# 7. a TESTIMONIES

## **Mrs. Zsuzsanna Klimes, National Leader of Hungary, Budapest event, July 10th 2021**

"This CheonBo event was truly very emotional and tearful for me. Already on Friday when we connected on prayer zoom with the Cheon Shim Won during Rev. In Pyo Moon's prayer I just could not stop crying. Tears of gratitude were flowing from my eyes thinking that we have so much grace to be able to liberate ancestors and many many evil resentful spirits. **Today again at the opening prayer of Rev. Moon I had goose bumps all over my body and the tears were flowing from my eyes. My whole body was shaking. I felt so regretful that there is so much pain that our Heavenly Parent has had to bear all throughout human history. At the same time I felt so grateful that through our True Parents we have hope.** I believe that thanks to these Hyojeong CheonBo VOD events little by little we can strengthen the absolutely good spirit world and win the whole world back to our Heavenly Parent. **Today when Rev. Moon was declaring the event, I felt the army of good angels ready to fight against evil. This was a solemn moment. Thank you True Parents! Thank you our beloved Heavenly Parent for your endless unconditional love."**

# 7. b TESTIMONIES

## Anonymous, Moldova Event, July 10th 2021

"This time I liberated only collateral spirits and not direct ancestors. So when the time came to talk to our ancestors, first I started thinking to whom I should talk. **And then suddenly I felt that the liberated collaterals came next to me and I naturally talked to them. It was something beautiful and natural from heart to heart that I would never think of with my brain. While expressing them the word of encouragement deep tears came to my eyes.** For me it was a deep spiritual experience. Thank You, Heavenly Parent and True Parents of Heaven, Earth and Humankind."

# 7. c TESTIMONIES

**Anonymous, 2. Gen. M, 16, Budapest Event, July 10th 2021**

"I'm very grateful for being able to participate on this event. The atmosphere was very good throughout the event and I wish that everyone in the world can receive this blessing. **I had two memorable experiences: realising that our life is finite and that we should not waste it.** Thank you for being able to participate with amazing people and leaders, I really enjoyed this event."

## 7. d TESTIMONIES

**Anonymous, M, Estonia Event, July 10th 2021**

"My cousin and my stepfather died one after another. I've been seeking a possibility to liberate and bless them. **The destiny of my cousin was hard and her death became a liberation for her parents, but in her heart resentment remained towards me and her parents for her bad luck.** That's why sometimes I felt her influence on our family. **I think that now she has found peace and God's love through the ceremony.** I was amazed by the story of the Blessed Family which adopted a seventeen-year old girl after the Tiger Lake tragedy. It remained deep in my heart. I'm grateful to True Parents, Dae Mo Nim and to all brothers and sisters who participated in the CheonPyeong providence!"

# 7. e TESTIMONIES

**Rev. Giuseppe Cali, South-EU Regional Director, Rome Event,  
June 12th 2021**

*(Highlight of the testimony)*

”Originally, we intended to have this liberation event in October, according to our yearly plan. But when the request arrived to select countries for this July 10<sup>th</sup> event, I strongly felt that it was the right time for Italy. At that time, I could not understand why, but an inner voice told me that I should have applied right away. After consulting with my wife and with other leaders, we decided to offer Italy and the city of Rome for the CheonBo event this time. The community of Rome united with our decision and we could have enough couples to attend the meeting, despite the COVID restrictions. When I was asked to record a video to inspire the four countries, Moldova, Hungary, Estonia and Italy that organized this event, everything became clear. Italy is going through a most critical time, nowadays. There is a strong spiritual confrontation centred on the issue of LGTB+ (as they call it), to make a new law to educate elementary and middle school children to freely choose their sex, with the excuse to prevent violence and discrimination. In just three days we will have a final decision, and I really felt that the future of Italy will be decided according to the outcome. *(continues on next slide)*

## 7. e TESTIMONIES

In just three days we will have a final decision, and I really felt that the future of Italy will be decided according to the outcome. I'm praying desperately every day to call ancestors to support the building of a Heavenly culture and prevent my country to strengthen in such a way the archangelic culture. I was even scolding ancestors and saints, for not doing enough to support the Heavenly Providence. Then, while praying to prepare my video speech, the answer came: they needed a bridge, a channel! This was the CheonBo event that came exactly at the right time! It was like a revelation! I couldn't stop crying tears of gratitude to Heaven, that guided me to establish the proper condition through this liberation and Blessing. Then in the early morning, while praying to prepare to start, another clear call came: "you must offer a HJ paper for your country! This will strengthen our possibility to help. Don't hesitate, just do it!" I spoke with my wife and we decided to offer a golden paper. We went to the prayer room, bowed, prayed and offered it. I felt an intense embrace of gratitude from Heaven and a sense of liberation and accomplishment at the same time. Whatever will happen in just few days with this new satanic law, I know now, our Heavenly Parent, will take responsibility for it. Italy, as all other European countries should go back to him and receive True Parents, there is no other way out from the darkness that this wrong culture created.

**Thank you True Parents!**
