Dear brothers and sisters of the 1800 Couples,

As the 40th Anniversary of the 1800 Couples Blessing draws near, we are pleased to announce that the New York 1800 Couples Committee is planning a special all daylong event at East Garden, on Sunday, February 8. We are pleased that celebrations are being planned in other regions as well.

The event will include a celebration luncheon, with entertainment, tours of both of our True Parents' homes, as well as time to pray in the clearing on the hill where Father and Mother themselves spent so many hours in prayer.

During the day, there will be an opportunity to record a personal message for our True Mother. These messages will be compiled into one video, along with the historic footage of the February 8th Blessing in Korea in 1975, and will be given to True Mother as a personal gift from all of us. In addition, a portrait photographer will be on hand to take photos, so please come dressed for the occasion. For those who will not be attending the event at East Garden, an arrangement will be made to include their messages in the video.

We would like to express our gratitude to Dr. Ki Hoon Kim, Dr. Michael Balcomb, and the USA National Headquarters for generously supporting this event, by providing the luncheon, as well as the staff and services related to the video and the photographs.

We would like to ask you to help us communicate with all of our 1800 couples in the US. Please take a few minutes to review the attached list. If you see anyone who may not receive communication through church channels, we would appreciate it if you would forward this memo to those brothers and sisters with whom you are in contact. We acknowledge that, though this list is our best record, it is incomplete, and may contain errors and omissions.

For those 1800 couples who do not live in the Northeast and would like to attend the event at East Garden, please contact Nanette Doroski.

We are working on the program and will have more details to share over the next two weeks. We look forward to welcoming our 1800 couple brothers and sisters to East Garden for this memorable event.

With warm regards,

Nanette Doroski
