedom Festival in Tennessee like in Pennsylvania, so we will start small in Tennessee and build from there.

He stopped his message to say how happy he was to see the Trump banner flags brothers and sisters were holding up in the back of room. He said with a smile, "Trump became Japanese!"

Let us have the same courage that is shown in the Bible, prevent WW3 and enter/return to True Father's authority. Build good connections with other Christians and the patriots.

The release of the January 6 video footage by House Speaker Mike Johnson will show [what really happened in the U.S. Capitol](#). That and the [election of free-market economist Javier Milei as President of Argentina](#) are hopeful signs!

22,000 Japanese watched the Trump rally videos. Let us pray that they will see that True Father loved their nation, and receive him as the 2nd Coming.
