About our Speakers:

David and Mitsue were blessed in 1982. They have 7 children and have been operating a crab business for 33 years. Nine years ago they started the (BMP) Blessed Marriage Project to help couples create deeper intimacy and better communication. In 2015 they launched High Noon to address the pornography epidemic in our UC community and throughout the world. Since then, they have made the decision to focus their time and resources on helping young people to grow their sexual integrity and to help couples create Radiant Blessings.

If you are new to MMM and have never registered before, please fill out the [online registration form](#) before 9pm BST on the day before the event, so that we know in which discussion group to put you.

Please be sure to add us to your contact list, to avoid missing our emails. Feel free to share this information with any blessed couple you think might be interested.

Discussion Groups:

After the talk we will split into discussion groups: the groups are made of 5-7 people, and we try our best to put together couples of similar circumstances.

MMM - Creating a thriving community of fulfilled blessed couples.

Life is busy and it can be hard to find time to connect with other couples in our international community.

Make the Most of Marriage is an EUME-BFD initiative that provides a regular online event which gives couples the opportunity to listen and share from the comfort of their sofa.

We host monthly Zoom calls with a 25-minute talk from a main speaker and breakout groups for discussion and sharing.
