

4 Special 40-day Workshop for Blessed Wives

On the 41st True Day of All Things at East Garden, True Father said, "All blessed wives must attend a 40-day workshop in Chung Pyung." Following these directions, the 1st Chung Pyung Special 40-day Workshop for Blessed Wives started with the 36 couples blessed wives on June 25, 2003.

This Special 40-day Workshop for Blessed Wives that started from these words is a workshop so that Heavenly Parent can input each single detail of each individual and family, from name, life, character, etc., so He can bestow blessings upon us.

On November 17, 2004 True Parents received a report on the Special 40-day Workshop for Blessed Wives and once again said that all blessed wives of the world should attend a 40-day workshop in Chung Pyung, emphasizing the participation of the "Special 40-day Workshop for Blessed Wives."

Heung Jin Nim and Dae Mo Nim spoke about the meaning of the Special 40-day Workshop for Blessed Wives to the participating trainees as follows:

"On January 13, 2001, True Parents held 'Coronation of God's Kingship'. 'Coronation of God's Kingship' is bringing God back to the original position when He created all Creation. At the same time they opened the way so that we could report directly to God.

If this is so and God, from his position of when He created all Creation, asks, 'You received the blessing and removed original sin, so why did you live like that?' and asks us to be responsible we have no words to say. This is because the sins that we knowingly committed are very big.

But God said, 'Blessed wives should come to 40-day workshop and report all their past lives in detail at Jeongshim Won, which is the place we can interact most closely. I could not see the lives that you lived up to now. I could not see because I was in a different position.' Although He had seen everything, this was the only way he could say so that He would not be accused by Satan.

So this is why God and True Parents of love say, 'Report in detail all of your lives after the blessing attending 40-day workshop in Chung Pyung.' This is truly a great blessing. (Dae Mo Nim's Words March 3, 2005)

The "Special 40-day Workshop for Blessed Wives" is Heavenly Parent and True Parents' great blessing of love. The blessed wives who participate in this workshop realize that God is always close by with tears of repentance. They look back on their lives and make determination to become the children of God. All blessed wives must attend the Special 40-day Workshop for Blessed Wives and inherit the Heavenly Fortune that Heavenly Parent and True Parents are giving us to be reborn as true children.

If you do not come, your life will be difficult. There is no way to solve and forgive without confessing all your mistakes after receiving the blessing. A time to have direct give and take with God, a period to come face to face, connect your heart, and meet with Him. That is what the blessed wives 40-days workshop is. If you cannot attend the blessed wives 40-day workshop while you are on earth, you need to attend it even after you go to spirit world. You must know it is truly difficult to attend a workshop through your descendants. (Dae Mo Nim's words, 2007.10.6)

The Special 40-day Workshop for Blessed Wives is held together with the [General 40-day workshop](#). The basic details are the same, except for the fact that it is not possible to split the workshop into two 21-days.
