Now, as the King of Peace in Heaven and Earth, I will declare, on this thirteenth day of June in the sixth year of Cheon Il Guk, the fundamental duties and mission that every citizen of Cheon Il Guk should understand and live by as they walk the way of Heaven. First, as God is the vertical True Parent and you are true children of God, you will establish the realm of three generations in your family, perfect the Four Great Realms of Heart, and attend God on the vertical axis for eternity.

Sixth,

Human beings and nature are meant to share a realm of mutual resonance, with humans as the subject partners of love and nature as the object partner thriving under human management and beautified by human creativity. We can no longer tolerate actions that destroy nature and pollute the environment.

As citizens of Cheon Il Guk, please have the wisdom to protect and love nature. Return to nature and enjoy a life of liberation and complete inner freedom. To love nature is to love God and humanity. When human life resonates with nature, human character can blossom in perfection. The flowers of a true culture of heart, a true artistic world, will bloom. It will be the Garden of Eden, the original ideal where God, human beings and all creation live in complete harmony and express their original nature.
