The Ones Who Can Comfort GOD's SORROW

*"Therefore I tell you, do not be anxious about your life, what you will eat or what you will drink, nor about your body, what you will put on. Is not life more than food, and the body more than clothing? Look at the birds of the air: they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? And which of you by being anxious can add a single hour to his span of life? And why are you anxious about clothing? Consider the lilies of the field, how they grow: they neither toil nor spin, yet I tell you, even Solomon in all his glory was not arrayed like one of these. But if God so clothes the grass of the field, which today is alive and tomorrow is thrown into the oven, will he not much more clothe you, O you of little faith? Therefore do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the Gentiles seek after all these things, and your heavenly Father knows that you need them all. But seek first the kingdom of God and his righteousness, and all these things will be added to you. "Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Sufficient for the day is its own trouble. **Matthew 6:25-34***

We are aware of the facts of history, tragedies and grief no words can express. We are also aware that, because of the fall of Adam and Eve, the heart of the Father, who took pleasure in looking at the Garden of Eden, was transformed into a heart of sorrow. That became the historical sorrow throughout the long 6,000 years. In addition, we are also aware of being entrusted with the historical mission to restore the lost Garden of Eden, clinging to the Father's worried heart, exerting ourselves both mentally and physically.

Father, we now know that after toiling 4,000 years to regain the lost Adam and Eve, You sent Jesus to this earth equipped with the image of Adam. The greater the Father's toil before the time of Jesus' birth, the greater the pride of Heaven in Jesus being born as a result of that toil. Jesus should have been the pride of all created things and of all humanity. While Heaven welcomed Jesus to this earth, in its ignorance, humanity could not give him a favorable reception. Today, we cannot help feeling ashamed about this.

*As we look back upon the pitiable fact that the toiling Father's hopeful glance had to linger on the pitiful appearance of Jesus lying in a manger, we feel keenly that our ancestors were unbelieving and inadequate. Once more, human beings revealed the fault of the fall of Adam and Eve. Because we are aware of this, we are deeply saddened today when we are mindful of this sorrowful fact. I sincerely wish and desire that You allow us to be able to console You in Your sorrow in place of the chosen people, the Israelites, who could not comfort the Father in ancient times. **SMM, Heaven's Sorrowful Heart, Jan 3, 1959***

Hello,

Hyung Jin Nim started his sermon by announcing that shooting competition team practice will start after the service. People try to feminize True Father, but the first companies started by the church manufactured weapons for national defense, with contracts with the South Korean military.

Church leaders invited famous people to speak at our conferences even if their values were opposite to our teachings. Instead of building a partnership with patriots they just thought about being able to report that a celebrities spoke at our events.

The first calligraphy made by True Father for Hyung Jin Nim was about "Mind Body Training." It's important to be held accountable by an instructor. "Stress inoculation" increases your stress load in stages and makes you tougher.

There is much good guidance in Jesus' Sermon on the Mount in chapter 6 of the book of Matthew. Hyung Jin Nim taught his children to tithe from a young age. If they were given \$10, they should first give \$1 to church, then save \$5, and last spend \$4 on whatever they desired. A father should not just provide for physical needs, but should lead his family as its priest and king.

As Jesus taught, it's better to pray in private. Listen to the voice of God reprimanding us, leading us to the next stage. God does not always answer every question. Especially when deep down we already know the right answer, but want a different one. Many times, God's silence is actually His answer. We still need to trust Him.

Forgiveness of sins does not mean that you affirm those sins. Crimes must be punished. In Singapore, serious offenders are flogged.

If you don't punish bad behavior then the whole society will suffer. The Kingdom of Heaven or Cheon Il Guk is an Adamic culture. Even the daughters must not be raised to be emotional and to think of themselves as perpetual victims.

It's a mistake for citizens to unthinkingly outsource all of their safety to government. We are all responsible to create a protective society at the local level.

Our own U.S. government was doing illegal "gain of function" research in partnership with the Communist Chinese lab in Wuhan. That is just one reason why the government sought to silence critics and threatened people with loss of their jobs unless they took the experimental mRNA vaccine jab. We have seen an [unprecedented increase in excess deaths](#) in the U.S. and in other countries.

The new Covid strain attacks the Gastro-Intestinal tract, which is crucial to your immune system. Leftists have gone all out to remove Trump from the ballot. Although he is not perfect, he is a patriot. If America dies, then the whole world will suffer. Twitter is the only one of the main social media platforms that is not censoring views that are skeptical about government propaganda.

Training the next generation can be annoying, but it is necessary. Children need to learn proper boundaries. Learning "just parenting" is essential. If you just "wing it," you will regret it in coming decades, but if you parent with justice and fairness, your children will not become your enemies.

It's natural in a marriage to have ups and downs. Take the big picture view by comparing your husband-wife relationship today with one year ago. If it's better now, then celebrate!

Stop worrying! Turn away from negative thoughts, ie. the "monkey in the mind." Bring your mind back to the center through prayer, which increases the quality of spiritual life, which affects the rest of life. The husband should lead as the priest, while being sure to bring joy and fun to the home.

Even though he was the anointed heir, a True Child, and, as world church president, a "priest of the priests," he confessed that he had sin. Even though he had never been unfaithful or nor engaged in sex before marriage, there were times when he had anger towards God, etc. Many 2nd Gen leaders had been told they were sinless and consequently became arrogant. It's important to start with the basics of confessing our sin before God and each other.

When we have consciousness of the Father in the room, we gain strong power against sin. Adam's culture has come. It's inspiring to be around people who are challenging themselves.

In 2024 there will be turmoil. Expect more Black Lives Matter, Antifa, and pro-Hamas/pro-Palestine riots. Pray for God's will to be done. If Trump receives more votes, but the election is interfered with and he is not allowed to take office, our nation will be a tyranny, not a constitutional republic. No sane person wants to see a Civil War, but that could happen. True Father fought against political satanism and supported candidates like Nixon and Reagan even when that was not popular. Starting in June we will do a condition of 40 MAGA rallies.

Letter from Academy Director, King Victor Moon

Welcome to the Sanctuary Kingdom Academy page! This is Victor Moon, director of the Academy. The Academy starts again this June, 2023.

This is a really great opportunity, because the 2nd King gets busier and busier. He travels around a lot, and nobody knows when an opportunity like this will arise again.

I hope you will not miss this chance to meet the 2nd King and train close to him.

We are looking forward to receiving your application, and training with you this year!
