Take the opportunity to travel to Kosovo and Macedonia to take part in the 'Balkans Peace Initiative' organised by YSP UK. Find out more below.

YSP UK have an exciting project from the October 24th - 29th called 'Balkans Peace Initiative'. The aim of the trip is to help establish YSP Peace Clubs across universities in Kosovo and North Macedonia. YSP UK will also be supporting CARP Kosovo in Pristina with outreach activities.

As part of the trip, we will have character education (in the form of fundraising, testimonies and Peace Designer Training) here in the UK before we go.

There is still space for 2 more participants to join us - for those interested, contact Elliot Y. directly at: [elliott@ffwpu.org.uk](mailto:elliott@ffwpu.org.uk)
