

Updates about True Father

6.30 by the heavenly calendar in the 3rd year of Cheon-gi (August 17, 2012)

Beloved Brothers and Sisters,

Thank you from the bottom of my heart for offering jeongseong with all your heart for the sake of True Father's return to full health. The entire Unification Family has come together at this time to offer vigil prayer and a three-day fasting condition. We have always been *receiving* from True Parents; now we pray that our small jeongseong can reach Heaven and be used to bring about True Father's swift recovery.

This morning I was informed by the hospital that True Father's respiration is more stable than it was yesterday, and that his lung function is in the midst of gradual recovery. True Father is still in a deep sleep for treatment, but I believe True Father is aware of the fervent jeongseong and prayers of the entire worldwide Unification Family, beginning with those of True Mother and the True Children. I firmly believe True Father will recover.

Currently, True Mother and the True Children (Hyung-jin nim's family, Kook-jin nim's family, Hyo-jin nim's family, Heung-jin nim's family, In-jin nim's family, Kwon-jin nim's family, Sun-jin nim's family, Ye-jin nim, Eun-jin nim, Yeon-jin nim, Jeong-jin nim, Dong-sook nim and Shin-mi nim's family) are by True Father's side offering prayer and jeongseong. Patients admitted to the intensive care unit must be kept absolutely at rest and it is therefore not possible to touch or embrace the patient. However, after discussing it with the doctor, every hour True Mother and the True Children are giving massage to True Father's legs, arms and other parts of his body, which have accumulated the toils of ninety-two years of the providence, only to the extent that it assists his treatment. They are fervently praying for True Father to quickly be able to leave his hospital bed, even one day sooner.

Once again I ask that you continue to offer jeongseong so that True Father can quickly recover. Thank you.
