

FFWPU Europe and Middle East: Join The HyoJeong Missionary Program

Michael Balcomb
March 8, 2022

Experience the Heart of God and True Parents by Studying and Teaching the Divine Principle on the Frontline of the Providence!

[Registration Form](#)

Registration for the Hyo Jeong EUME Missionary Program in Spring 2022 will remain open until the kick-off workshop, but if possible, please register before 25th March.

For more details regarding the program, please see our [announcement memo](#) and the [recording of our info session](#), during which we also answered some questions from potential participants.

Three updates to our announcement memo:

1. Current COVID regulations allow individuals who are neither vaccinated nor recovered to enter and remain in Austria. Therefore we currently do not have any requirement for our participants to be vaccinated or recovered. If regulations change during the program, all participants will be responsible to ensure that they can meet those regulations in order to remain in the program.
2. The kick-off workshop may be shortened from two weeks to one week depending on a few factors. We will keep all participants aware of the situation as it unfolds, but we are currently still planning for 2-17 April.
3. We are exploring the possibility of spending the first 40-day witnessing condition in Albania before returning to Central Europe for the second 40-day witnessing condition.

As the announcement memo outlines, the total cost for the 4-month program will be 2000 Euro, however only 1200 Euro is due before the kick-off workshop. Payment information will be sent out before the end of March.

Please contact us at HJ.EMP.staff@gmail.com if you have any questions!

We look forward to growing with you!

Hyo Jeong Europe and Middle East Missionary Program

February 19, 2022

Dear brothers and sisters,

In Autumn 2021 we inaugurated the Hyo Jeong Youth Academy in Europe with a 40-day workshop, in which 82 young Unificationists were able to learn and grow together through an exciting online course in spiritual leadership.

Having entered the year of the Black Tiger, we want to introduce the next iteration of activities of the HJ Youth Academy. In spring and summer of this year, young brothers and sisters are invited to join the **Hyo Jeong EUME Missionary Program (EMP)**!

EMP will be a 4-month program for young Unificationists (aged 18-35) to experience spiritual growth, develop their character, and become closer to our Heavenly Parent by connecting with God's parental heart through witnessing and taking care of others. Through studying and teaching the Divine Principle, EMP participants will learn to live the Divine Principle in their daily lives and become supportive pillars for their communities.

There will be four main parts of the program: a Kick-off Workshop, a center-life witnessing mission experience, a Divine Principle Workshop with guests, and a Conclusion Workshop.

Dates:

Kick-off Workshop	→ April 2 - 17
Witnessing (two 40-day conditions with short intermission)	→ April 17 - July 9
Divine Principle Workshop (with guests)	→ July 9 - 23
Conclusion Workshop	→ July 23 - 26

The workshops will take place at our newly-renovated training center in Gafrenz, Austria, and EMP participants will witness in cities such as Prague and Vienna and other cities in the EUME Region.

Why should you attend?

Spirit and Truth are key to developing our relationship with the living God, and a living relationship with our Heavenly Parent is the only reliable foundation for a meaningful and happy life. While shorter Workshops give us a taste of these, a longer mission experience allows us to tap more deeply into the **Divine Principle** and the **spirit of Hyo Jeong** (the filial

heart that is the source of true confidence, creativity, and self-realization). By studying and teaching the Divine Principle you will testify to and witness its life-transforming power. EMP will help you to find your calling in God's providence and become a supportive pillar for your community, the place where you will settle your family and raise your children.

Why "EMP"?

The most common understanding of the acronym is "Electro-Magnetic Pulse", which is a burst of energy that can interfere with electronics among other things. Like an EMP, our missionaries are a pulse of Universal Prime Energy disrupting the status-quo in a city and resetting the environment. Let's bring a shockwave of Heavenly Parent's love to the world!

"Become a magnet, a mover of people's spirits; become a spiritual magnet, drawing people with love. Maintain this condition or attitude, and then your prayer will become a reality."

- True Father, November 27, 1978

"All of you, please become magnets for True Parents. Please completely unite with True Parents. The principle of magnets is that magnets attract other ferrous metals. Therefore, through your activities, through your efforts, through your initiatives, countless righteous people will gather near you just as a magnet attracts ferrous metals. With confidence, please reveal and announce who you are, announce your identity."

- True Mother, February 6, 2022

Program Expenses

The EMP staff will be provided by FFWPU Europe & Middle East, and the costs to cover basic living and traveling expenses for each participant is estimated at €2000 for the 4-month program. Due to the limited time before the beginning of the program, of the €2000 total, **€1200 will be due by March 26**. The remaining €800 will be due halfway through the program (June 1) and can be funded personally, or with support from various sources. We encourage families, communities, and nations to seriously consider financially supporting their interested young members as it will surely be a valuable investment for the future. If you have financial questions or need help, please feel free to reach out to the EMP staff (HJ.EMP.staff@gmail.com).

Projected Costs:

Kick-off Workshop	= €280
Witnessing Living Expenses	= €1240
Divine Principle Workshop	= €280
Conclusion Workshop	= €50
Miscellaneous	= €150
—	
Total	= €2000

If you are at all interested in the program, please fill out this questionnaire (<https://forms.gle/sAPNLyuQSuhwex5WA>) by February 28. **This is not registration for the program and is non-binding**. On March 3, we will have an informational call to discuss the program and answer any questions.

Due to current COVID regulations in the countries to which we are considering sending our participants, **all HJ EMP members will need to be fully vaccinated by the beginning of the program (April 2)**. We will monitor the various COVID regulations leading up to our Kick-off Workshop and will communicate all updates, including any changes that will need to be made due to governmental decisions outside of our control.

Sincerely,
Your EMP Team
