Dearest Pastors and Community Leaders!

I hope all is well with you, your families and communities. Thank you for all your hard work and investment.

This is a reminder about the Aloha Leadership workshop taking place at East Garden, New York on December 28-31.

The deadline for applications is noon on Monday, December 21.

Please share this email with 16-20 year old youth and their parents in your community that you consider possible participants for this Aloha workshop. This is a wonderful opportunity and we want to make sure that as many young people as possible know about it.

This Aloha Leadership Workshop is a special program initiated by True Mother to invest in our youth, our future leaders, and to bequeath to them the love of our Heavenly Parent and True Parents.

However, this is not the only benefit of this workshop. This particular workshop is designed as a next stage of leadership - mentorship, a junior Top Gun, if you will. It will provide internal and external leadership training with the goal that each participant will implement a project within their community following the workshop with the support of our team and the National Youth Ministry Coordinator, Kaeliegh Moffitt. And so this program is also beneficial for the communities of the participants.

With that, I would like to ask you to share this information with your community and encourage prospective young people to attend.

Blessings to you,
