Dear Pastors and Community Leaders,

Please share this information with all families and guests in your communities.

We are happy to announce the 7-Day Transformational Divine Principle workshop and IPEC opening in Las Vegas. The workshop will run from May 22 to May 30, culminating with True Mother's arrival and official opening of IPEC.

As a fulfillment of our 2015 national witnessing revivals and rededication to Tribal Messiahship, this 7-Day workshop will be amazing. It is open to both Unificationists and guests. The purpose is personal transformation and revival.

The online registration is now open and all available information is posted here: <http://familyfed.org/dpworkshop/>

Please find a way to participate yourself, support a family member, or encourage your guest to attend. We attached the flyer for your use. More information and promotional material will be made available.
