The Lonely Last Week of Christ

*Now when they drew near to Jerusalem, to Bethphage and Bethany, at the Mount of Olives, Jesus sent two of his disciples and said to them, "Go into the village in front of you, and immediately as you enter it you will find a colt tied, on which no one has ever sat. Untie it and bring it. If anyone says to you, 'Why are you doing this?' say, 'The Lord has need of it and will send it back here immediately.'" And they went away and found a colt tied at a door outside in the street, and they untied it. And some of those standing there said to them, "What are you doing, untying the colt?" And they told them what Jesus had said, and they let them go. And they brought the colt to Jesus and threw their cloaks on it, and he sat on it. And many spread their cloaks on the road, and others spread leafy branches that they had cut from the fields. And those who went before and those who followed were shouting, "Hosanna! Blessed is he who comes in the name of the Lord! Blessed is the coming kingdom of our father David! Hosanna in the highest!" And he entered Jerusalem and went into the temple. And when he had looked around at everything, as it was already late, he went out to Bethany with the twelve. **Mark 11:1-11***

If you are trying to find love, you are misguided. You cannot "find" love. It goes against the process of the law of creation to look for love. You have to invest yourself first. Have you done that? Have you poured your love into your spouse? Love is bound to come back to you as much as you have poured your life into the other. When that happens, love starts coming back.

*I always invest myself wholeheartedly. I spare nothing. I always search out how I can give even more. Then all things start to follow me. At that point ownership begins. That is when you start to truly own things. A husband and wife may think they love each other and say they love each other, but they need to be patient with each other. If one disagrees with the other and gets offended and they start quarreling, that is obviously not love. Love emerges when we want to put our whole life into the relationship so there is nothing more to put in. After that love starts coming back. Then there is no more quarreling. **SMM, The Will and I, April 1, 1988***

Hello,

Hyung Jin Nim started his message by explaining that the new [2A Designer Collection](#) is meant to spread the messages of self-defense and of the Kingdom. He praised those who have jumped in to prepare for the shooting competition. Now they are training on their own because of the pressure. It helps you to understand the environment, more than just shooting at a target.

Young men are sick of their moms having sex with different boyfriends. There is a [new trend of young men and women \(Gen Z\) seeking a traditional lifestyle](#) and staying pure until marriage. Turning Point USA founder and talkshow host Charlie Kirk stayed pure until marriage. He chose not to go to college, but is now influential on the world level.

Older unhappy women are teaching feminist values to younger women. Misery likes company. Feminism has done a lot of damage to America. We have to say "stop this!" Closing your legs means you are protecting your eggs, protecting the next generation.

A woman who is an [LGBTQ advocate in Philadelphia was arrested for raping and sexual assault of a 9-year-old and a 14-year-old boy](#). Hyung Jin Nim posted about this on [Instagram page](#) and TikToc, which is run by a CCP-related company, but that is where the young people are.

We have seen a cosmic level judgment for a cosmic level fall. FFWPU church elders told Tim Elder they had resources to continue for 200 years, but church assets are now imploding just 10 years after Father's passing. Now many FFWPU members are leaving it and coming to True Father's authority.

He spoke about the passage in Mark 11, where Jesus enters the Temple in Jerusalem on a donkey. Compare that to King Herod riding a white horse. It's like a Monty Python satire. Jesus was making a condition of royalty that was akin to True Father going into the U.S. Capitol and being crowned. At the time, many news articles mocked this "insignificant" cult.

A famous dispensationalist is talking about the Fall as sexual. True Father educated many professors and ministers all over the world about Absolute Sex. He spoke about husband's taking the leadership role and being loving, fun and romantic. That leads to an Adamic Culture.

Both men and women are sinners, needing repentance and training. Father gave Hyung Jin Nim authority to conduct Blessing in Father's place, but he confessed he had sin. It's important to start from that place of repentance and a willingness to listen to each other.

It's important to exemplify the ideal of Blessed Marriage which definitely includes sexual intimacy. A united couple who has sexual chemistry and romance gives good energy to their children and

grandchildren. If the foundation of marriage is eroded, the whole culture will be destroyed. Couples need to renew themselves.

One particular sin is causing destruction of the Western World, but Christianity is vague, just saying "sin."

We are building an Apologetics team through Shinjoon Nim and others, which is needed to persuade the intellectually oriented. St. Augustine didn't have the "Big Bang" theory or DNA research to back his arguments, but we do. True Father made professors associations and then chastised them about the need to discuss absolute values and God. It's a constant battle between good and evil. We are light years ahead of where the early Christians were.

The Man Behind Christmas

We need to secure liberty, true freedom and responsibility for the Kingdom of God. The more that Muslim caliphates spread, the more tyranny we will see in the world. Islam has no protections for free speech, the covenant of marriage, or the right to bear arms.

Russia has designated LGBTQ as a terrorist extremism. We see trends in China and Iraq with growing underground Christianity. There are things we cannot see. The Christian West became corrupted. We must go beyond the New Testament.
