Dear Family,

In just over three weeks, on Saturday, September 20th, 2014 we will hold the *Rev. Sun Myung Moon National Memorial Service 2014* here in New York at the Manhattan Center. This will be an opportunity for our entire USA family to come together to give thanks for True Parents' devotion and sacrifice for the sake of America, and to encourage True Mother as she moves forward with their holy mission.

We will begin with a celebration for 2,100 people in the Hammerstein Ballroom, from 10:30am to 12:30pm (doors 9:30am) featuring song, music, dance, interfaith prayer, short testimonials and a special keynote address. In the spirit of the recently completed "God's Hope for America Holy Ground Pilgrimage" this will be a spiritually rich program for everyone. Please confidently invite your friends, family, clergy and Ambassadors for Peace to join us. We especially want to invite and encourage our youth and young adults to participate!

Immediately following the service, there will be a commemorative banquet for about 500 people in the Grand Ballroom at the Manhattan Center, from 1pm to 3pm. With limited space and strong interest, this banquet will be an all-ticket event. Further details will be available very soon from your pastor.

We are planning to broadcast the 10:30am National Service live, and offer a recorded version as well. Many communities are also planning local services throughout the country, and our goal and expectation is to have a beautiful memorial in every single state.

Since the New York program is our National Celebration, we are inviting all our District Pastors and those members within driving distance to join us at the Manhattan Center. We are expecting some visitors from overseas as well, including a special delegation from Korea.

Once again, we would like to cordially invite all Family Federation members, and members and friends, clergy and Ambassadors for Peace from ACLC, UPF, WFWP, and CARP to join us in this important national and nationwide celebration. Let's all unite together and honor our True Father, and encourage our True Mother, expressing our love, devotion and gratitude for all the love True Parents invested in America during the past 40 years.

Enclosed with this note, you will see a sample invitation letter that you can use and/or modify in your outreach efforts. Let's really celebrate and honor True Father, and True Parents, with a great outpouring of love and affection from all our families.

With all blessings and love,
