She's changing up EVERYTHING!

With much seductive speech she persuades him; with her smooth talk she compels him. All at once he follows her, as an ox goes to the slaughter, or as a stag is caught fast till an arrow pierces its liver; as a bird rushes into a snare; he does not know that it will cost him his life. *Proverbs 7:21-23*

Is it good to be willing to die for the sake of true love? Jesus said, "He who seeks to lose his life for my sake will gain his life." Another way to say it is that those who are willing to die for the sake of true love will live in true love forever. Those who live for their selfish purposes will die permanently. **SMM, The Harvest Season For God's Providence, Sept. 19, 1982**

Hello,

The 2nd King started the service by reporting that Nate Dressell, former Green Beret who is running for Congressional HD10 in Tennessee will be speaking at the Rod of Iron Freedom Festival on March 16. True Father ordered Hyung Jin Nim to do the festival now!

Pastors should be denouncing the LGBTQ agenda, but they hesitate because of the persecution they would face if they spoke out.

The Redeemed Zoomer channel-states that [there are only 8 major Protestant denominations](#) and none say other denominations are going to hell. Moonies are restorationist and ecclesiastical. We have no secret meetings. Everything is broadcast on Rumble.

Why are giant media companies coming to film and interview the tiny Rod of Iron ministries? They realize that Christianity is too weak. It is based on the bride culture. It doesn't have the Adamic culture which includes training.

3-3-2024 Sunday Service "Salvation for ALL"

Faith is not enough. That we have theological explanation for training is quite unique. The Anglican church has "nonbinary priests." Islamic culture has a strong masculine culture, but condones multiple sex partners including temporary "wives."

Acts 2:21 states that "everyone who calls upon the name of the Lord shall be saved." Romans 10:9 states "if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved."

These are beliefs that Sanctuary Church affirms, although salvation is just the beginning. We repent for our sins. Hyung Jin Nim repented even though he never "fell." Repentance is liberating.

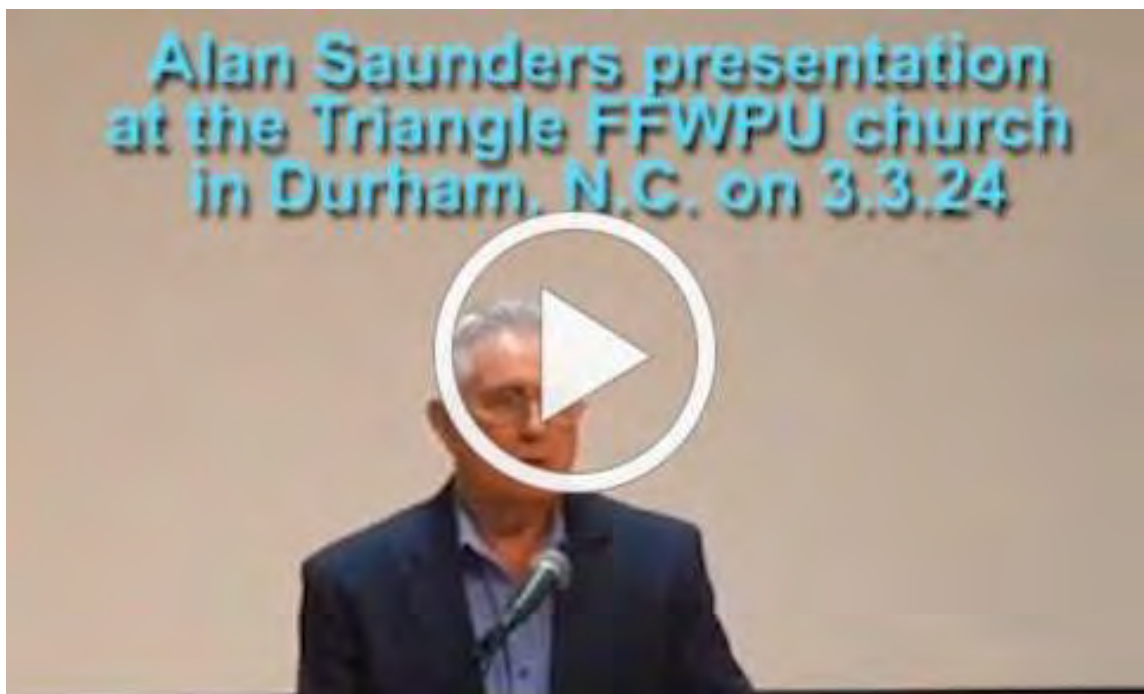

What is Joy? Music Video

The Centers for Disease Control reports that [1 in 4 girls and 1 in 20 boys are sexually abused in the U.S.](#)

Research shows that homosexuals have higher rates of child molestation and of themselves having been abused as children. 73% of gay men admitted to having sex with boys 16-19 or younger. (Source: ["Crafting Gay Children" by Judith Reisman](#) }

Few Christians in America have been willing to stand up against sexual immorality or Communism. That we are willing to do so does not make us popular, but consider that 10 years ago we were sleeping in the woods in the middle of the winter with our kids. Now we are being invited to the Trump tower!

"Divine Principle NOT What Hak Ja Han Wants Us to Teach!"

Highlights of a presentation given by guest speaker Alan Saunders at the Triangle Family Church in Durham, NC on March 3, 2024:

"I have been to 3 (FFWPU) retreats, most recently in Puerto Rico... We are in the age of female leadership. We are going beyond Caucasian males..."

"One leader gave a Sunday Service and spoke about the Exposition of the Divine Principle and gave out Divine Principle books. What do you think was Mother's reaction to that? Do you think she was happy?... She was SO UPSET! She brought all the leaders to Chung Pyung for a 21 day workshop. **The Divine Principle as we know it is not what she wants us to teach right now...** What does she want us to teach? (answer from a sister: "The Only Begotten Daughter is one essential message.") She wants us to focus on the Principle of Creation. She doesn't want us to go into historical figures... Initially she doesn't want us to focus on the Fall... Understanding Mother's life and coming closer to her... **There's a whole paradigm shift going on. She's changing up everything.** Some members and some leaders are accepting this and some are really not.

May God bless you and your families!
