HARP Members went fishing as part of the "Sailing With Our Father" Summer Workshop where they made new friends, challenged themselves and grew together.

Recently, the UK hosted its HARP summer workshop for ages 12-18 on the theme Sailing With Our Father.

There were lectures from William Haines and Dan Gaina, as well as talks by Elliot Yamamoto, Betty Rodrigues and Clive Pollitt.

Clive spoke about Ocean Church and that same day everyone went fishing in the sea.

As well as regular sports sessions there was a challenge day in which everyone pushed themselves to their limits physically, emotionally and spiritually.

Many of the young participants grew in their understanding of their identity as well as learning more about True Parents and our community.
