## **Invitation to Witness in Honolulu!**

Ki Hoon Kim and Michael Balcomb  
January 13, 2015

Dear Families,

We've just heard some very exciting news from Hawaii! True Mother is inviting nationwide participation in a three-week witnessing effort in Honolulu that she has initiated, beginning this coming Sunday, January 18. The program will be modeled on the successful campaign just concluded in Las Vegas, which you've all heard about. You can join for one, two or three weeks; and there will be a chance to do some sightseeing in Honolulu and make a side trip to Kona as well.

I (Dr. Balcomb) had the privilege to attend the Las Vegas witnessing campaign and it was truly reviving. Going out on the street each day, I saw the power of God manifest, lovingly guiding His children to come and study the Divine Principle and learn about good news of True Parents' coming. In just a few days, I was able to meet several very good people—and I'm by no means an expert. There was also the chance to teach and share with other people's contacts. It was so refreshing and a great way to start the new year of 2015. I'd like to encourage you too to seize the moment!

As in Las Vegas, one of our top priorities is to find young volunteers who will fit in well witnessing at the University of Hawaii campus. But everyone is invited to apply. Since there are a limited number of "slots" open for those who would like to join this initiative, it really is on a first-come, first-served basis.

If you are interested, please visit [familyfed.org](http://familyfed.org) for more information.
