July 19, 2016

On August 19, 2016, Unificationists and friends from around the world will observe the 4th anniversary of True Father's Seonghwa (ascension). As we take this time to remember our True Father and reflect on True Parents' ever-growing legacy, the National Ministry Team invites you to participate in the 2016 Essay Competition commemorating True Father's Seonghwa anniversary, by which we celebrate one of the most powerful pieces of True Parents' legacy: their words. Read on for more details, and submit your entry using the form at the bottom of this page.

### **Cham Bumo Gyeong**

To access the most profound messages by True Parents, look no further than the Cham Bumo Gyeong, the third volume of the Holy Scriptures after the Cheon Seong Gyeong and Pyeong Hwa Gyeong. Published last year, on the occasion of the third anniversary of True Father's Seonghwa, the Cham Bumo Gyeong contains True Parents' life course described in their own words.

True Father's words sparked change in the world and have gone down in history as the most genuine and inspiring calls to center our lives on God. True Mother's words are filled with the spirit of love for all God's children and inspire the heart to know how to reach out with love. The Cham Bumo Gyeong contains some of True Parents' most powerful messages and reflections, including those on historical turning points in God's providence in America, including the Yankee Stadium Rally, Washington Monument Rally, and more.

If you have yet to own your personal copy of this profound scripture, you can order it here. By reading an excerpt each day, there's still plenty of time to study the Cham Bumo Gyeong and participate in this year's essay competition.
