Dear Pastors and Ministry Leaders,

Please share the attached flyers and message with your communities.

We'd like to share about two very exciting educational opportunities at the International Peace Education Center in Las Vegas:

A 7-Day Divine Principle retreat from November 21 to November 28,

and a 4-Day True Love Seminar from December 4 to December 6.

Educational content for both workshops will be presented by Rev. Andy Compton, Director of Education at IPEC. Participants will also have the opportunity to visit many of the beautiful sights in and around Las Vegas, including downtown Las Vegas, Lake Mead, the Hoover Dam, and the Grand Canyon.

Workshops are open to new guests and long time Unificationists of all ages. Families are welcome!

Registration is open at www.familyfed.org/dpworkshops

Hoping to see you in Vegas,
