

FFWPU UK: Help True Parents - 3 Major Series Of Events And 2 Donations

Michael Balcomb
January 21, 2022

In just a few days' time, on 1st February 2022, we will welcome the Lunar New Year, which as True Mother has explained will be the dynamic and exciting year of the Black Tiger! In preparation, Fumiko and I would like to share with you about some the ways in which our Europe and Middle East Community is being invited to participate in and support True Parents' upcoming events in Korea.

In summary, there will be **three major series of events** both online and offline that we can and should attend to the best of our ability. All are connected with the central providential goal of restoring the Heavenly Unified Korea in this coming year. In addition to these events, there are **two donation opportunities** for us to make a financial contribution. Here are some details:

EVENTS

A) Think Tank 2022. This will be held from **1st-3rd February ONLINE**. All the major UPF Associations will hold online sessions which will take place during daytime hours. UPF EUME will be partnering with the USA, Africa and other regions for some of these sessions. There is an impressive roster of speakers and we expect that these events will be interesting and informative.

Action Step: Support your local UPF, promote the Think Tank, and attend yourself as many sessions as you can.

B) True Parents' 102nd and 79th Birthday Celebrations which will be held on a regional, national and community level **OFFLINE/IN PERSON on Sunday 6th February**.

Action Steps: Where possible and safe to do so, members should prepare a Holy Table and gather together in person. This a great opportunity to invite friends and family. An online celebration is also acceptable and each family is encouraged to create a small offering table in their own homes if they are unable to attend a public program. Don't forget to take photographs! Also, there is still time to send a birthday card to True Mother.

C) World Summit 2022 from 11th February to 13th February. This is expected to be a series of interactive online and hybrid events, including the Summit Assembly, the Sunhak Peace Prize, the 2-Million Rally for Korean Unification and more. For us here in EUME this will be taking place **ONLINE** in the small hours each morning.

Action Steps: A few representatives may be going to Korea to attend the events there. But for most of us this will mean joining one or more of the online programs, sometimes by two-way broadcast and sometimes by just watching on YouTube. As always, your speedy comments and reflections are much appreciated.

D) Victory Celebration, 14th or 15th February to be confirmed. This may or may not also include an observance of Foundation Day which falls on February 13th.

Action Steps: we expect there will be a worldwide broadcast of this event, which we should join.

DONATIONS

There are TWO separate donations being requested at this time. Both are important.

The information about how to send your donations can be found at the bottom of this article.

1) True Parents' Birthday and Foundation Day offering. We have been doing this for many years. The requested / suggested amounts have not changed: the suggested amount is \$120 / €100 for individuals and \$210 / €190 for families. However, this donation can also be offered according to a reduced sliding scale based on the economic group that your nation is in. More details are in the official IHQ memo (see above).

As always, we encourage all members and families to give as much as they can, and where possible, even more than is requested! If you can manage the international standard then please do so, even if you happen to reside in a nation that is in a lower group. However, it is completely acceptable to contribute according to the group level. We believe that it is very important that as many EUME families as possible can make this offering.

2) The Unification Fund for a Heavenly Unified Korea. This is a new request, and is directly connected to the goal of Korean Reunification. The intention is to provide a way that all of us can contribute something towards this lofty goal even though we can't go to Korea and may not be able to do much else apart from attending at least some of the events listed above.

There are three "at least" amounts suggested for the Unification Fund:

- \$200 / €185 per FFWPU household (individual or family) for the "regular level" donation
- \$1000 / €925 per FFWPU household (individual or family) for the "higher level" donation. Those able to contribute at this level will receive a pin / badge / medallion of appreciation.
- \$20 / €20 per person for UPF Ambassadors of Peace and other members of the Holy Community who would like to support the cause.

There are more details in the official IHQ memo (see below). It is not yet clear whether the Unification Fund donation can also be offered on a "Group Scale." Once again, we hope everyone will do their best to offer whatever they can.

For both these donations, it is possible to make an additional donation on behalf of someone else – such as a family member – if you would like to do so.

In addition to the above events and donation requests, there could well be other opportunities to join with True Parents online, sometimes at quite short notice. We will do our best to keep everyone informed.

Thank you all! Let's make the Year of the Black Tiger one to remember!

Sincerely,

Michael and Fumiko Balcomb

Regional President, Heavenly Europe and the Middle East

Re. : Unification Fund for a Heavenly Unified Korea

May the blessing and love of our Heavenly Parent and True Parents be with you each day.

True Parents declared Vision 2027 and have offered their devoted effort by day and by night to substantially complete the holy work of actualizing Cheon Il Guk, based on the victorious authority of having proclaimed its firm establishment.

Recently, in order to lay the foundation for a heavenly unified Korea on the Korean Peninsula by 2022, the homeland of God's providence, we have held Rallies of Hope and forums centering on THINK TANK 2022. We have held events such as the "Prayer Rallies for the Salvation of Our Homeland and the Realization of a Heavenly Unified Korea" and "Peace Forums for a Heavenly Unified Korea."

These events encourage not only the Republic of Korea but also all people of the world to participate in the peaceful reunification of the Korean Peninsula.

In addition, on the upcoming True Parents' Birthday and Foundation Day, top leaders from 157 countries that have joint diplomatic ties between the two Koreas are invited to present a vision for a peaceful reunification of the Korean Peninsula. We are preparing for the "Summit for Peace on the Korean Peninsula and for the Realization of a Heavenly Unified Korea" and to invite one million people to the "Rally for the Salvation of Our Homeland and the Realization of a Heavenly Unified Korea."

Accordingly, the International Headquarters asks that blessed families and all peace-loving citizens from all over the world gather their hearts together for the peaceful reunification of the Korean Peninsula under the slogan of "May the prayers of 1 million substantiate as a vision."
