## 1 Request for Medical Angels

It is possible to request for medical angels to be sent to a member or a member's direct family who will soon undergo a difficult surgery. The medical angels will protect the patient as well as guide the hand of the surgeon so that the surgery is successful.

To apply for medical angels, please download the [form](#), fill it out, and send it to us by email ([cpintl2013@gmail.com](mailto:cpintl2013@gmail.com)).

Please send this email at least 24 hours before the surgery.

It is also recommended to offer jeongseong (sincere devotion) so that everything goes well by offering [wish papers](#) and making conditions (prayer, HDH, kyeong-bae, etc.) at home with family and friends.

---

## Request for Medical Angels

Please send medical angels to:

|   |
|---|
| 1. Name of Patient:                           |
