# 7. a TESTIMONIES

**Israel Anonymous, 2.Generation member, Haifa, Israel Event, 2021.12.11.**

”I enjoyed helping during the event. **As a second generation member growing up and doing lots of conditions, I can't feel God in my daily life. Even I prayed really hard. The prayer in the special (cheonshim won) prayerroom was an amazing experience and I could feel this connection to God, that I was missing so much.** I felt that all my wishes were heard, and I could be the most honest and true with him, I was so happy from this precious opportunity.”

# 7. b TESTIMONIES

**Pavlov Alexey, 46, Male, Ufa, Russia Event, 2021.12.11.**

”Dear Heavenly Parent, dear True Parents of Heaven, Earth and Humankind. Thank you for the amazing and precious opportunity to participate in the CheonBo Seminar. **I am more and more aware of the value of my purification,** thanks to the liberation of spirits and their further transformation into spirits of absolute goodness. **By freeing myself from the problems of our bloodline, I will be able to be more useful to the providence of Heaven by fulfilling my daily Jeonseong. May the Grace of Heaven granted to us become the property of all the people of the earth, your precious children.”**

# 7. c TESTIMONIES

**Marina Batova, 40, Female, Ulyanovsk Russia Event, 2021.12.11.**

”This seminar was special for me. I could take every word to myself, I was the local MC for 4 cities, and to those participants of the CheonBo Seminar at December 11th. And all the three videos were translated by me simultaneously. Every word resonated and echoed in my soul. Unforgettable experience. There were moments when I could hardly hold back my tears, a wave of emotions rolled over me: **how vividly it was said about the sufferings of the spirits in hell and what kind of liberation they were able to receive thanks to the Jeonseong of True Parents and descendants on earth. I felt more deeply that Heavenly Parent and the True Parents would not be free and happy until the last spirit received liberation and rebirth as an absolute spirit of goodness. True Parents are truly the Messiah. True Mother truly is the Holy Spirit.** I cannot describe it in words, my deeds will be a testimony. I see how we lack education about CheonBo Providence, and **the words what we hear at every seminar gives the education and purifying us, bringing us closer to the Heavenly Parent and understand the Heart of God and True Parents.** Huge gratitude to the staff of the European Branch of CheonBo for their sincere dedication.”

# 7. d TESTIMONIES

**Anna Goryunova, 33, Female, Ulyanovsk, Russia Event, 2021.12.11.**

"I am very grateful to Our Heavenly Parent, True Parents, coordinators, Russian Zoom translator and all the organizers of HJ CheonBo workshop on December 11, 2021. I am always amazed how much love there are in our elder brothers Prs. Inpyo Moon, Mr. Tibor Krebsz, Dr. Michael Balcomb and others. The amazing thing is that they thanked us for participating in this CheonBo Workshop. But actually this is a grace for us! We are the one who should repent and say the words of unmeasurable gratitude, be happy for the opportunity to clean ourselves from evil spirits, giving liberation and blessing to our ancestors, who will become our support and protection during our lifetime. And they, the elder brothers thanked! How I wish I had a heart even a little like theirs. As Prs. Moon said in his prayer, **"How can we have such a loving heart? Love unconditionally."** What a deep and penetrating prayer! All words are deep and full of love throughout all words of Prs. Moon. Thanks a lot! And even he, having in leader position of CheonBo EUME, said, **"I am learning to develop a heart"**. In this case what must we do with our small hearts? Thanks a lot, to all the brothers and sisters who contributed to the seminar to one way or another. Let this workshop be one more condition for the Russian hoard. Aju!"

# 7. e TESTIMONIES

**Anonymous, 46, Female, Budapest, Hungary Event, 2021.12.11.**

“Today’s event was special as the last CheonBo event during this year of 2021. People are still struggling with the world pandemic, sometimes they do not have hope in the future. Today, especially I enjoyed the videos from Korea on the development of HJ Cheonshim Won Complex and the speech of Rev. Lee Gi Seong. They brought back memories of my trip to Korea and a big desire to go back again and be there together with other brothers and sisters. One particular detail in today’s ceremonies was about holding hands. I observed that the officiator couple held hands during the prayer or during watching the videos. Of course, I envied them, we don’t do it normally with my spouse. They looked cute, of course, but still I had a little pain in my heart about that. Then **the moment came during ancestors’ liberation ceremony, when they asked us to put our left hand, into the right, as a symbol of holding the hands of the spirits who participated in the ceremony. So, we held their hands as they were there. Then I felt „Oh, so special, these spirits may long too to hold hands with us, and they feel so good and warm when we hold hands. And there is the chance. I can do it and they can do it. Such a beautiful moment!”** Then I felt so grateful, because I still have my physical body and I can use it for a higher purpose. **Then I thought, when later they explained, that the spirits will be asked to come down to earth, maybe I will try to hold their hands again whenever I pray, because then I will feel they are really with me, and my prayer is not just a monologue, but we are there together. I am not lonely anymore and they will feel my love this way. I miss so much this sense of togetherness, but from now on will be different. I found a way to express it in a physical way. Then we will pray holding our hands together with theirs and we will feel like we belong together.** Thank you so much!”

Thank you True Parents!
