

National Council Member Survey: Help Us Help You

Michael Balcomb
September 9, 2016

The following is a letter from the Chair of the National Council inviting all American Unificationists to offer feedback about their experiences with and hopes for the Unification movement in the United States. Please click the survey link below to share your valuable input and your heart as a Unificationist.

Dear Brothers and Sisters,

Below is a link to the National Council Member Survey, and your participation is needed. By filling out this anonymous survey, you are providing valuable input from the field on questions about our movement here in the United States and your own heart as a Unificationist. Questions were compiled based on feedback from a sampling of both first- and second-generation Unificationists across the country, regarding important areas that are doing well, not so well, or could “use improvement.”

We encourage you to be honest and candid in your responses. There are some short, multiple choice questions, and also room for your own narratives to provide input on anything regarding church matters as they are, or how you hope they would/could be going forward. You will be heard. The National Council was established to be a liaison between our members in the field and our National Ministry Team, to build relationships and foster good communication. Your input and the results of this national survey will give us solid feedback for discussion, review, and a foundation to propose new recommendations going forward.

As an incentive, and also as a THANK YOU!, all responders to the survey will have a chance to win one of 25, \$20 Amazon Gift Cards, which will be awarded at the conclusion of the bi-annual meeting of the National Council on October 2 in Dallas. So stay posted! Time is short, so we encourage you to fill out the survey today and share it with others. Help us help you!

Sincerely,

2016 FFWPU National Council

Mari Curry, President
