UK HARP Summer Workshop 20th August - 27th August at Cleeve House

We are excited to announce that this year's HARP summer workshop will take place at Cleeve House! We intend to abide by the rules laid out by our government and are hopeful about being able to hold a summer workshop "as close to normal as possible". However, if there are any changes to COVID-19 regulations and restrictions on social distancing, there is a possibility that plans may change. We will keep an eye out for any changes and update you if it affects/changes our plans.

We hope to see you there!
