

FFWPU United Kingdom Sailing with Our Father - HARP Summer Workshop

Michael Balcomb
August 2022

Last week the UK hosted its HARP summer workshop for ages 12-18 on the theme Sailing With Our Father.

There were lectures from William Haines and Dan Gaina, as well as talks by Elliot Yamamoto, Betty Rodrigues, and Clive Pollitt.

Clive spoke about Ocean Church and that same day everyone went fishing in the sea.

As well to regular sports sessions there was a challenging day in which everyone pushed themselves to their limits physically, emotionally, and spiritually.

Many of the young participants grew in their understanding of their identity as well as learned more about True Parents and our community.
