

## **Wanted: 10 Volunteers to Prepare Cleeve House for Summer Activities**

Michael Balcomb

June 26, 2020

WANTED: 10 Volunteers for a week of hard, hard labor. No weaklings please.

Summer is upon us, and Cleeve House is opening up after lockdown to host many workshops and camps, following government guidelines, of course.

But we need a spring cleaning of truly cosmic proportions to clear away 20+ years of "stuff" from inside and outside the building.

- > House cleaning
- > Gardening / Landscaping
- > Rubbish removal and burning
- > Live on site with other volunteers under professional leadership. Room and Board provided.

Arrival date: Sunday 5th July

Start date: Monday 6th July

End date: Saturday 11th July

Possible 2nd week option.
