The “Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind Who, as God’s Embodiment, Proclaim the Word” was held on a number of occasions, including on July 8, 2010, at the Cheon Jeong Gung Palace.

From 2010, True Father has proclaimed that the addressed I gave you is the entire of my life, prayer, and, my Last Will.

The True Parents of Heaven, Earth and Humankind stands for True Parents' ultimate unity by the parent of the Cosmos and True Parents.

The settlement means that the True Parents of Heaven, Earth and Humankind officially came to Korea where is the home land of God.

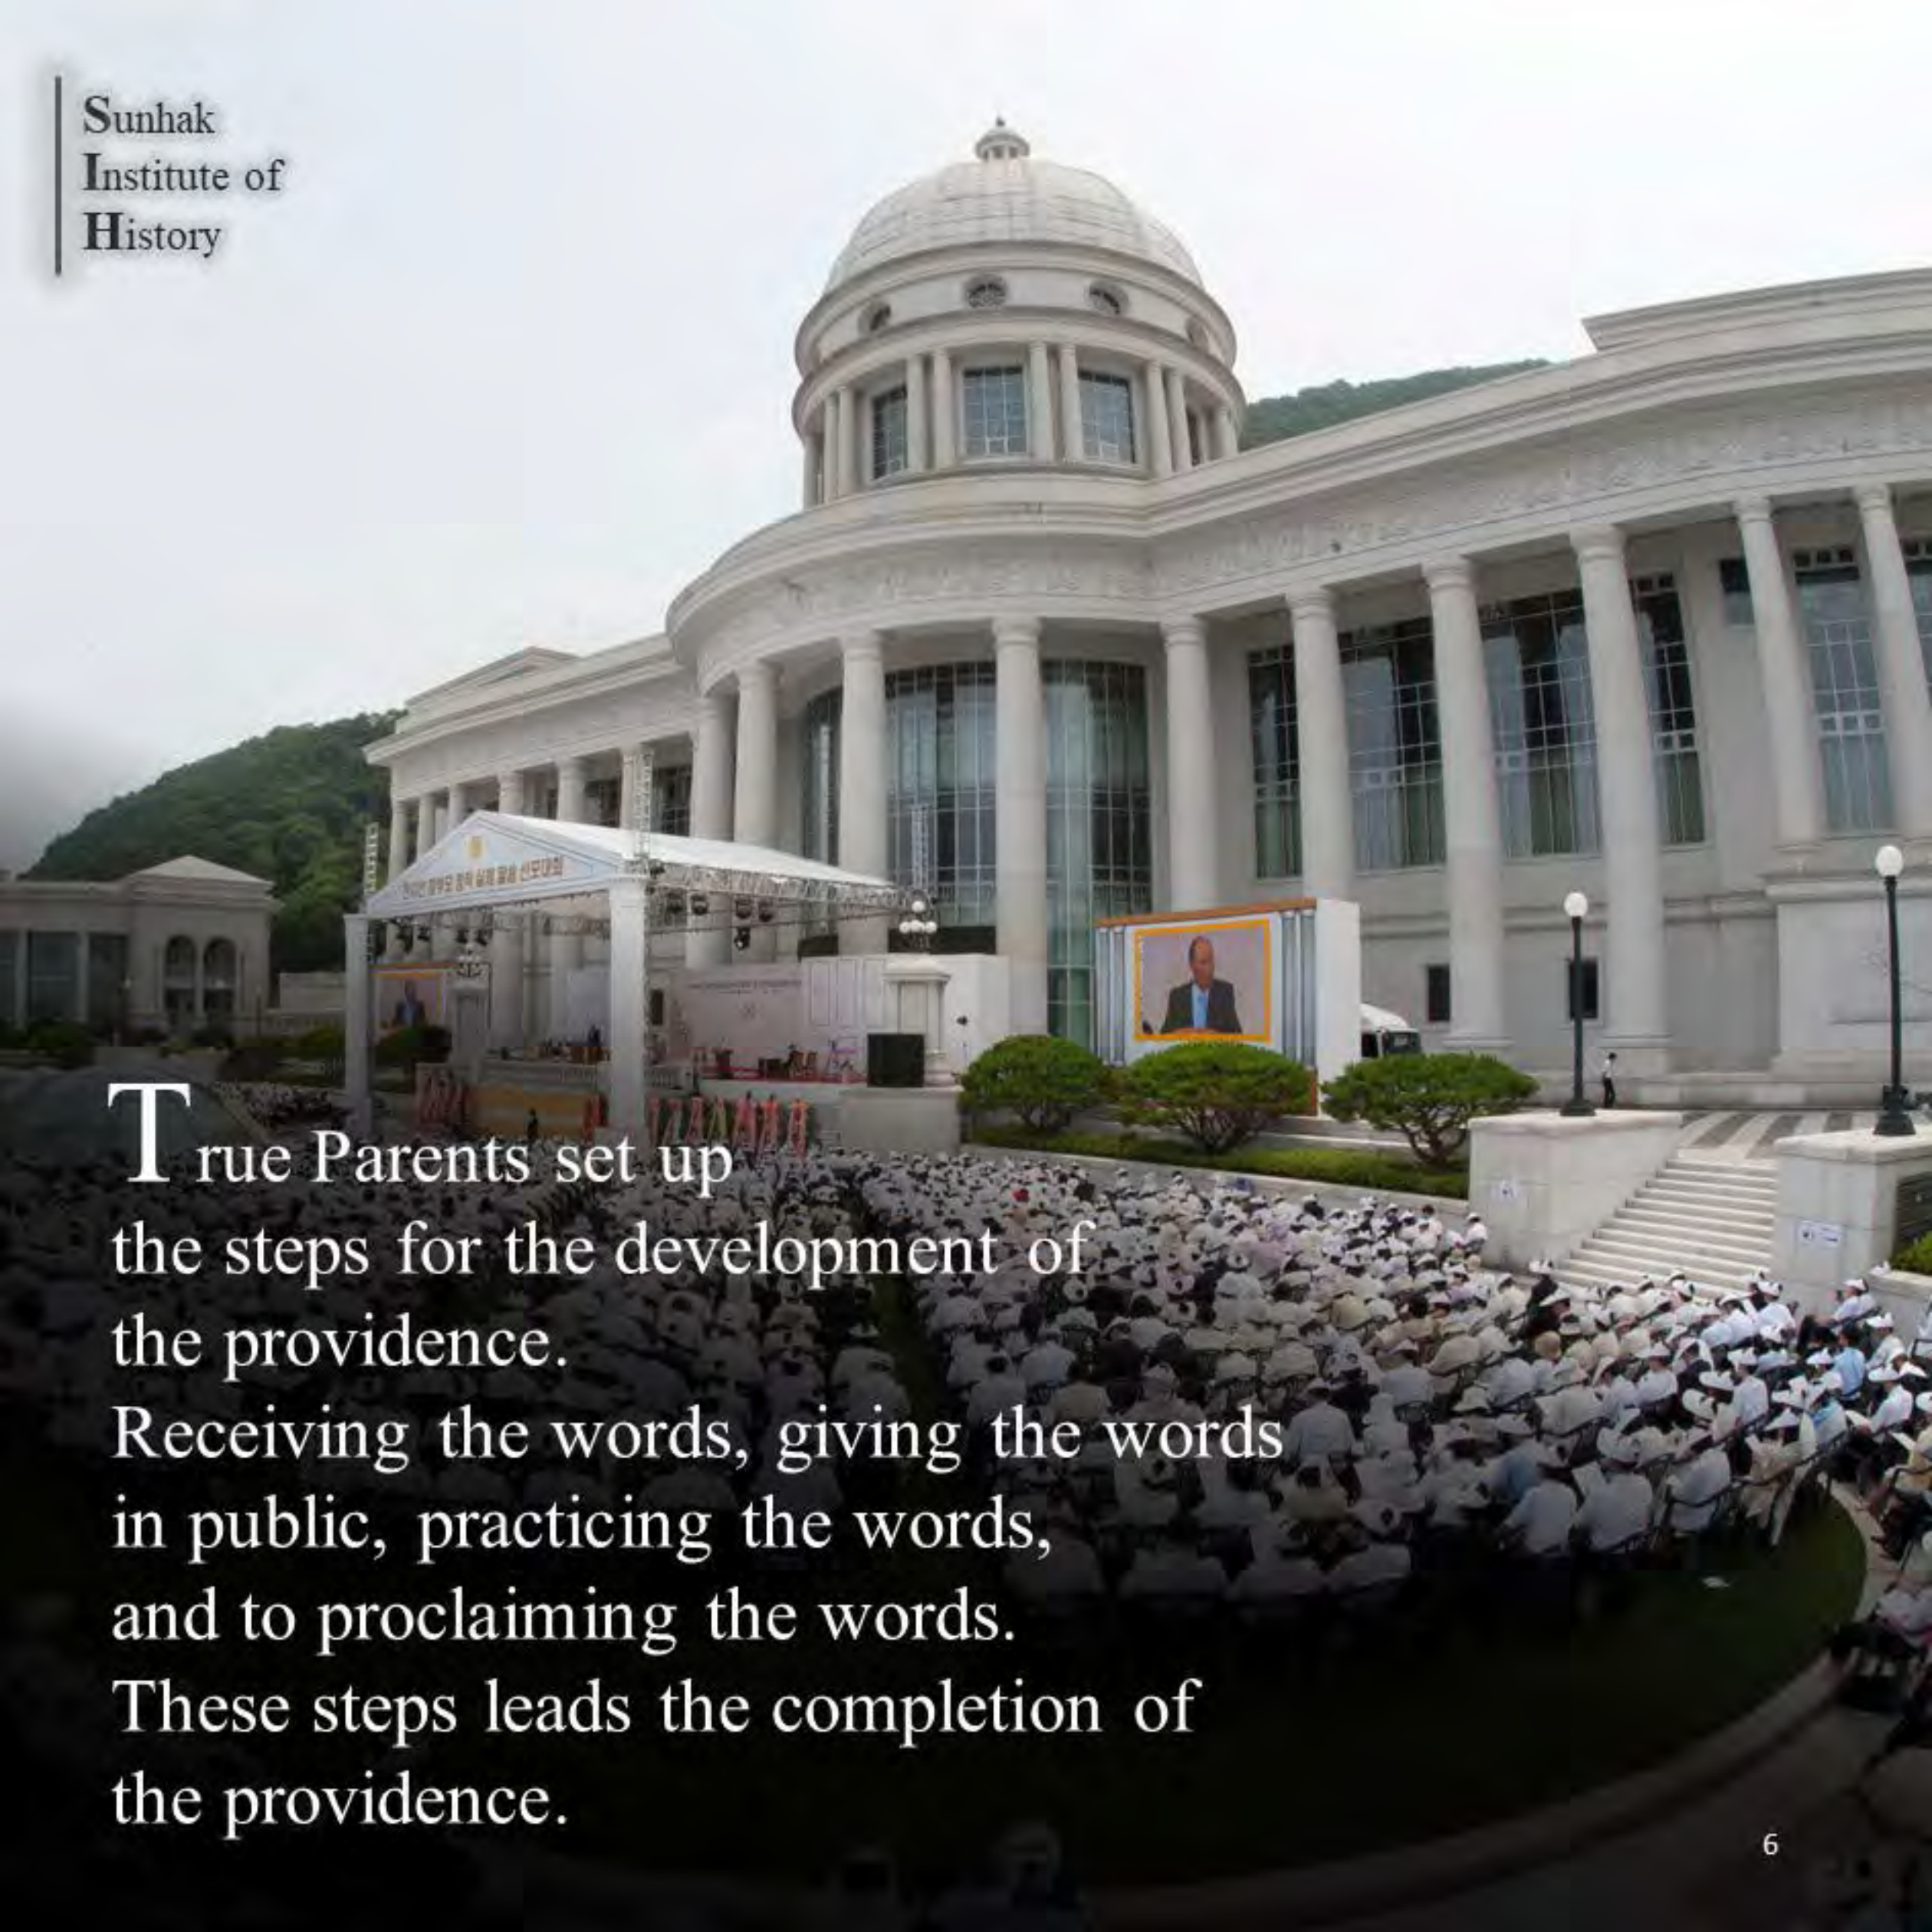

T rue Parents gave the speech to the audience. Though this speech, True Father proclaimed the settlement of the True Parents of Heaven, Earth and Humankind in Korea where is the God's homeland. There is one more meaning here, it is that the audience should take an action for the settlement of True Parnets.

The words of God is difficult for human beings to understand, so True Parents change it into the language we use.

Therefore, now, we can receive and understand the words from God, Heaven.

True Parents proclaimed the substance of the Word in order to restore the truth which Adam and Eve lost.

T rue Parents set up
the steps for the development of
the providence.
Receiving the words, giving the words
in public, practicing the words,
and to proclaiming the words.
These steps leads the completion of
the providence.

True parents published the eight True Parents' words books

Based on the words of God. They offer these books to heaven with the proclamation "It's done!".

True Father mentioned that "My life is the way of the Will. I am the owner of [Divine Principle]. I am the owner of the message of peace. I exist in the principle, and the principle in my mind."

True Father exists in the eight True Parents' words books and these books are in True Father's mind. Even though True Father passed away, he will stay in the True Parents' books eternally and educate the offspring of the human beings.

“

Distinguished guests, at this serious and important time, you need to make a revolutionary and cosmic change in your life.

In light of this,

let us summarize the message Heaven has given to us today. First, all blessed families should attend God at the center of their family, and every day carry out hoondok education, which can completely unite parents and children. In other words, you should thoroughly teach the Divine Principle, the textbooks and teaching materials that True Parents bequeathed, True Father's autobiography, and the Original Divine Principle content regarding absolute sex. Second, Heaven has permitted me to bestow the grace of the authority of Seonghwa for rebirth and resurrection on the family unit. The complete unity between parents and children is the requisite condition. In other words, you have to establish the standard for absolute parents and absolute children, and establish an absolute family as your normal course of events.

“

Third, humanity has moved out of the authority of the era of restoration through indemnity, thanks to the grace of True Parents, who have suffered hardship through which they have had to sweat blood. Therefore, do not forget the fact that during True Parents' lifetime we are responsible to liberate families, tribes, peoples, nations and the world, from hell's authority to God's dwelling place. Now that the era of restoration through indemnity has ended, what era is dawning? It is the reign of peace in the victorious authority centered on God and True Parents.

It will last for eternity. Fourth, we are now entering the era of the authority of God's direct dominion. Ladies and gentlemen, I have said that less than two years remain until the Heaven-proclaimed D-Day. I beg you to inscribe in your heart the fact that we have entered the era of the cosmic Sabbath's authority, where your direct family members in the spirit world will return to the earth to receive the Original Divine Principle education, and eight generations will live together as a single family. Aju!
