Dear Family,

Each year, the Family Education and Empowerment Foundation (FEEF) honors parents in our community who reflect the very best of parenthood—love, kindness, sacrifice, generosity, faith, and unwavering dedication to their children and families. In 1994, Congress passed a Joint Resolution establishing the fourth Sunday in July as National Parents’ Day, a time to recognize the essential role parents play in strengthening families, communities, and our nation.

We are seeking nominations for parents who go above and beyond in their responsibilities as caregivers, role models, and citizens—parents whose love, service, and example have made a meaningful difference in the lives of children and in the well-being of the broader community.

We warmly invite you to take a moment to reflect on the parents in your organization, congregation, or community who deserve to be recognized as Outstanding Parents of the Year. Nominations will be reviewed by the Parents’ Committee, and those selected will be honored at the celebration on Saturday, July 25th.

A nomination form is linked below for your convenience. Please complete the form and email it, along with photos of the couple and their family, to heidifeef@gmail.com by July 11, 2026. Thank you for helping us honor the vital role of parents and celebrate the love, strength, and commitment that build strong families and compassionate communities. Your nomination can help shine a light on parents whose example inspires others.

Sincerely,
Mimi Morse
