Fourth, you are created to spend nine months in the womb, perhaps one hundred years on earth breathing air, and then all eternity in the spirit world. You should understand that, just as proper preparation in the womb is required for a healthy life after birth, you must devote your earthly life to preparing yourself for the next stage of life in the spirit world. Never forget that all the time and everywhere, and no matter what you are doing, your ancestors in the spirit world are with you. Be ever mindful to live in harmony with the spirit world. Communicate in prayer with the heavenly world with sincerity and dedication, so that you may become perfected in your spirit self while you are living on the earth.

Fifth, your talents and abilities are required for the management and governance of Cheon Il Guk. Therefore, cut away and cast off your mask of selfish individualism now. It is but a remnant of the era before the coming of heaven. In order to belong to Heaven, you must change ownership by participating in the Ceremony of Returning Ownership, offering everything you own to God and then receiving it back from God. In addition, all citizens of Cheon Il Guk will provide funds for the wellbeing and peace of humanity, not by taxation but by voluntary contributions. They will demonstrate the model of offering the first three tenths of their income for public purposes. This cannot be an imposed tax; it has to be a gift that citizens offer willingly to Heaven with joyful hearts.

Sixth, beloved citizens of Cheon Il Guk, in the era after the coming of heaven it is possible to recover the ideal world of creation that was lost as a result of the Fall. God created everything in the universe as our natural environment; these are absolutely needed for human prosperity. Human beings and nature are meant to share a realm of mutual resonance, with humans as the subject partners of love and nature as the object partner thriving under human management and beautified by human creativity. We can no longer tolerate actions that destroy nature and pollute the environment. As citizens of Cheon Il Guk, please have the wisdom to protect and love nature. Return to nature and enjoy a life of liberation and complete inner freedom. To love nature is to love God and humanity. When human life resonates with nature, human character can blossom in perfection. The flowers of a true culture of heart, a true artistic world, will bloom. It will be the Garden of Eden, the original ideal where God, human beings and all creation live in complete harmony and express their original nature.

Seventh, the era after the coming of heaven that God and True Parents have opened is a time of dramatic change. As registered citizens of Cheon Il Guk, you have the mission to make this era blossom and bear fruit in blessing and glory. Therefore, please become Heaven's emissaries, fulfilling the dual missions of the "peace kingdom police force" and "peace kingdom corps." Serve humanity under the banner of the Universal Peace Federation, which is working to establish the position of the "Abel-type United Nations." Worthy countrymen and women, if not you, then who, will nurture and protect the blessed families and this blessed planet Earth that God has given us? Please become true princes and princesses who live in attendance to God as your vertical True Parent, for He is the Peace King of the multitudes. Let us build the everlasting peace kingdom by attending the King of Peace in Heaven and on Earth and fulfill the way of a true, devoted child, a patriot, a saint, and a member of the family of God's sons and daughters.
