

## 5 International summer 2nd generation and youth workshop

Special Lecture by Mr. Moon

Every summer Chung Pyung Heaven and Earth Training Center holds a 21-day or 40-day workshop for International Youth. The goal of this workshop is to deeply understand the Shimjung (heart) of our Heavenly Parent and True Parents, and to become true owners of Cheon Il Guk. It is also a great chance to meet 2nd generation from all over the world.

Compared to the general 21-day and 40-day workshops which are held throughout the year, this summer youth workshop has more indoor and outdoor activities and is created to meet the interests of young people.

### True Father's words

**“You have to go to Chung Pyung and cleanse everything that has been dirtied through Satan’s blood lineage. The standard of being able to receive assistance from the angelic world has to be**

linked starting with the second generation. Therefore, every second generation without exception has to go to Chung Pyung, and if you cannot have spiritual experiences and cannot know yourself better during a 40-day workshop, you should undergo even 120 days or 6 months of training. All groups that belong to the Unification Church and received blessings, all the groups that have made a relationship with me up to now, there are many people receiving blessings and these people also need to go to Chung Pyung without exception.” (Morning Pledge on True Parents Birthday on Feb. 2 1998)
