7. a TESTIMONIES

Mrs. Nina Kosareva, Moscow event

”I thank to Heavenly Parent and True Parents for the grace of liberation and the blessing of the ancestors, for the opportunity to participate in this CheonBo event, to be free from the influence of evil spirits and their work. During the time of Prs. Lee Gi-Song’s lecture I heard a praising song, although the song was not heard physically, they were heard by my heart, and I was touched by his devotion. It prompted me to cry with tears of gratitude and love for my True Parents. I really want the time when people can finally live in the Cheon Il Guk and it would come as soon as possible. So, that our beloved Heavenly Parent can finally rejoice, and find peace in His heart, and a home for Himself in this physical world, where people would yearn to live in accordance with His laws in his boundless eternal True Love, which cannot be compared to anything! Thank you!”

7. b TESTIMONIES

Anonymous, Female, Ufa Event

“In this CheonBo Seminar reassured my heart and soul. Especially in Cheonshim Won prayer room I received heaven’s grace. **When True Mother says: „If you have struggles please feel that True Parents are close to you and with you.”** I am realizing how much I am happy and blessed. I asked myself again: **Why am I here with True Parents? Because it is the only truth, through True Parents I am entering to God’s lineage, I feel here is my home. Words of Prs. Lee also touched my heart: „Who is my Father? Who is my Mother?” I should feel True Parents as my own parents because this is true.** I am preparing to start family and the three days’ ceremony, so this seminar is special for me to remind myself God’s point of view in terms of starting family. I promise, I will accomplish HTM Mission and YSP mission. Thank you Heavenly Parent and True Parents for the salvation and the Amazing Grace!”

7. c TESTIMONIES

Mary Cris Dionio Azizi, 31 years, female, Albania event

"Dear True Mother,

Today's CheonBo event is very precious to me. **I'm very happy because finally I could give blessing to my 211-430 ancestors. I have waited so much for this time and I always prayed and tried my best to fulfil this. I always wanted to do my best to be able to help you and contribute in accomplishing vision 2020.** Now with the help of my 1-430 Blessed Ancestors I am hoping that my husband and I can fulfill our 430 Heavenly Tribal Messiah Mission. True Mother, thank you very much for this special grace you have given to us. Saranghamnida, Kamsamnida Chambumonim."

7. d TESTIMONIES

Blessed Sister, Albanian, 23 years, Albania event

“Today CheonBo event was very heartfelt. I really felt grateful to be part of it. I enjoyed the prayer room and the time there and I felt so close to CheongPyeong. During Chanyang session I felt like I was in CheongPyeong. I felt like it was the same energy and atmosphere. During the Chanyang I can't explain why but I just felt like crying all the time. Then after it was finished, **during the prayer I had a kind of a vision like I was seeing the ancestors walking through a dark hole that was long as a channel and my idea and feeling about it was like they were going to the 100 days' workshop.** In general, it was a very good feeling to be part of the workshop and I'm really grateful to True Mother for all the grace She is giving to us.”

Thank you True Parents!!
