FFWPU Ghana: Heavenly fortune shined again on Ghana when about 90 members gathered on October 17-18, 2015 at the headquarters in Accra to receive a special two day seminar for the inheritance of the Third Universal Seonghwa Memorial of True Father, Rev. Dr. Sun Myung Moon.

The main themes of this program where: "Let us inherit the substantial Word of True Parents and let us become true leaders of Cheon Il Guk", "We attend True Parents as One" and "Inherit- Remind-Reaffirm for the Victorious New Beginning" for Vision 2020".

The Sub-regional Director of West Africa, Dr. Paterne Zinsou, who came on behalf of the Regional President, was welcomed by the National Leader Rev. Anthony Arthur. He conveyed the heart of Heavenly Parent and True Parents beautifully to Blessed Central Families in Ghana.

Through six lecture presentations and a ceremony to inherit, remind and reaffirm, the congregation was brought to tears as they appreciated especially the significance of True Mother's role in the providence.

At the end, they made a determination to start anew by witnessing to themselves, then to members. And finally, they shall be victorious in their Tribal Messiahship missions with a fresh flame of fire.

"To the present day, Satan has taken possession of your hometown and has kicked you out of it, acting as if he were the owner. But now you are going to return to your hometown and kick Satan out. That is only proper. When that takes place, the good spirits will come to your hometown and guard it. They will strike all the evil spirits. That is the view of the Principle as well as my view."
