

FFWPU Europe and the Middle East: Be a Book Sponsor at Frankfurt Book Fair

Michael Balcomb

October 1, 2022

Dear brothers and sisters,

This year, we wish as in previous years, to participate in the world's most important trade fair for books: the Frankfurt Book Fair (Frankfurter Buchmesse)

to take place this year between 19 and 23 October. The guest of honor and of special focus in 2022 in Spain. Years of experience have shown that freedom of the written word is of great importance to the organizers of the book fair, which means that there is much tolerance and openness on all sides. A spirit of international and cultural diversity is also palpable.

Once again, the KANDO publisher company will have its own generous 12 m² stand. This gives us not only the opportunity to engage in conversation over a cup of coffee with

interested visitors but also to display impressive posters and photographs to inform the public about True Parents' vision - that of a world of peace for all mankind. This year we also plan a peace talk, organized by UPF, to be broadcast from the stand, as well as a reading in our Frankfurt center.

At the stand, the whole spectrum of our publications will be displayed, with the biographies of True Father and True Mother playing as before a central role. In previous years we were able to easily distribute a considerable number of publications, such as both biographies and the brochure about the life of True Parents, beautifully packed in attractive cloth bags which also contained advertising material and bookmarks. Again, this year we wish to take the opportunity to distribute reading material where book-loving people with diverse interests gather.

But we need your support.

Once more, you can make an advance purchase of a certain number of autobiographies and other publications which will then be distributed to you.

Here is a selection:

Father's biography: 15 EUR

Father's biography, pocket version: 4 EUR

Mother's biography: 15 EUR

Forgive, Love, Unite (extracts from Father's biography): 4 EUR

Father and Mother of Peace (exhibition brochure): 5 EUR

Reconciliation of the hostile brother nations (extracts from both biographies on the topic of the unification of North and South Korea): 3 EUR

Lasting Love - tomorrow's world, based on love: 6 EUR
Life in the Hereafter - 30 questions and answers: 5 EUR

Please inform us which books and in what quantity you would like to finance and you will be sent the invoice. The books will then be distributed during the book fair by volunteers to visitors as well as to other exhibitors.

We welcome anyone who wishes to participate in the activities at the stand, especially on 21 - 23 October when the fair is open to the public.

Please contact us at the e-mail address: kirchberger@kando-verlag.de

We hope for active support on your part, whether it be financial or your presence at the stand, and of course not least through your prayers for our success.

In any case, it is well worthwhile to come by; there are wonderful experiences to be had and a chance to meet interesting people from all over the world.

Once the spirit of this atmosphere catches you, it will never let you go!

Warm greetings
