On March 3, 2015, we will celebrate the Second Anniversary of Foundation Day. Foundation Day is a precious gift and an opportunity to forge a new beginning. It is first and foremost the ultimate offering of everything that our True Parents have accomplished in their lives. And the best part is, they want to share it with us.

We can celebrate their achievements and the efforts of our Unificationist blessed families by celebrating the inheritance of this foundation by actively participating in this coming anniversary with all of our hearts. It is an opportunity for us to offer something beautiful to God and to the world.

We ask all Unificationist blessed families, their guests and friends, to support this global celebration.

You can make an offering online or through your local church bookkeeper. Donations will be collected until March 31, 2015. Let's do our best in preparing for this heavenly occasion as we begin the third year of Cheon Il Guk.

Suggested Donation: \$130 or more per family

Donation period: Now until March 31, 2015 (2.12 in the third year of Cheon Il Guk on the Heavenly calendar)
