

Sun Myung Moon's Final Prayer

August 13, 2012

True Father was admitted to St. Mary's Hospital in Seoul on August 3, 2012, due to cold symptoms that worsened into pneumonia. On August 12, after 10 days of tests and treatment, he insisted on returning to the Cheon Jeong Gung Peace Palace. After arriving, True Father went from room to room in a wheelchair, visiting the East, West, North and South of the facility. He touched the table at which he and True Mother sat during Hoon Dok Hae and many other items, now and then saying, "Please be well."

Those things he could not touch with his hands he observed with his eyes, holding True Mother's hand tightly and repeating now and then, "Mother, thank you." The following day, True Father's condition continued to worsen. Nevertheless, he insisted on visiting Cheongshim Middle and High School, Chung Pyung World Peace Center and the Chung Pyung Training Center.

He then came to the sitting room in the Cheon Jeong Gung and asked for a digital recorder. He thought deeply for about ten minutes and then offered his final prayer:

"Today, as I have returned the completion of the final perfection of the Father, I am aware that I have offered my whole life up to this moment to the Father.

According to His Will, I am spending this time to bring my life to a conclusion, using this time to bring it to a close with Jeong Seong. ...

Tribal messiahs have established a name that can represent the nation.

I have accomplished all these tasks. I have accomplished everything."

Afterward True Mother took True Father to Cheongshim Medical Center, where his strength appeared to fail, and he was rushed back to St. Mary's Hospital in Seoul. He remained in the Intensive Care Unit there until August 31, when True Mother directed that he be returned to Cheongshim Medical Center. True Father ascended on September 3 (H.C. 7.17).
